Independent Auditor's Report

To the Shareholders of Al-Andalus Property Company
(Saudi Joint Stock Company)

Opinion

We have audited the consolidated financial statements of **Al-Andalus Property Company** (the "Company") and its subsidiaries (the "Group"), which comprise the consolidated statement of financial position as at 31 December 2022, the consolidated statements of profit or loss and other comprehensive income, changes in equity and cash flows for the year then ended, and notes to the consolidated financial statements, comprising significant accounting policies and other explanatory information.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Group as at 31 December 2022, and its consolidated financial performance and its consolidated cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRS) that are endorsed in the Kingdom of Saudi Arabia and other standards and pronouncements issued by the Saudi Organization for Chartered and Professional Accountants (SOCPA).

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the International Code of Ethics for Professional Accountants (including the International Independence Standards) that are endorsed in the Kingdom of Saudi Arabia that are relevant to our audit of the consolidated financial statements, and we have fulfilled our other ethical responsibilities in accordance with the Code's requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Independent auditor's report (continued)

To the Shareholders of Al-Andalus Property Company
(Saudi Joint Stock Company)

Key audit matters (continued)	
Impairment of investment properties and their fair value	
Note (8) to the consolidated financial statements.	
Key audit matter	How the matter was addressed in our audit
<p>As at 31 December 2022, the carrying amount of Group's investment properties amounted to SR 1 billion and the fair value of these properties amounted to SR 1.9 billion.</p> <p>The investment properties are stated at cost net of accumulated depreciation and impairment losses, (if any). Also, the fair value of the investment properties is disclosed in the notes to the consolidated financial statements. The Group conducts an annual assessment to verify the existence of any indicators of impairment of investment properties. If any impairment indicator exists, the Group estimates the recoverable amount by estimating the value-in-use after obtaining the fair value estimates by independent real estate valuation experts.</p> <p>We considered the impairment of investment properties and their fair value as a key audit matter since the determination of impairment indicators and the calculation of impairment losses as well as the valuation of the fair value of the investment properties and the related disclosures require significant assumptions and judgments that could result in material misstatements of the calculation of impairment losses (if any).</p>	<p>Our audit procedures, included among others:</p> <ul style="list-style-type: none">- Understanding and evaluating the management procedures and accounting policy followed regarding the impairment of investment properties.- Assessing and agreeing observable inputs used in the estimations, such as rental income, occupancy rates and lease lengths back to lease agreements for a sample of properties.- Comparing the value in use of investment properties with their carrying values to determine whether the recognition of impairment loss is required.- Communicating with the independent real estate valuation experts to understand the assumptions and the approach used in valuing the investment properties and the market evidence used by the valuer to support the assumptions used.- Assessing the independence and professional and practical qualifications of the Group's real estate valuation experts and that the real estate valuation expert is accredited by the Saudi Authority for Accredited Valuers (TAQEEM).- Using our specialists to assess the key assumptions used by the real estate valuation experts in estimating the fair value of the investment properties.- Assessing the adequacy of the disclosures in the consolidated financial statements.

Independent auditor's report (continued)

To the Shareholders of Al-Andalus Property Company
(Saudi Joint Stock Company)

Key audit matters (continued)

Revenue recognition

Note (19) to the consolidated financial statements.

Key audit matter	How the matter was addressed in our audit
<p>During the year ended 31 December 2022, the Group recognized revenue with a total amount of SR 216 million (31 December 2021: SR 214 million)</p> <p>The Group revenue mainly consists of rental income arising from lease contracts.</p> <p>Revenue recognition is considered as a key audit matter since revenue is key measure of performance measurement and there is a risk that revenue may be overstated resulting from the pressure management may face to achieve performance targets and without achieving revenue recognition requirements as per requirements of IFRS.</p>	<p>Our audit procedures, included among others:</p> <ul style="list-style-type: none">- Assessing the Group's accounting policies and the procedures of revenue recognition by considering the requirements of the relevant accounting standards,- Assessing the design and implementation, and testing the operating effectiveness of controls.- Testing revenue recognized during the year in respect of a sample of lease contracts to assess whether revenue recognized under these contracts complies with Group's revenue recognition and in accordance with terms of the lease contracts.- Testing a sample of journal entries posted to the revenue accounts to identify any unusual items.- Performing cut off procedures to assess that revenue is recognized in that period.- Assessing the adequacy of the disclosures in the consolidated financial statements.

