شركة الوطني لإدارة الثروات

المحتويات:

3	أ) معلومات صندوق الاستثمار
4	ب) أداء الصندوق
7	ج) مدير الصندوق
9	د) أمين الحفظ
9	هـ) مشغل الصندوق
10	و) مراجع الحسابات
10	ز) القوائم المالية

أ) معلومات صندوق الاستثمار:

1) اسم صندوق الاستثمار:

صندوق الوطني للأسهم السعودية

2) أهداف وسياسات الاستثمار وممارساته:

صندوق الوطني للأسهم السعودية هو صندوق استثماري عام مفتوح يهدف إلى تنمية رأس المال وتحقيق عائد أعلى . من المؤشر الاسترشادي على المدى الطويل.

يستثمر الصندوق بشكل أساسي في أسهم الشركات المدرجة في مؤشر إس آن بي العائد الكلي المحلي للأسهم السعودية بالعملة المحلية(S&P Saudi Arabia Domestic Total Return in Local Currency Index) ، ويعتمد مدير الصندوق على أسلوب إدارة نشطة حيث أن اختلافات الأوزان للأسهم والقطاعات وتركيزها وحجم السيولة النقدية مقارنة بمكونات المؤشر سيكون مبنيا على تقييمات وتقدير مدير الصندوق، حيث يهدف مدير الصندوق من هذه الاختلافات في الأوزان وتركيز الاستثمارات إلى تحقيق عائد أعلى من المؤشر الاسترشادي، علما بأنه لا يوجد ضمان بتحقيق ذلك العائد.

يحق للصندوق الاستثمار في أي من مكونات المؤشر الاسترشادي، كما يمكن حسب تقدير مدير الصندوق المطلق الاستثمار في صناديق أسواق النقد والمرابحة المطروحة طرحا عاما في المملكة العربية السعودية والمرخصة من هيئة السوق المالية، والتي من ضمنها صناديق أسواق النقد والمرابحة المدارة من قبل الشركة إن وجدت. كما يمكن للصندوق الاستثمار بالأوراق المالية التي لا تقع ضمن المؤشر الاسترشادي، على ألا يتعدى مجموعها 10% من صافى قيمة أصوله.

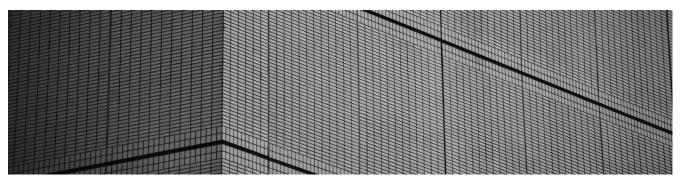

3) سياسة توزيع الدخل والأرباح:

لن يقوم مدير الصندوق بتوزيع أي أرباح على مالكي الوحدات، وسيقوم بإعادة استثمار الأرباح الرأسمالية والأرباح النقدية الموزعة في الصندوق.

4) تتاح تقارير الصندوق عند الطلب وبدون مقابل.

5) المؤشر الاسترشادي للصندوق، والموقع الإلكتروني لمزود الخدمة (إن وجد):

مؤشر إس آن بي العائد الكلي المحلي للأسهم السعودية بالعملة المحلية S&P Saudi Arabia Domestic إس آند (S&P)، وسيتم تزويد خدمة المؤشر وبياناته عن طريق شركة إس آند (S&P)، ويمكن الحصول على بيانات المؤشر عن طريق الموقع الخاص بمزود الخدمة " www.spglobal.com"، أو عن طريق أحد مزودي البيانات (على سبيل المثال لا الحصر: بلومبيرغ)، ولن يتحمل الصندوق أية رسوم نتيجة استخدام المؤشر.

INDEPENDENT AUDITOR'S REPORT

To the unitholders of AlWatani Saudi Equity Fund Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of **AlWatani Saudi Equity Fund** ("the Fund"), managed by Watani Wealth Management ("the Fund Manager"), which comprise the statement of financial position as at December 31, 2024, and the statement of profit or loss and other comprehensive income, statement of changes in net assets (equity) attributable to unitholders and statement of cash flows for the year then ended, and notes to the financial statements, including material accounting policy information.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Fund as at December 31, 2024, and its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards ("IFRSs") that are endorsed in the Kingdom of Saudi Arabia and other standards and pronouncements issued by the Saudi Organization for Chartered and Professional Accountants ("SOCPA").

