- Follow up on the Insurance Authority's observations identified during inspection visits, and ensure the company implements the corrective action plans.
- Presenting minutes of the committee's meetings to the company's board of directors and notifying the board of directors of any major remarks.
- Meeting with members of the company's executive management and discussing supervisory reports, whenever the need arises.

The Audit Committee conducts periodic meetings through an annual plan that studies and analyzes the reports of the internal auditor and the compliance manager, discusses these reports, makes observations, and develops remedial solutions for all operations that require correction in accordance with the regulations and instructions issued by the supervisory authorities, especially from the Insurance Authority, as well as following up on implementing these solutions through company's management.

Internal Control System

The internal audit procedures and their effectiveness play an important role in achieving the company's objectives. Responsibility for establishing and monitoring the effectiveness of internal audit procedures rests with the company's Audit Committee. The internal control system is based on what the company's management deems appropriate for its activities, the extent of the financial impact of the internal audit procedures and the intended benefit of applying those related procedures. The internal audit procedures is designed to mitigate risks rather than neutralize them, to achieve the company's objectives. For example, corrective actions and solutions have been proposed and developed, although not in absolute form, but are in compliance to regulatory requirements. Also, actual assessment of losses was performed to determine the best solutions for the company to implement to ensure compliance and minimize financial losses. For this, the Audit Committee was formed to periodically review the external, internal audit and compliance reports in the company.

The company is committed to a balanced and reasonable audit procedures in terms of its design and implementation. The Audit Committee confirms that there are no material observations about the effectiveness of the internal control system and standards of the company.

Best Regards,

Shireesh Bhide

**INDEPENDENT AUDITORS' REPORT TO THE SHAREHOLDERS OF WATANIYA INSURANCE COMPANY
(A SAUDI JOINT STOCK COMPANY)****Opinion**

We have audited the financial statements of Wataniya Insurance Company – a Saudi Joint Stock Company (the "Company"), which comprise the statement of financial position as at December 31, 2023, statements of income, comprehensive income, changes in equity and cash flows for the year then ended, and notes to the financial statements, comprising material accounting policy information and other explanatory information.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as at December 31, 2023, and its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards ("IFRS") that are endorsed in the Kingdom of Saudi Arabia and other standards and pronouncements issued by the Saudi Organization for Chartered and Professional Accountants ("SOCPA") (referred to as "IFRS as endorsed in the Kingdom of Saudi Arabia").

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the International Code of Ethics for Professional Accountants (including International Independence Standards), that is endorsed in the Kingdom of Saudi Arabia, that are relevant to our audit of the financial statements, and we have fulfilled our other ethical responsibilities in accordance with the Code's requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, a description of how our audit addressed the matter is provided in that context:

INDEPENDENT AUDITORS' REPORT TO THE SHAREHOLDERS OF WATANIYA INSURANCE COMPANY
(A SAUDI JOINT STOCK COMPANY) (CONTINUED)

Key Audit Matters (continued)

