- The second meeting was held on August 09, 2020.
- The third meeting was held on November 2, 2020.
- The fourth meeting was held on March 15, 2021.

#### The tasks and duties performed by the Committee:

- Analyzing the Company's financial statements before presenting them to the Board and providing its opinion thereon to ensure integrity, fairness and transparency.
- Discussing the issues raised by the company's CFO.
- Examining the accounting estimates and the significant issues related to the financial reports.
- Examining and reviewing the effectiveness of internal and financial control and risk management systems in the company through:
  - Reviewing significant changes in these systems, if any, discussing internal audit reports, its recommendations and management responses, and following up actions taken towards recommendations.
  - Reviewing and discussing the external auditor's reports, its recommendations and management responses on matters related to internal and financial control, and risk management.
  - O Discussing significant changes in the company's business and work environment and its impact on internal control and risk management systems.
- Examining the accounting policies of the company by examining the important changes and the requirements of the new amendments to the international financial reporting standards adopted in Saudi Arabia, and providing an opinion and recommendation to the Board on them.

## Jarir Marketing Co.

- Approving the internal audit plan and reviewing internal audit reports and following up their implementation.
- Reviewing the findings of regulatory reports and ensuring that the company has taken the necessary actions.
- Reviewing the company's compliance with the relevant regulations, regulations, policies
  and instructions through the reports of regulators, internal audit and external auditors, and
  verifying that the company has taken the necessary actions.
- Reviewing contracts and proposed transactions with related parties, and providing its views to the Board.
- Providing its recommendations to the Board to appoint the external auditor, determine his
  fee, assess his performance and independence and reviewing and discussing the scope of
  his work to ensure that he is able to perform his work effectively and has unrestricted
  access to information.
- Providing recommendation to the Board on the actions it deems necessary to be taken in relation to the matters that fall within its powers.

# The Audit Committee's opinion on the adequacy of the internal and financial control system and risk management:

The Committee deems that the work it performed in relation to fiscal year 2020 provides a reasonable assurance of the adequacy of the company's internal and financial control system, and risk management to achieve the objectives for which they were designed.