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Fund in accordance with the International Code of Ethics for Professional Accountants (including International Independence Standards) ("the Code") as endorsed in the Kingdom of Saudi Arabia, that are relevant to our audit of the financial statements, and we have fulfilled our other ethical responsibilities in accordance with the requirements of the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Fund Manager and Those Charged with Governance for the Financial Statements

The Fund Manager is responsible for the preparation and fair presentation of the financial statements in accordance with IFRSs that are endorsed in the Kingdom of Saudi Arabia and other standards and pronouncements issued by the SOCPA, and compliance with the applicable provisions of the Investment Funds Regulations issued by the Capital Market Authority, the Fund's Terms and Conditions, and for such internal control as the Fund Manager determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Fund Manager is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Fund Manager either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

Those charged with governance is responsible for overseeing the Fund's financial reporting process.

Deloitte.

Independent Auditor's Report

To the unitholders of AlWatani Saudi Equity Fund (continued)

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error,
 design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and
 appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from
 fraud is higher than the one resulting from error, as fraud may involve collusion, forgery, intentional omission,
 misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are
 appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the
 Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Fund Manager.
- Conclude on the appropriateness of Fund Manager's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosure is inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

ALWATANI SAUDI EQUITY FUND (An open-ended mutual fund) Managed by Watani Wealth Management Notes to the financial statements For the year ended 31 December 2024 (Amount in SAR '000)

1. THE FUND AND ITS ACTIVITIES

AlWatani Saudi Equity Fund ("the Fund") is a public, open-ended investment fund, managed by Watani Wealth Management ("the Fund Manager", Registrar"), a subsidiary of National Bank of Kuwait ("the Bank"), for the benefit of the Fund's Unitholders. The Fund is established under article 31 of the Investment Fund Regulations ("the Regulations") issued by the Capital Market Authority ("CMA").

The Capital Market Authority ("CMA") approval for the establishment of the Fund was granted in its letter dated 19 Dhul Qadah 1442H (corresponding to 29 June 2021). The terms and conditions of the Fund were approved by the CMA on 1 Muharram 1443H (corresponding to 9 August 2021). The Fund commenced its operations on 8 Jumada al-Ula 1443H (corresponding to 12 December 2021).

The Fund's investment objective is to achieve capital growth by investing in a diversified portfolio of equities of companies listed on the Saudi Stock Exchange. The Fund benchmarks its performance to the S&P Saudi Arabia Domestic Total Return Local Currency Index and aims to outperform its benchmark. The Fund does not intend to make any distributions to Unitholders, and instead, intends to reinvest any capital gains and dividends earned.

The Fund is governed by the Investment Fund Regulations ("the Regulations") published by the CMA.

During the period, the Fund changed their custodian and administrator from Albilad Capital Company to SNB Capital Company. The Fund has appointed SNB Capital Company to act as its custodian and administrator as per the agreement dated 2 June 2024. The revised terms and conditions were approved by the Fund board on 9 June 2024.

2. STATEMENT OF COMPLIANCE

These financial statements of the Fund for the year ended 31 December 2024 have been prepared in accordance with the International Financial Reporting Standards ("IFRS"), as endorsed in the Kingdom of Saudi Arabia, and other standards and pronouncements issued by the Saudi Organisation for Chartered and Professional Accountants ("SOCPA"), and to comply with the applicable provisions of the Investment Funds Regulations issued by the CMA and the Fund's terms and conditions.

3. SUBSCRIPTION / REDEMPTION OF UNITS (DEALING DAY AND VALUATION DAY)

The Fund is open for subscriptions / redemptions every business day (each a "Dealing Day") and performs valuations every Monday and Thursday (each a "Valuation Day"). The "cut off" time for subscriptions / redemptions is 12:00pm of every Valuation Day. In case the Valuation and Dealing Day happen to fall on a day which is a public holiday in the Kingdom of Saudi Arabia, the Valuation, Dealing and Redemption Day will be on the immediate next Valuation and Dealing Day. The unit price on subscription or the unit price on redemption is represented in the Net Assets (Equity) Value ("NAV") per unit calculated by the administrator on the next Valuation Day on which the units were subscribed or redeemed for.

