Financial Results Announcement and Conference Call

For the twelve-month period ended 31 December 2025

About Acwa

ACWA Power (TADAWUL:2082) is a Saudi-listed company and the world's largest private water desalination company, the first mover into green hydrogen, and a leader in energy transition. Registered and established in 2004 in Riyadh, Saudi Arabia, Acwa employs over 4,000 people and is currently present in 15 countries in the Middle East, Africa, Central Asia, and Southeast Asia. Acwa's portfolio comprises 108 projects in operation, advanced development, or construction with an investment value of SAR 438 billion (USD 117 billion) and the capacity to generate 93 GW of power and manage 9 million m³/day of desalinated water per day. This energy and water are delivered on a bulk basis to address the needs of state utilities and industries on long-term, off-taker contracts under utility services outsourcing and public-private partnership models.
