A. INVESTMENT FUND INFORMATION

1. Name of investment fund.

Al Saffa Saudi Equity Trading Fund

2. Investment objectives and policies

Objectives of the Fund

Al Saffa Saudi Equity Trading Fund is an open-end equity fund that aims to achieve growth in the medium to long term that exceeds the benchmark by investing in shares listed on the Saudi stock market that are in compliance with Islamic law.

Investment Policies

- The Fund Manager seeks to achieve the Fund's objectives by investing in a portfolio consisting of shares of companies listed on the Saudi stock market, which meet the Shariah controls, provided that these shares have the potential to achieve price increases that exceed the Fund's benchmark in the long term.
- The Fund Manager also selects stocks based on its expertise in assessing economic conditions locally and internationally, in addition to studying market sectors and companies and performing fundamental analysis to assess the company's position in terms of growth, profitability and management. The Fund Manager may also take into consideration the liquidity of the stocks, the extent of their correlation with each other, their volatility, in addition to investor behavior and various other factors.
- The Fund's investment universe includes companies listed in the main market (TASI) and the parallel market (Nomu), with a maximum of 15% of the Fund's net asset value for the parallel market (Nomu), which is in line with the provisions of Islamic Shariah established by the Shariah Board.
- The Fund has the right to invest in all other financial securities such as real estate investment trust (REIT) and Exchange Traded Funds (ETF) and others.
- The Fund Manager has the right to invest the cash surplus in short-term bank deposits and money market fund instruments compliant with Shariah.
- The Fund's benchmark is the S&P Saudi Arabia Shariah Domestic Total Return Index.

3. Distribution of income and gain policy

The profits of the fund units will not be distributed to the investors, as the profits generated by the fund will be reinvested, and therefore the reinvestment will positively reflect on the value and price of the units.

4. Description of the fund's benchmark and the service provider's website (if any).

Fund's benchmark is S&P Saudi Arabia Shariah Domestic Index

■ Second Meeting – 11th December 2022 – Riyadh

The following is a summary of the key decisions approved and the matters discussed by the Fund Board:

- Essential developments
- Funds' performance during the period
- General view & funds compliance with all applicable rules and regulations

C. FUND MANAGER

1. Name and address of the fund manager

Saudi Fransi Capital

Head Office: PO Box 23454, Riyadh 11426, Saudi Arabia

Phone +966 11 282 6666 - Fax +966 11 282 6725

Website: www.sfc.sa

2. Names and addresses of sub-manager and/or investment adviser

None

3. A Review of Investment Activities

Saudi Arabia's Tadawul All Share Index (TASI) ended 2022 with a decline of 7.1%, or 804 points, at 10,478 points, compared to 11,282 points in 2021.

This is the first loss recorded by TASI since 2015, when it dropped 17%.

The benchmark gained 16% (1,808 points) in Q1 2022, and then fell 12% (1,567 points) in Q2 2022. It edged down 1% (118 points) in Q3 2022, and deepened its losses to 8.1% (927 points) in Q4 2022.

The index was hit by the state of uncertainty about global economic recessions and interest-rate hike repercussions. This is besides oil price fluctuations.

Major events impacting Saudi market's performance in 2022:

- The Saudi Central Bank (SAMA) raised the interest rates seven times after the US Federal Reserve's consecutive interest-rate hike decisions. SAMA raised the repo and reverse repo rates to 500 and 450 basis points (bps), respectively.
- The Saudi Exchange (Tadawul) witnessed the initial public offerings (IPOs) of 17 companies, including the first dual listing as well as the approval to list four others.
- OPEC+ issued a number of decisions in light of the global oil market events. It cut oil output by two million barrels per day (bpd) as of November 2022, and agreed to stick to its oil output targets in December.
- The onset of the Russia-Ukraine war and the state of uncertainty it caused on oil markets and the global economy.
- Prices of Brent crude reached their highest and lowest levels of \$139 and \$75 a barrel, respectively, during the year.
- Saudi Tadawul Group Holding Co. (Tadawul Group) implemented new improvements to develop the post-trading infrastructure and increase its efficiency. Single stock futures (SSFs) were also launched, and the market-making framework for equity and derivatives markets was introduced.
- Amendment to the rules on the offering of securities and continuing obligations to offer an additional option of increasing capital through the issuance of shares without a rights issue.