The NAV of the Fund for the purpose of purchase or redemption of units is calculated by subtracting from the value of the Fund's total assets to the value of the Fund's total liabilities. The unit price is determined by dividing such resulting figure by the total number of outstanding units on the relevant Valuation Day.

(An open-ended mutual fund)

Watani Wealth Management

Notes to the financial statements (Continued)

For the year ended 31 December 2024 (Amount in SAR '000)

4. BASIS OF MEASUREMENT

These financial statements have been prepared on a historical cost basis using accrual basis of accounting except for investments measured at FVTPL which are stated at their fair value.

The Fund Manager has made an assessment of the Fund's ability to continue as a going concern and is satisfied that the Fund has the resources to continue in business for the foreseeable future. Furthermore, the Fund Manager is not aware of any material uncertainties that may cast significant doubt upon the Fund's ability to continue as a going concern. Therefore, the financial statements are prepared on the going concern basis.

The Fund does not have a clearly identifiable operating cycle and therefore does not present current and non-current assets and liabilities separately in the statement of financial position. Instead, assets and liabilities are presented in order of their liquidity.

Items included in the financial statements are measured using the currency of the primary economic environment in which the Fund operates (the "functional currency"). These financial statements are presented in Saudi Arabian Riyal ("SAR") which is the Fund's functional and presentation currency.

5. USE OF ESTIMATES AND JUDGMENTS

The preparation of these financial statements in conformity with IFRS requires the use of certain critical accounting judgements, estimates and assumptions that affect the reported amounts of assets and liabilities. It also requires the Fund Manager to exercise its judgement in the process of applying the Fund's accounting policies. Such judgements, estimates and assumptions are continually evaluated and are based on historical experience and other factors, including obtaining professional advice and expectations of future events that are believed to be reasonable under the circumstances.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to estimates are recognised prospectively. There were no significant judgements/estimates made for these financial statements.

Notes to the financial statements (Continued)

For the year ended 31 December 2024

(Amount in SAR '000)

6. MATERIAL ACCOUNTING POLICY INFORMATION

The accounting policies used in the preparation of these financial statements are consistent with those used in the preparation of annual financial statements for the period ended 31 December 2023.

The following are the material accounting policy information applied by the Fund Manager in preparing its financial statements.

A. Cash and cash equivalents

Cash and cash equivalents comprise cash held with a custodian in an investment account.

B. Financial assets and liabilities

Recognition and initial measurement

Financial assets and liabilities at Fair value through Profit and loss ("FVTPL") are initially recognised at trade date, which is the date on which the Fund becomes party to the contractual provisions of the instruments. Other financial assets and liabilities are recognised on the date on which they are originated.

Financial assets at FVTPL are initially recognised at fair value, with transaction costs recognised in profit or loss. Financial assets not at FVTPL are initially recognised at fair value plus transaction costs that are directly attributable to their acquisition or issue.

Classification of financial assets

On initial recognition, the Fund Manager classifies financial assets as measured at amortised cost, fair value through other comprehensive income ("FVOCI") or FVTPL.

A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

On initial recognition of an equity investment that is not held for trading, the Fund Manager may irrevocably elect to present subsequent changes in FVOCI. This election is made on an investment-by-investment basis.

Business model assessment

The Fund Manager makes an assessment of the objective of a business model in which an asset is held at a portfolio level because this best reflects the way the business is managed.

Financial assets that are held for trading or managed and whose performance is evaluated on a fair value basis are measured at FVTPL because neither held to collect contractual cash flows nor held both to collect contractual cash flows and to sell financial assets.

(An open-ended mutual fund)

Watani Wealth Management

Notes to the financial statements (Continued)

For the year ended 31 December 2024

(Amount in SAR '000)

6. MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

B. Financial assets and liabilities (continued)

Assessment whether contractual cash flows are solely payments of principal and interest

For the purposes of this assessment, 'principal' is defined as the fair value of the financial asset on initial recognition. 'interest' is defined as consideration for the time value of money and for the credit risk associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs (e.g. liquidity risk and administrative costs), as well as profit margin.

In assessing whether the contractual cash flows are solely payments of principal and interest, the Fund Manager considers the contractual terms of the instrument. This includes assessing whether the financial asset contains a contractual term that could change the timing or amount of contractual cash flows such that it would not meet this condition.

