KEC Audit Committee Report For the Fiscal Year Ended on 31 Dec 2020 Presented to KEC Assembly General Meeting

To the shareholders of Knowledge Economic City

In compliance by the audit committee of the Knowledge Economic City Company "the Committee" with Article (104) of the Saudi Companies Law, which stipulates that "The audit committee shall review the company's financial statements, and auditor's reports and notes, and shall provide its opinion thereon, if any. The committee shall also prepare a report of its opinion concerning the efficiency of internal control within the company, and about any other activities falling within its powers", and the committee's compliance with Article (91) of the Corporate Governance Regulations issued by the Capital Market Authority, which stipulates that "the report of the audit shall include details of its performance of its competencies and duties stated in the Companies Law and Its Implementing Regulations, provided that the report contains its recommendations and opinion on the adequacy of the internal and financial control systems and risk management systems in the Company".

During the year 2020, the committee held 9 meetings, in which, it has implemented, as an example, but not limited to, the following:

- 1. Evaluating the internal controls system through what was stated in the internal audit reports and reviewing the results of its work to verify the integrity of the internal control system, and to ensure that the company's management is committed to implementing the procedures and recommendations as stated the internal audit reports.
- 2. Reviewing updates to some of the company's financial policies and procedures to ensure the level of effectiveness of internal control procedures in those policies.
- 3. Reviewing the interim condensed quarterly financial statements and the annual financial statements, discussing them with company external auditors, and making a recommendation about them to the Board of Directors.
- 4. Reviewing the accounting policies followed by the company, and ensures they are updated in line with international standards adopted in the Kingdom of Saudi Arabia.
- 5. Recommending to the Board of Directors to nominate the company's external auditors for the fiscal year ending 31 December 2021, in accordance with criteria that included technical and financial analysis, verifying the auditor's independency, and that there are no limitations on the implementation of their duties.

Based on the results of the continuous examination and annual verification, in our opinion, there is no material deficiency in the internal control systems and its integrity, through auditing processes that aims to ensure the effectiveness of internal control systems, reviewing financial and administrative policies and procedures, and the processes for preparing financial reports and related outputs to ensure the safeguarding of the company assets; with the need for continuous update of some of the company's systems and policies in line with the changes in relevant regulations and legislations issued by the competent legislation authorities. The Audit Committee supervises the periodic and systematic efforts exerted by the company to develop the policies and procedures, in order to evaluate the efficiency and effectiveness of control activities and risk management, under the guidance of the Board of Directors and the efforts of the Internal Audit Department and the company external consultants who work closely with the management to review and update policies and procedures under AC supervision.

Audit Committee of Knowledge Economic City

Dr. Jassim Al Rumaihi Chairman of The Committee

INDEPENDENT AUDITOR'S REPORT

TO THE SHAREHOLDERS OF KNOWLEDGE ECONOMIC CITY COMPANY (A SAUDI JOINT STOCK COMPANY)

Opinion

We have audited the consolidated financial statements of Knowledge Economic City Company (A Saudi Joint Stock Company) - ("the Parent Company") and its subsidiaries ("the Group"), which comprise the consolidated statement of financial position as at 31 December 2020, and the consolidated statement of profit or loss and other comprehensive income, consolidated statement of changes in equity, and consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Group as at 31 December 2020, and its consolidated financial performance and its consolidated cash flows for the year then ended in accordance with International Financial Reporting Standards ("IFRSs") that are endorsed in the Kingdom of Saudi Arabia and other standards and pronouncements that are endorsed by the Saudi Organization for Certified Public Accountants ("SOCPA").

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia. Our responsibilities under those standards are further described in the 'Auditor's Responsibilities for the Audit of the Consolidated Financial Statements' section of our report. We are independent of the Group in accordance with professional code of conduct and ethics endorsed in the Kingdom of Saudi Arabia that are relevant to our audit of the consolidated financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other matter

The consolidated financial statements of the Group for the year ended 31 December 2019 were audited by another auditor who expressed an unmodified opinion on those financial statements on 8 March 2020.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming auditor's opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have fulfilled the responsibilities described in the 'Auditor's Responsibilities for the Audit of the Consolidated Financial Statements' section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the consolidated financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying consolidated financial statements.