Independent auditor's report (continued)

To the Shareholders of Al-Andalus Property Company
(Saudi Joint Stock Company)

Other Information

Management is responsible for the other information. The other information comprises the information included in the annual report but does not include the consolidated financial statements and our auditor's report thereon. The annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated financial statements does not cover the other information and we do not and will not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the annual report, when made available to us, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with IFRS that are endorsed in the Kingdom of Saudi Arabia and other standards and pronouncements issued by SOCPA, the applicable requirements of the Regulations for Companies, Company's By-Laws and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, Board of Directors, are responsible for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with International Standards on Auditing (ISAs) that are endorsed in the Kingdom of Saudi Arabia will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Independent auditor's report (continued)

To the Shareholders of Al-Andalus Property Company
(Saudi Joint Stock Company)

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements (continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, then we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit of Al-Andalus Property Company and its subsidiaries.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**Audit Committee Report for General
Assembly for the Financial year
ending on 31 Dec 2022**

Annual Audit Committee Report – 2022

To Shareholders of Al-Andalus Real Estate Company

The Audit Committee is pleased to submit its annual report for the financial year ending on December 31, 2022, in accordance with the controls regulating the nature of the committee's work and in accordance with the relevant laws and regulations, which includes a report on its opinion regarding the adequacy of the company's internal control system and what the audit committee did in terms of intervention. Within the scope of its competence, it is worth noting that the committee held (6) meetings during the year 2022.

❖ Summary of Work

1. Financial Reporting

- The AC reviewed the initial and annual financial statements of the company before submitting them to the Board of Directors, expressing opinion about them and recommending them.
- The AC provided a technical opinion on whether the report of the Board of Directors and the financial statements of the company are fair, balanced, and understandable, and include information that allows shareholders and investors to evaluate the financial position of the company, its performance, business model and strategy.
- The AC reviewed the accounting policies, estimates and the zakat position, and express opinion and recommendation to the Board of Directors regarding them.

2. Internal Audit

- The AC reviewed and discussed the internal audit reports, follow up on the implementation of its recommendations, and review the adequacy of the internal control systems.
- The AC reviewed and discussed the quarterly corrective actions follow-up reports, and the annual report on the work of the internal audit department.
- The AC verified the independence of the internal audit department and the effectiveness of the audit work, in line with the relevant standards.

3. External Audit

- The AC reviewed Study the company's auditor's plan, scope and follow up on its implementation.
- The AC verified the independence and objectivity of the auditor and the effectiveness of the audit process, considering the relevant professional and regulatory requirements.
- The AC reviewed the auditor's notes on the company's financial statements and follow up on what has been done with the executive management.
- The AC Discussed the impact of impairment losses of assets on the financial statements, potential events, and the extent of response to them.

4. Compliance

- Verify the company's compliance with the relevant laws, regulations, policies and instructions, and the rules and standards of corporate governance.

❖ AC Opinion

In light of the aforementioned scope of work and based on the periodic reports submitted by the internal audit department, the external auditor, the executive management of the company and the management's assurances about the integrity of the company's control system, the audit committee did not discover any material matters of significant impact that may require disclosure of the financial year Ending on December 31, 2022.

We also, point out that it is not possible to absolutely ensure the comprehensiveness of the review and assessment processes that are carried out for internal control procedures, because the audit process is based on random samples. In addition to the diversification of the company's operations. However, the development and improvement processes are continuing by the committee and regulatory departments to ensure the effectiveness and efficiency of the follow-up mechanism and to improve internal control processes and procedures.

On behalf of the Audit Committee

The Audit Committee Chairman

DR. Abdulrahman Albarrak

March 26, 2023, Riyadh

The Audit Committee's decision in pass No. 11 / T / 2023

Regarding nominating external auditors to audit the company's accounts

Sunday 04 Ramadan 1444 AH corresponding to 26 March 2023 AD

The audit committee of Al-Andalus Property Company deliberated its decision regarding nominating external auditors to audit the company's accounts for the fiscal year ending on December 31, 2023 AD, and the first quarter of the year 2024 AD and determined its fees, and after the audit committee studied the evaluation report of the bids received and reviewed by a committee designated for this purpose in The company, the best offers received were identified as follows:

#	Name of candidate accounting firm	Value SR	Fees include
1	Al Fozan & Partners KPMG	605.000	Review the annual and quarterly lists *
2	Ibrahim Ahmad Al-Bassam &Co PKF	580.000	Review the annual and quarterly lists *

Based on Article (78) of the Corporate Governance Regulations issued by the Capital Market Authority, the Audit Committee recommends to the Board of Directors to take the decision to nominate the above auditors to the General Assembly to select one of them and determine its fees.