Reclassification

Financial assets are not reclassified subsequent to their initial recognition, except in the period after the Fund Manager changes its business model for managing the financial assets.

Classification of financial liabilities

The Fund classifies its financial liabilities at amortised cost unless it has designated liabilities at FVTPL.

Derecognition

The Fund derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Fund neither transfers nor retains substantially all of the risks and rewards of ownership and it does not retain control of the financial asset.

Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the statement of financial position when, and only when, the Fund currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realize the asset and settle the liability simultaneously.

C. Subscription and redemption on units

Units subscribed and redeemed are recorded at net asset (equity) value per unit on the Valuation Day for which the subscription request and redemption applications are received.

(An open-ended mutual fund)

Managed by

Watani Wealth Management

Notes to the financial statements (Continued)

For the year ended 31 December 2024

(Amount in SAR '000)

6. MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

C. Subscription and redemption on units (continued)

Redeemable units

Redeemable units are as equity instruments as they meet certain criteria. Those criteria include:

- the redeemable units must entitle the holder to a pro-rata share of net assets;
- the redeemable units must be the most subordinated class and class features must be identical:
- there must be no contractual obligations to deliver cash or another financial asset other than the obligation on the issuer to repurchase; and
- the total expected cash flows from the redeemable units over its life must be based substantially on the profit or loss of the issuer.

No gain or loss is recognised in the statement of comprehensive income on the purchase, issuance or cancellation of the Fund's own equity instruments.

D. Net assets (equity) value per unit

The net asset (equity) value per unit as disclosed in the statement of financial position is calculated by dividing the net assets of the Fund by the number of units outstanding at period end.

E. Revenue recognition

Net gain or loss on financial assets and liabilities at FVTPL

Net gains or losses on financial assets and liabilities at FVTPL are changes in the fair value of financial assets and liabilities held for trading or designated upon initial recognition as at FVTPL and exclude interest and dividend income.

Unrealised gains and losses comprise changes in the fair value of financial instruments for the period. Realised gains and losses on disposals of financial instruments classified as at FVTPL are calculated using the weighted average cost method. They represent the difference between an instrument's initial carrying amount and disposal amount, or cash payments or receipts made on derivative contracts (excluding payments or receipts on collateral margin accounts for such instruments).

Dividend income

Dividend income is recognised in the statement of comprehensive income on the date on which the right to receive the payment for dividend is established. For quoted equity securities, this is usually the ex-dividend date. Dividend income from equity securities designated as at FVTPL is recognised in the statement of comprehensive income in a separate line item.

Managed by

Watani Wealth Management

Notes to the financial statements (Continued)

For the year ended 31 December 2024

(Amount in SAR '000)

6. MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

Fee and other expenses

These are measured and recognized as expenses on an accrual basis in the period in which they are incurred.

G. Zakat and taxation

The Fund does not pay any zakat and income tax. Zakat and income tax are considered to be the obligation of the unitholders and are not provided in these financial statements.

The value added tax ("VAT") applicable for fees and expenses are recognized in the statement of comprehensive income.

H. Provisions

Provisions are recognized whenever there is a present obligation (legal or constructive) as a result of a past event and it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

7. NEW ACCOUNTING STANDARDS, INTERPRETATIONS AND AMENDMENTS

New IFRS Standards, interpretations and amendments adopted by the Fund

The following standards, amendments, or interpretations effective for annual periods beginning on or after January 1, 2024, did not have a significant impact on the Fund's financial statements:

Standard/ interpretation	Description	Effective from periods beginning on or after
Amendment to IFRS 16 – Leases on sale and leaseback	These amendments include requirements for sale and leaseback transactions in IFRS 16 to explain how an entity accounts for a sale and leaseback after the date of the transaction. Sale and leaseback transactions where some or all the lease payments are variable lease payments that do not depend on an index or rate are most likely to be impacted.	1 January 2024
Amendments to IAS 7 and IFRS 7 on Supplier finance arrangements	These amendments require disclosures to enhance the transparency of supplier finance arrangements and their effects on a company's liabilities, cash flows and exposure to liquidity risk. The disclosure requirements are the IASB's response to investors' concerns that some companies' supplier finance arrangements are not sufficiently visible, hindering investors' analysis.	1 January 2024
Amendment to IAS 1 – Non-current liabilities with covenants and Classification of liabilities as current or non-current	These amendments clarify how conditions with which an entity must comply within twelve months after the reporting period affect the classification of a liability. The amendments also aim to improve information an entity provides related to liabilities subject to these conditions.	1 January 2024
IFRS S1, 'General requirements for disclosure of sustainability-related financial information	This standard includes the core framework for the disclosure of material information about sustainability-related risks and opportunities across an entity's value chain.	1 January 2024 subject to endorsement from SOCPA
IFRS S2, 'Climate-related disclosures'	This is the first thematic standard issued that sets out requirements for entities to disclose information about climate-related risks and opportunities.	1 January 2024 subject to endorsement from SOCPA

Notes to the financial statements (Continued)

For the year ended 31 December 2024

(Amount in SAR '000)

NEW ACCOUNTING STANDARDS, INTERPRETATIONS AND AMENDMENTS 7. (CONTINUED)

Prospective changes to the International Financial Reporting Framework

The Fund has chosen not to early adopt the following new standards and amendments to IFRS which have been issued but not yet effective for the Fund's accounting year beginning on or after January 1, 2025.

• '		
Standard/ interpretation	Description	Effective from periods beginning on or after
Amendment to IFRS 21 – Lack of exchangeability	IASB amended IAS 21 to add requirements to help in determining whether a currency is exchangeable into another currency, and the spot exchange rate to use when it is not exchangeable. Amendment set out a framework under which the spot exchange rate at the measurement date could be determined using an observable exchange rate without adjustment or another estimation technique.	1 January 2025
Amendments to IFRS 10 and IAS 28- Sale or Contribution of Assets between an Investor and its Associate or Joint Venture	Partial gain or loss recognition for transactions between an investor and its associate or joint venture only apply to the gain or loss resulting from the sale or contribution of assets that do not constitute a business as defined in IFRS 3 Business Combinations and the gain or loss resulting from the sale or contribution to an associate or a joint venture of assets that constitute a business as defined in IFRS 3 is recognized in full.	Effective date deferred indefinitely
Amendments to IFRS 9 Financial Instruments and IFRS 7 Financial Instruments: Disclosures	Under the amendments, certain financial assets including those with ESG-linked features could now meet the SPPI criterion, provided that their cash flows are not significantly different from an identical financial asset without such a feature. The IASB has amended IFRS 9 to clarify when a financial asset or a financial liability is recognized and derecognized and to provide an exception for certain financial liabilities settled using an electronic payment system.	1 January 2026.
IFRS 18, Presentation and Disclosure in Financial Statements	IFRS 18 provides guidance on items in statement of profit or loss classified into five categories: operating; investing; financing; income taxes and discontinued operations It defines a subset of measures related to an entity's financial performance as 'management-defined performance measures' ('MPMs'). The totals, subtotals and line items presented in the primary financial statements and items disclosed in the notes need to be described in a way that represents the characteristics of the item. It requires foreign exchange differences to be classified in the same category as the income and expenses from the items that resulted in the foreign exchange differences.	1 January 2027
IFRS 19, Subsidiaries without Public Accountability: Disclosures	IFRS 19 allows eligible subsidiaries to apply IFRS Accounting Standards with the reduced disclosure requirements of IFRS 19. A subsidiary may choose to apply the new standard in its consolidated, separate or individual financial statements provided that, at the reporting date it does not have public accountability and its parent produces consolidated financial statements under IFRS Accounting Standards.	1 January 2027

The Fund Manager anticipates that the application of the above new standards and amendments in the future will not have a significant impact on the amounts reported.

(Amount in SAR '000)

11. RELATED PARTY TRANSACTIONS AND BALANCES

Parties are considered to be related if one party has the ability to control the other party or exercise significant influence over the other party in making financial or operational decisions. The related party of the Fund includes Fund Manager, affiliates of the Fund Manager, funds managed by the Fund Manager, and the Bank, being major shareholder of the Fund Manager. Affiliates are defined as the related parties of the Fund Manager.

Management fee and other expenses

The Fund is managed and administered by the Fund Manager. For these services, the Fund accrues a management fee on a daily basis, as determined by the Fund Manager, which should not be more than the maximum annual rate of 1% per annum of the Fund's daily NAV as set out in the Fund's terms and conditions.