INDEPENDENT AUDITOR'S REPORT

TO THE SHAREHOLDERS OF KNOWLEDGE ECONOMIC CITY COMPANY (A SAUDI JOINT STOCK COMPANY)

Key Audit Matters (continued)

Key audit matter Impairment of investment and development properties

The investment and development properties are stated at cost less depreciation and impairment, if any. As at 31 December 2020, the carrying values of investment and development properties amounts to SR 2,566 million and SR 86 million (2019: SR 2,513 million and SR 165 million), respectively. Both accounts combined represent 81% (2019: 80%) of the total assets of the Group.

The carrying values of these assets are reviewed annually by management to assess whether there are indicators of impairment. Wherever indicators of impairment exist, an impairment assessment is performed by determining if the recoverable amount, which takes into account the fair value of these assets, exceeds or is equal to its carrying values. The Group engaged an independent certified external valuer ("valuer"), who assesses the fair values using market valuation methodology that are based on significant assumptions and estimates. This approach entails significant judgement and estimates such as sales prices, absorption periods, market trends, discount rates and terminal values. including economic fluctuations and the effects of the Covid-19 pandemic on the Group's business.

We considered this as a key audit matter as impairment of investment and development properties requires management to exercise judgment and use significant assumptions and estimates that may be uncertain in nature. The potential impact of the impairment of investment and development properties may be significant to the Group's consolidated financial statements.

Please refer to notes (4.8 and 4.9) of consolidated financial statements for more details regarding the material accounting policies, notes (3.1.1 and 3.1.2) regarding significant accounting estimates and judgements, and notes (9 and 10) regarding details about relevant disclosures.

How our audit addressed the key audit matter

We performed the following audit procedures, among others:

- Reviewed the management's procedures in identifying impairment indicators in respect of investment and development properties.
- Evaluated objectivity, independency, competence and experience of the valuer.
- Involved our valuation specialists to review, on a sample basis, the valuation techniques and methodology used by the management valuer and challenged the assumptions and estimates sales prices, occupancy rate, market rent, future rental income, discount rates and terminal values, including economic fluctuations and the effects of the Covid-19 pandemic on the Group's business to ensure the reasonableness of key assumptions and estimates used to determine the fair value of investment and development properties.
- Tested the integrity of inputs of the projected cash flows used in the valuation performed by the valuer.
- Performed sensitivity analysis on the significant assumptions to evaluate the impact of the fair values and assessed the impact of changes in the key assumptions to the conclusion reached by the management.
- Checked the minutes of the meetings of board of directors to ensure that there are no decisions regarding abandonment or disposal of investment and development during the current and future years.
- Reviewed the adequacy of the presentation and disclosures in respect of underlying assumptions and estimates, and the sensitivity analysis in the accompanying consolidated financial statements.

INDEPENDENT AUDITOR'S REPORT

TO THE SHAREHOLDERS OF KNOWLEDGE ECONOMIC CITY COMPANY (A SAUDI JOINT STOCK COMPANY)

Key Audit Matters (continued)

Key audit matter

Revenue recognition

The Group assesses revenue recognition under requirements of IFRS 15 "Revenue from contracts with customers" for each of its contracts with customers. Certain judgements are applied, and estimates are made in assessing the timing of revenue recognition and measurement of revenue based on completion of the underlying performance obligations.

- A) The Group estimates total development and infrastructure costs required to meet performance obligations related to land sales, and determines appropriate proportion of related revenue and cost to the extent of satisfaction or completion of those performance obligations as at the end of the reporting period.
- B) For certain residential projects, the Group sells properties or units on payment plans ranging from three to seven years and as such the contract with the customers include significant financing component (SFC) at the contract inception which involves significant management judgement over the appropriate discount rate and expected credit risk. To calculate the appropriate discount rate to be used in calculating the SFC, management has involved a specialist to determine the appropriate discount rate that reflects the financing component in contracts between the Group and the customers, considering the credit characteristics of the customer receiving financing and any collateral or security provided by the customer.

Revenue recognition was assessed as a key audit matter due to the significance of the assessment and judgements applied and estimates made in assessing the timing of revenue recognition, measurement & allocation of revenue to the performance obligations and the determination of the discount rates.

Refer to note 3.1.3 and 4.18 for details about the judgements applied and estimates made in revenue recognition relating to land sales transactions and determining the significant financing component, and note 14 and 24 regarding detail about relevant disclosures.

