Past performance is not necessarily a guide to future performance. The value of the investment in the fund is variable and may increase or decrease. The security may be subject to sudden and large falls in value which could cause a loss equal to the amount invested; and the investor's loss may not be limited to the amount originally invested or deposited, but may have to pay more. Income from the security may fluctuate; and part of the capital invested may be used to pay that income. The prices, values or income may fall. Investors may receive less than what he/she invested. It may be difficult for the investor to sell or realise the security; and to obtain reliable information about its value or the extent of the risks to which it is exposed. Changes in currency rates may have an adverse effect on the value, price or income of the security. Service and performance fees/charges apply. This product may not be suitable for all recipients of this report. In case of any doubts, you should seek advice from your investment advisor. NCB Capital may have a position or holding in the securities concerned or in related securities and/or may have provided within the previous 12 months significant advice or security business services to the issuer of the securities concerned or of a related security. More information about the fund is available in the Terms and Conditions applicable to that fund and should be read carefully before investing. While reading the fund's Terms and Conditions, please refer to the principal risks of investing in the Fund. You can obtain a copy of the Terms and Conditions by visiting www.ncbc.com.