Transactions with related parties

During the year, the Fund entered into the following transactions, other than those disclosed elsewhere in the financial statements, with related parties in the ordinary course of business. These transactions were carried out on the basis of approved terms and conditions of the Fund. All related party transactions are approved by the Fund Board.

		Transactions	Balance	
Related party	Nature of transaction	31 December 2024	31 December 2024	
The Fund Manager	Management fee	284	26	
		Transactions	Balance	
Related party	Nature of transaction	31 December 2023	31 December 2023	
The Fund Manager	Management fee	264	23	

As at 31 December 2024, an affiliate of the Fund Manager holds 1,125,000 units of the Fund (31 December 2023: 1,125,000).

(An open-ended mutual fund)

Managed by

Watani Wealth Management

Notes to the financial statements (Continued)

For the year ended 31 December 2024

(Amount in SAR '000)

12. RISK MANAGEMENT POLICIES

The Fund has exposure to the following risks from financial instruments:

- credit risk;
- liquidity risk; and
- market risk.

This note presents information about the Fund's objectives, policies and processes for measuring and managing risk, and the Fund's management of capital.

Credit risk

Credit risk is the risk that one party to a financial instrument will fail to discharge an obligation and cause the other party to incur a financial loss.

The Fund is exposed to credit risk for its cash and cash equivalents. The Fund Manager seeks to limit its credit risk by monitoring credit exposures and by dealing with only reputable counterparties.

Liquidity risk

Liquidity risk is the risk that the Fund will encounter difficulty in releasing funds to meet commitments associated with financial liabilities.

The Fund's Terms and Conditions provide for the subscriptions and redemptions of units on a daily basis and it is, therefore, exposed to the liquidity risk of meeting unitholders redemptions. As at 31 December 2024, the Fund's cash and cash equivalents and investments measured at FVTPL are considered to be short-term in nature and readily realisable. The Fund Manager monitors liquidity requirements on a regular basis and seeks to ensure that funds are available to meet commitments as they arise.

Market risk

Market risk is the risk that changes in market prices, such as equity prices, will affect the Fund's income or the fair value of its holdings in financial instruments. The Fund Manager's strategy for the management of market risk is driven by the Fund's objective as per the Fund's Terms and Conditions. The Fund's market risk is managed on a timely basis by the Fund Manager in accordance with the policies and procedures in place.

13. FAIR VALUE OF FINANCIAL INSTRUMENTS

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The Fund measures the fair value of an instrument using the quoted price in an active market for that instrument. Financial instruments comprise financial assets and financial liabilities. The Fund's financial assets consist of listed equity investments held at FVTPL and financial assets measured at amortized cost. The Fund's financial liabilities consist of financial liabilities measured at amortized cost.

(An open-ended mutual fund)

Managed by

Watani Wealth Management

Notes to the financial statements (Continued)

For the year ended 31 December 2024

(Amount in SAR '000)

13. FAIR VALUE OF FINANCIAL INSTRUMENTS (CONTINUED)

The fair value hierarchy has the following levels:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

The table below presents the investments measured at their fair values as of reporting date based on the fair value hierarchy:

	31 December 2024				
Investments	Carrying <u>Value</u>	Level 1	Level 2	Level 3	<u>Total</u>
measured at FVTPL	21,087 21,087	21,087 21,087			21,087 21,087
	31 December 2023				
Investments	Carrying Value	Level 1	Level 2	Level 3	Total
measured at FVTPL	21,388 21,388	21,388 21,388		-	21,388

During the period, there were no transfers between the fair value levels. The carrying amounts of the financial assets such as cash and cash equivalents and other receivables approximate fair value because of their short-term nature and the high credit quality of counterparties. The carrying amount of other payables approximate fair value because of its short-term nature.

14. LAST VALUATION DAY

The last valuation day of the year was 31 December 2024.

15. SUBSEQUENT EVENTS

There were no significant events after the reporting period that require disclosure or adjustment in these financial statements.

16. APPROVAL OF THE FINANCIAL STATEMENTS

These financial statements were authorized for issue by the Fund Board on 21 Ramadan 1446H corresponding to 21 March 2025.