How our audit addressed the key audit matter

We performed the following audit procedures, among others:

- Obtained an understanding of the terms and conditions of contracts with the customers and identified performance obligations on a sample basis.
- Reviewed the criteria for allocation of infrastructure cost over the related land plots, and the determination of respective revenue
- Reviewed, on a sample basis, development and infrastructure costs to be incurred on the lands and the relevant contracts with the suppliers for the infrastructure costs and recalculated the allocation of revenue between land and infrastructure cost.
- Tested accuracy and completeness of underlying calculations of revenue and respective cost.
- For contracts containing SFC, we:
 - Involved our internal specialist to evaluate the appropriateness of discount rates used by the management with reference to credit characteristics of and collateral or security provided by the customer.
 - Reviewed, on a sample basis, contracts with customers for residential units and ensured that there is a signed contract between the Group and the customer, the handoff of the units took place during the year, and the SFC amount was calculated in accordance with IFRS 15.
 - Tested accuracy and completeness of the SFC calculation over revenue.
- Assessed the appropriateness of disclosures in the consolidated financial statements.

INDEPENDENT AUDITOR'S REPORT

TO THE SHAREHOLDERS OF KNOWLEDGE ECONOMIC CITY COMPANY (A SAUDI JOINT STOCK COMPANY)

Other information included in The Group's 2020 Annual Report

Other information consists of the information included in the Group's 2020 annual report, other than the consolidated financial statements and our auditor's report thereon. Management is responsible for the other information in its annual report. The Group's 2020 annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Group's 2020 annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with International Financial Reporting Standards that are endorsed in the Kingdom of Saudi Arabia and other standards and pronouncements that are endorsed by the SOCPA and the provisions of Companies' Law and the Parent Company's By-laws, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

INDEPENDENT AUDITOR'S REPORT TO THE SHAREHOLDERS OF KNOWLEDGE ECONOMIC CITY COMPANY (A SAUDI JOINT STOCK COMPANY)

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements (continued)
As part of an audit in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

INDEPENDENT AUDITOR'S REPORT TO THE SHAREHOLDERS OF KNOWLEDGE ECONOMIC CITY COMPANY (A SAUDI JOINT STOCK COMPANY)

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements (continued) From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances,

we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

C) Work Exper	ience of the Nominated Member			
Period	Areas of Experience			
April 2020- Oct 2020	Aramco Advanced R&D Center at King Abdullah University of Science and Technology KAUST project (April 2020 - current) Thuwal, Saudi Arabia			
	Joined Saudi Aramco Research and Development center R&DC project management to capitalize on my experience in managing mega projects to assist in the completion of the state of the art R&D center at KAUSTResponsible for the transformation of the center theme from traditional research to IR4 and AI driven theme working with world class contractors and designers such as Wipro, Jacobs and DAR. Was also responsible for other complicated commissioning issues.			
Jan 2011 - March 2020	King Abdullah University of Science and Technology KAUST projects management (Jan 2011 - March 2020) Thuwal, Saudi Arabia			
	Having both the technical knowledge and project management skills, I was requested to assist in the KAUST project from the project management side by Saudi Aramco project management business line.			
	I led teams of engineers and supports staff and was the primary responsible person for design, construction and commissioning of:			
	 30+ Advanced Research centers and specialized research labs at KAUST Mega project. KAUST premiere security system project including ditch, intrusion detection systems, sonars, radars, vessels barriers, IDAS, and crash rated fences with all control systems. Thuwal town development projects including schools, roads, full utilities systems, mosques, public areas, sewage treatment plant, and heritage convention center. Project Controls & Support including closeouts, HSE, KPIs, scheduling, IT, and interfaces management. 			
	 Construction of KAUST National Guard housing complex project consisting of 500 villas, Grand mosque, four local mosques, seven schools, clinic, fire station, full infrastructure, , sewage treatment, with complete services such as fire water system irrigation, security, retail, all fully equipped and furnished. Passed through many claims, disputes, change orders, additional funding, approvals, contractor financial difficulties and bankruptcy, labor strikes and other issues, schedule 			
Jan 2009 - Nov 2010	extension and crashing. King Abdullah University of Science and Technology KAUST mega Project (Jan 2009 - Nov 2010) Jeddah-Thuwal, Saudi Arabia (A founding member)			
555	I am proud of being a Founder for King Abdullah for Science and Technology KAUST, where I led a team from Saudi Aramco, designer HOK, faculty, and contractors working on the project. I was responsible for the advanced research labs including state of the art equipment such as the Nano fabrication labs, clean room, proteomics and genomics, and clean combustion center. I had the responsibility to represent KAUST interests in front of Aramco PMT, Bin laden, Saudi Oger & Oger international, HOK, and other stakeholders			
Aug 2006- Dec 2008	Saudi Aramco New Business Development, Aramco/ ConocoPhillips YASREF export refinery Mega project (Aug 2006-Dec 2008) Houston, USA			