Key audit matter	How our audit addressed the key audit matter
<p>Valuation of estimates of present value of cashflows and risk adjustment for non-financial risk - insurance contract liabilities</p> <p>As at December 31, 2023, the estimate of present value of future cash flows and risk adjustment for non-financial risk amounts to SAR 786.4 million and SAR 36.1 million (2022: SAR 615.7 million and SAR 26.2 million) respectively, as disclosed in Note 10 to the financial statements.</p> <p>The estimation of the liability for incurred claims involves a significant degree of judgement. This entails estimating the present value of future cash flows and the risk adjustment for non-financial risk. The risk adjustment for non-financial risk is applied to the present value of the estimated future cash flows, and reflects the compensation that the Company requires for bearing the uncertainty about the amount and timing of the cash flows from non-financial risk as the Company fulfills its obligations under insurance contracts. The present value of future cash flows are based on the best-estimate of the ultimate cost of all claims incurred but not settled at the reporting date, whether reported or not.</p> <p>The Company uses an external actuary ("Appointed Actuary") to provide them with the estimate of such liabilities. A range of methods were used to determine these liabilities which were based on a number of explicit or implicit assumptions relating to the expected settlement amount and settlement patterns of claims.</p> <p>We have considered this as a key audit matter due to the inherent estimation uncertainty, complexity and subjectivity involved in the assessment of valuation of the estimates of present value of future cashflows and risk adjustment for non-financial risk arising from insurance contracts, which are sensitive to external inputs, such as claims cost inflation, as well as the actuarial methodology that is applied and the assumptions on current and future events.</p> <p>Refer to Notes 3 and 4 for the material accounting policies and significant accounting judgements, estimates and assumptions adopted by the Company.</p>	<p>We performed the following procedures:</p> <ul style="list-style-type: none">• Understood, evaluated and tested key controls around the claims handling and provision setting processes;• Evaluated the competence, capabilities and objectivity of the Appointed Actuary based on their professional qualifications and experience and assessed their independence;• Performed substantive procedures, on a sample basis, on the amounts recorded for claims notified and paid, including comparing the outstanding claims amount to appropriate source documentation to evaluate the valuation of outstanding claims;• Checked the completeness of the underlying data used as inputs into the actuarial valuations, and tested on sample basis, the accuracy of underlying claims data used by the Appointed Actuary in estimating the present value of the future cash flows and the risk adjustment for non-financial risk by comparing it to the accounting and other records;• Involved our actuarial specialists to assess the Company's methodology and reasonableness of the key assumptions used by the management and evaluated the Company's actuarial practices and provisions established including the actuarial report issued by Appointed Actuary, by performing the following:<ul style="list-style-type: none">(i) Evaluated whether the Company's actuarial methodologies were consistent with generally accepted actuarial practices and with prior years;(ii) Assessed the appropriateness of the calculation methods and approach along with the key actuarial assumptions used and sensitivity analysis performed;(iii) Performed independent re-projections on present value of future cash flows and risk adjustment for non-financial risk on sample basis to compare them with the amounts recorded by management; and

	(iv) Assessed the adequacy and appropriateness of the related disclosures in the financial statements.
<p>Adoption of IFRS 17 and IFRS 9</p> <p>On January 1, 2023 the Company has adopted IFRS 17 "Insurance Contracts", as endorsed in the Kingdom of Saudi Arabia ("IFRS 17"), which replaces IFRS 4 "Insurance Contracts", and is effective for annual periods beginning on or after January 1, 2023, with early adoption permitted. IFRS 17 establishes principles for the recognition, measurement, presentation and disclosure of insurance contracts, reinsurance contracts and investment contracts with direct participation features ("DPF"). The Company has applied the full retrospective approach to each group of insurance contracts.</p> <p>The adoption of IFRS 17 resulted in a transition adjustment to the Company's equity as at January 1, 2022 amounting to SAR 8.7 million.</p> <p>Further, on January 1, 2023, the Company also adopted IFRS 9 "Financial Instruments", as endorsed in the Kingdom of Saudi Arabia ("IFRS 9") which replaces IAS 39 "Financial Instruments: Recognition and Measurement", as endorsed in the Kingdom of Saudi Arabia ("IAS 39"). IFRS 9 requires the management to assess its business model with respect to different portfolios of investments that drive the measurement and disclosures of the Company's investments. It also introduced the concept of Expected Credit Loss (ECL) which is a forward-looking estimate of credit losses for the Company's financial assets. The Company had applied the temporary exemption from IFRS 9 for annual periods before January 1, 2023. For the transition to IFRS 9, the Company applied a retrospective approach to be in line with the transition option adopted under IFRS 17 while applying the relevant practical expedients under IFRS 9.</p> <p>The adoption of IFRS 9 resulted in a transition adjustment to the Company's equity as at January 1, 2022 amounting to SAR 34.9 million.</p>	<p>We performed the following procedures:</p> <ul style="list-style-type: none"> • Obtained an understanding of the Company's implementation process for determining the impact of adoption of IFRS 17 and IFRS 9, including understanding of the changes to the Company's accounting policies, systems, processes and controls; • Evaluated the competence, capabilities and objectivity of the management's experts based on their professional qualifications and experience and assessed their independence; • Evaluated and assessed the appropriateness and adequacy of the transition methodologies, assumptions and accounting policies adopted in relation to, amongst others, use of premium allocation approach, expense allocation methodology, risk adjustment for non-financial risk, estimation of the present value of future cash flows, loss component determination etc., and tested the related IFRS 17 transition adjustments on the retained earnings as at January 1, 2023 and January 1, 2022, with the assistance of our actuarial specialists; • Evaluated and assessed the appropriateness and adequacy of the transition methodologies, assumptions and accounting policies adopted in relation to classification, recognition, measurement and impairment of different financial instruments and tested the related IFRS 9 transition adjustments on the retained earnings as at January 1, 2023 and January 1, 2022, with the assistance of our valuation experts; • Checked the completeness and accuracy of the underlying data used as inputs in estimating the transition impacts of IFRS 17 and IFRS 9, and tested on sample basis, the accuracy of the underlying data used; and • Evaluated and assessed the adequacy and appropriateness of related disclosures made in the financial statements.

