## Bombardier – Program Coordinator

My roles were quite diverse and include, not limited to the following:

- Program Coordinator for Worldwide Strategic Accounts in Business Aircraft, reporting to the Director of Worldwide Strategic Accounts.
- Leading multi-functional teams to be effective in communicating priorities and requirements in order to resolve conflicts and facilitate successful project implementation
- Interface directly with customers and program partners.
- Interacting with other functional units to identify strategies for sales campaigns and support for the negotiation process.
- Participate in high-level meetings; make presentations to management, customers and program partners.
- Setting strategy for product change activity as well as customer commitments and oversee the entire process from problem evaluation through to implementation; including development of business plans to ensure effective decision-making that support the program orientation.

**May 2013 – July 2013**

**Montreal, Canada**

Concordia University

Teaching Assistant for Professor J. Mannadiar (Director of Finance Co-op program)  
for two courses:

- Corporate Finance
- Real-estate Finance

**June 2010**

**Toronto, Canada**

G20 Summit – Saudi Youth Delegate Representative

- Head of Saudi youth delegates' chosen by the Canadian Ministry of Foreign Affairs to represent the Saudi Arabian Youth at the 'Youth Summit' along side the G20 Summit. Discussed economic, political and security matters and delivering the end results to the G20 Countries leaders.
- Chosen among 10,000 of applicants based on communication skills, breadth and depth of knowledge in understanding Saudi's youth society.
- Had the Honor of meeting His Majesty King Abdullah Bin Abdulaziz and discuss matters of the Saudi youth.
- Also contributed in small discussions with President Obama (USA) and President Sarkozy (France) along side the Summit.

## Languages

- Arabic
- English
- French