	Joined a team from Saudi Aramco, Conoco Phillips and their contractor Kellogg Brown & Root KBR in Houston, TX working on the design of a \$ 10 b state-of-the-art Joint Venture Yanbu Refinery complex. Worked at the main office in Houston on the refinery's design, configuration, feasibility study, layout, plot plan, specifications, profitability, economics, and synergies with other Aramco, Sabic and private sector industries. In addition, I was responsible of the whole gasoline processing complex and part of the configuration team, licensors selection technical and commercial teams. Participated in the bid evaluation and award processes for the whole complex. Was an instrumental member in deciding the project product slate and profitability.
Mar 2000 -	Saudi Aramco Research & Development R&D Center (Mar 2000 - Jul 2006)
Jul 2006	Was responsible for research and new technology development in order to enhance the profitability and decrease the running cost of the refining processes. Was leading a team of scientists and engineers for pilot plants testing, catalyst characterization, desulphurization, refinery optimization, fuels & engine performance, High olefins FCC technology. Was the main advisor for the selection of deep catalytic cracking technology for high yield of plastics that was constructed in PetroRabigh. Gave technical courses to Saudi Aramco engineers. Was sponsored to pursue my PhD in USA.
Aug 1999 -	Saudi Aramco Facilities Planning Dept. (Aug 1999 - Feb 2000)
Feb 2000	3 4,4 (13
	FPD is responsible for preplanning of all Aramco capital projects and of planning all Saudi Aramco's facilities, capital projects and business plan. These facilities include oil production, refineries, petrochemicals, roads, residential, infrastructure, recreation, utilities, and IT. I was participated in Kingdom Refineries Upgrade program, refineries master plan, refinery excess oil utilization and
Nov 1995 -	profitability enhancement. Saudi Aramco Jeddah/Riyadh Refining Vice President Planning staff (Nov 1995 - Jul 1996)
Jul 1996	Technical Advisor & Capital Project Coordinator responsible for all technical issues regarding capital projects, Operating &, Business plans, issuing accountability reports for Jeddah & Riyadh refineries and Jeddah Administrative area. Served as a consultant to the VP.
Oct 1990 -	Petromin/ Samarec/Saudi Aramco Jeddah Oil Refinery (Oct 1990 - July 1999)
July 1999	Process & Operation Engineer for all Jeddah refinery process units. First Saudi Specialized in FCC field. Participated in the engineering, construction and commissioning in two major Revamp Projects and 20 refinery turnarounds projects. Invented new procedures for cleaning vessels to avoid plugging saving time and money. Made necessary engineering for numerous projects and modifications. Mentored many new engineers. Invented a new program which can do daily and monthly reports, and give MIS type information way before advanced computers were available. Was selected as the presenter of the refinery deficiencies to Saudi Aramco's corporate management Committee. Was nominated for the MS degree in USA and high level assignment with the VP.
Mar-Oct	Petromin Lubricating Oil Company (Petrolube), Jeddah (Mar-Oct 1990)
1990	Started my career working on Lube & grease formulations, specifications and production. Obtaining performance certificates from international firms (Mobil, API, GM, Rolls-Royce, and SAE). Had the important role to advise Saudi Arabian customs whether imported lubes and lube additives meet Saudi specs and if they can be locally manufactured or not to waive import custom duties
2010-now	International management experience by holding several high positions in the American Institute of Chemical Engineers AIChE for more than 15 years including Division Chair, Director, Committee Chair, regional liaison, technical sessions' chair, and keynote.

20009-now	Renewable and Clean Energy International experience projects from being a founder KAUST responsible for clean energy advanced research labs KAUST founder, engaging in AIChE for 15 years with world top companies and national research labs such as NREL, DOW in addition to working in Aramco R&D center
1980-2010	Working in Haj family business for 30 years gaining valuable experience in crowd and people management and logistics.
2016-2018	Saudi building code 2018 review committee member
2016-now	Member of the board of college of engineering, king Abdulaziz university Rabigh