Key Audit Matters (continued)

Key audit matter	How our audit addressed the key audit matter
<p>We have considered this as a key audit matter as the first year adoption of IFRS 17 and IFRS 9, resulted in fundamental changes to classification and measurement of the main transactions and balances of the Company along with significant changes to presentation and disclosures that were required in the financial statements for the year ended December 31, 2023.</p> <p>Refer to Notes 3 and 4 for accounting policy and significant accounting judgements, estimates and assumptions adopted by the Company. Also, refer to Note 5 for the impact of transition.</p>	

Other Information

Management is responsible for the other information. The other information comprises the information included in the annual report but does not include the financial statements and our auditors' report thereon. The annual report is expected to be made available to us after the date of this auditors' report.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the annual report, when made available to us, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of the Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with IFRS that are endorsed in the Kingdom of Saudi Arabia and other standards and pronouncements issued by SOCPA, the applicable requirements of the Regulations for Companies, and the Company's By-laws and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, i.e. the Board of Directors of the Company are responsible for overseeing the Company's financial reporting process.

**INDEPENDENT AUDITORS' REPORT TO THE SHAREHOLDERS OF WATANIYA INSURANCE COMPANY
(A SAUDI JOINT STOCK COMPANY) (CONTINUED)**

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of the management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit of the Company.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, actions taken to eliminate threats or safeguards applied.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**To the Board of Directors
Wataniya Insurance Company - a Saudi Joint Stock Company**

***Limited assurance report on the Board of Directors' declaration to the shareholders of
Wataniya Insurance Company - a Saudi Joint Stock Company***

We have undertaken a limited assurance engagement in respect of the accompanying declaration of directors' interest in contracts and transactions entered during the year ended December 31, 2023 from the Board of Directors of the Company prepared in accordance with the applicable criteria mentioned below so as to comply with the requirements of Article 71 of the Regulations for Companies (the "Declaration").

Subject matter

The Subject Matter for our limited assurance engagement is the Declaration prepared by the management of the Company and approved by the Board of Directors as attached to this report and submitted to us.

Criteria

The applicable Criteria is the requirement of Article 71 of the Regulations for Companies issued by the Ministry of Commerce which states that, subject to the provision of Article 27 of the Regulations, any member of the board of directors (the "Board") with any interest, both directly or indirectly, in the transactions or contracts made for the account of the Company shall declare such interests to the Board for the approval of the general assembly of the Company. The board member must notify the Board of such interest and excuse himself in vote by the Board to approve such transactions or contracts. The Board will notify the general assembly of transactions and contracts in which a member of the Board has a direct or indirect interest.

Management's responsibility

The management of the Company is responsible for the preparation of the Declaration in accordance with the Criteria and ensuring its completeness. This responsibility includes the design, implementation and maintenance of internal controls relevant to the preparation of the Declaration that is free from material misstatement, whether due to fraud or error.

