#### **WHO WE ARE**

Bonyan REIT Fund (the "Fund") is a Shariah compliant publicly traded closed-end real estate investment fund established in Saudi Arabia under the Real Estate Investment Funds Regulations (REIFR) and the Real Estate Investment Traded Funds (REITF) Instructions issued by the Capital Market Authority. At inception, the Fund comprised of 162,881,100 units at a par value of ten (10) Saudi Riyals per unit. Its objective is to achieve periodic rental income by investing in income generating real estate assets and to distribute at least 90% of the annual net profit of the Fund.

### WHAT IS OUR STRATEGY

The Fund has a diversified real estate portfolio of ten (10) properties, made up of nine (9) freehold properties and one (1) leasehold property, all of which generate periodic rental income. The Fund can invest its assets in real estate development projects, provided the assets are not idle lands. The Fund Manager acknowledges that the Fund's investments are free of any systemic irregularities or major engineering defects that may prevent or cause non-utilization or non-operation of the assets and affect the safety of the assets or cause any costly reforms and/or major changes.

During Q3 2020, the Fund utilized its existing loan facility with ANB in lieu of Marriott Executive Apartments Madinah's payment.

Apart from above, there were no fundamental, material or significant changes that affected Fund's function and operation during the quarter.
