Our responsibility

Our responsibility is to express a limited assurance conclusion on the Declaration based on the procedures we have performed and the evidence we have obtained. We conducted our limited assurance engagement in accordance with International Standard on Assurance Engagements 3000 (Revised), 'Assurance Engagements Other Than Audits or Reviews of Historical Financial Information', as endorsed in the Kingdom of Saudi Arabia. This standard requires that we plan and perform this engagement to obtain limited assurance about whether anything has come to our attention that causes us to believe that the Company has not complied, in all material respects, with the applicable requirements of Article 71 of the Regulations for Companies in the preparation of the Declaration for the year ended December 31, 2023.

We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our limited assurance conclusion.

Summary of work performed

Inherent limitations

Our procedures relating to the preparation of the Declaration in accordance with the requirements of the Article 71 of the Regulations for Companies are subject to inherent limitations and, accordingly, errors or irregularities may occur and not be detected.

A limited assurance engagement is substantially less in scope than a reasonable assurance engagement under ISAE 3000 (Revised), as endorsed in the Kingdom of Saudi Arabia. Consequently, the nature, timing and extent of the procedures outlined above for gathering sufficient appropriate evidence were deliberately limited relative to a reasonable assurance engagement, and therefore less assurance is obtained with a limited assurance engagement than for a reasonable assurance engagement.

Our procedures did not constitute either an audit or a review made in accordance with International Standards on Auditing or International Standards on Review Engagements, that are endorsed in the Kingdom of Saudi Arabia, and, accordingly, we do not express an audit opinion or a review conclusion in relation to the adequacy of systems and controls around the preparation of the Declaration. This conclusion relates only to the Declaration for the year ended December 31, 2023, and should not be seen as providing assurance as to any future dates or periods, as changes to systems or controls may alter the validity of our conclusion.

Limited assurance conclusion

Based on our work described in this report, nothing has come to our attention that causes us to believe that the Company has not complied, in all material respects, with the applicable requirements of Article 71 of the Regulations for Companies in the preparation of the Declaration.

Restriction of use

This report, including our conclusion, has been prepared solely upon the request of the management of the Company, to assist the Company and its Board of Directors in fulfilling its reporting obligations to the General Assembly in accordance with Article 71 of the Regulations for Companies. The report should not be used for any other purpose or to be distributed to or otherwise quoted or referred to, without our prior consent to any other parties other than the Ministry of Commerce, Capital Market Authority and the shareholders of the Company. To the fullest extent permitted by law, we do not accept or assume responsibility to any third party.