Professional ethics and quality management

We have complied with the independence requirements of the International Code of Ethics for Professional Accountants (including International Independence Standards), endorsed in the Kingdom of Saudi Arabia (the "Code"), that is relevant to our limited assurance engagement in the Kingdom of Saudi Arabia and we have fulfilled our other ethical responsibilities in accordance with the Code's requirements.

The firm applies International Standard on Quality Management (ISQM) 1, as endorsed in the Kingdom of Saudi Arabia, which requires the firm to design, implement and operate a system of quality management including policies or procedures regarding compliance with ethical requirements, professional standards and applicable legal and regulatory requirements.

Our responsibility

Our responsibility is to express a limited assurance conclusion on the Declaration based on the procedures we have performed and the evidence we have obtained. We conducted our limited assurance engagement in accordance with International Standard on Assurance Engagements 3000 (Revised), 'Assurance Engagements Other Than Audits or Reviews of Historical Financial Information', as endorsed in the Kingdom of Saudi Arabia. This standard requires that we plan and perform this engagement to obtain limited assurance about whether anything has come to our attention that causes us to believe that the Company has not complied, in all material respects, with the applicable requirements of Article 71 of the Regulations for Companies in the preparation of the Declaration for the year ended December 31, 2023.

We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our limited assurance conclusion.

Summary of work performed

We planned and performed the following procedures to obtain limited assurance over the Company's compliance with the requirements of Article 71 of the Regulations for Companies in the preparation of the Declaration:

- Discussed with the management the process for obtaining business and contracts by any of the board members with the Company.
- Obtained the accompanying Declaration that includes the list of all contracts and transactions entered into by any of the board members of the Company, either directly or indirectly, with the Company during the year ended December 31, 2023.
- Reviewed the minutes of the Board meetings that indicate that the board member notified the Board on the contracts and transactions entered into by the board member during the year ended December 31, 2023; and further that the concerned board member did not vote on the resolution issued in this regard at the meetings of the Board.
- Reviewing confirmation obtained by the management from the board members on the contracts and transactions entered into by the board member during the year.
- Reviewed the consistency of the transactions and agreements included in the Declaration with the disclosure in Note 25 to the audited financial statements for the year ended December 31, 2023.

Inherent limitations

Our procedures relating to the preparation of the Declaration in accordance with the requirements of the Article 71 of the Regulations for Companies are subject to inherent limitations and, accordingly, errors or irregularities may occur and not be detected.

A limited assurance engagement is substantially less in scope than a reasonable assurance engagement under ISAE 3000 (Revised), as endorsed in the Kingdom of Saudi Arabia. Consequently, the nature, timing and extent of the procedures outlined above for gathering sufficient appropriate evidence were deliberately limited relative to a reasonable assurance engagement, and therefore less assurance is obtained with a limited assurance engagement than for a reasonable assurance engagement.

Our procedures did not constitute either an audit or a review made in accordance with International Standards on Auditing or International Standards on Review Engagements, that are endorsed in the Kingdom of Saudi Arabia, and, accordingly, we do not express an audit opinion or a review conclusion in relation to the adequacy of systems and controls around the preparation of the Declaration.

This conclusion relates only to the Declaration for the year ended December 31, 2023, and should not be seen as providing assurance as to any future dates or periods, as changes to systems or controls may alter the validity of our conclusion.

Limited assurance conclusion

Based on our work described in this report, nothing has come to our attention that causes us to believe that the Company has not complied, in all material respects, with the applicable requirements of Article 71 of the Regulations for Companies in the preparation of the Declaration.

Restriction of use

This report, including our conclusion, has been prepared solely upon the request of the management of the Company, to assist the Company and its Board of Directors in fulfilling its reporting obligations to the General Assembly in accordance with Article 71 of the Regulations for Companies. The report should not be used for any other purpose or to be distributed to or otherwise quoted or referred to, without our prior consent to any other parties other than the Ministry of Commerce, Capital Market Authority and the shareholders of the Company. To the fullest extent permitted by law, we do not accept or assume responsibility to any third party.