- Delisting of National Petrochemical Co. (Petrochem) after its merger with the Saudi Industrial Investment Group (SIIG). In addition, Saudi Indian Company for Cooperative Insurance (Wafa Insurance) got delisted after the start of liquidation procedures.
- Tadawul also witnessed the delisting of AlAhli Takaful Co. (ATC) after its merger with Arabian Shield Cooperative Insurance Co. Further, SABB Takaful was delisted after its merger with Walaa Cooperative Insurance Co.
- Lifting COVID-19-related precautionary and preventive measures.
- King Salman bin Abdulaziz Al Saud issued a royal decree to earmark SAR 20 billion to face the repercussions of global price hikes.
- Another royal decree was also issued to appoint Crown Prince Mohammad bin Salman as Prime Minister.
- The Saudi economy recorded the highest growth rates among G20 countries this year.
- The Ministry of Finance announced the state's general budget for 2023, with an estimated revenue of SAR 1.130 trillion. Expenditures were forecasted at SAR 1.114 trillion, showing an expected surplus of SAR 16 billion.
- GOSI transfers stakes in 30 Tadawul-listed firms to Hassana Investment Co. a fully-owned subsidiary.

4. Fund's Performance

	2022
Al Saffa Saudi Equity Trading Fund	1.02%
Benchmark Performance	-7.42%

The Fund Over performed the benchmark by 844 bps.

(Managed by Saudi Fransi Capital Company)

FINANCIAL STATEMENTS

For the year ended 31 December 2022

INDEX	PAGE
Independent auditor's report	1-2
Statement of financial position	3
Statement of comprehensive income	4
Statement of changes in equity attributable to the Unitholders	5
Statement of cash flows	6
Notes to the financial statements	7-18

Independent auditor's report to the Unitholders and Fund Manager of Al Saffa Saudi Equity Trading Fund

Our opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of Al Saffa Saudi Equity Trading Fund (the "Fund") as at 31 December 2022, and its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards, that are endorsed in the Kingdom of Saudi Arabia, and other standards and pronouncements issued by the Saudi Organization for Chartered and Professional Accountants (SOCPA).

What we have audited

The Fund's financial statements comprise:

- the statement of financial position as at 31 December 2022;
- the statement of comprehensive income for the year then ended;
- the statement of changes in equity attributable to the Unitholders for the year then ended;
- the statement of cash flows for the year then ended; and
- the notes to the financial statements, which include significant accounting policies and other explanatory information.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing, that are endorsed in the Kingdom of Saudi Arabia. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial statements* section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We are independent of the Fund and Fund Manager in accordance with the International Code of Ethics for Professional Accountants (including International Independence Standards), endorsed in the Kingdom of Saudi Arabia (the "Code"), that is relevant to our audit of the financial statements and we have fulfilled our other ethical responsibilities in accordance with the Code's requirements.

Responsibilities of Fund Manager and Fund Board for the financial statements

Fund Manager is responsible for the preparation and fair presentation of the financial statements in accordance with International Financial Reporting Standards, that are endorsed in the Kingdom of Saudi Arabia and other standards and pronouncements issued by SOCPA, and the applicable provisions of the Investment Funds Regulations issued by the Capital Market Authority and the Fund's terms and conditions and information memorandum, and for such internal control as Fund Manager determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Fund Manager is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Fund Manager either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

The Fund Board is responsible for overseeing the Fund's financial reporting process.

Independent auditor's report to the Unitholders and Fund Manager of Al Saffa Saudi Equity Trading Fund (continued)

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with International Standards on Auditing, that are endorsed in the Kingdom of Saudi Arabia, will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with International Standards on Auditing, that are endorsed in the Kingdom of Saudi Arabia, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Fund Manager's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Fund Manager.
- Conclude on the appropriateness of Fund Manager's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Fund Board regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

AL SAFFA SAUDI EQUITY TRADING FUND
(Managed by Saudi Fransi Capital Company)

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 December 2022

1. GENERAL

Al Saffa Saudi Equity Trading Fund (the “Fund”) is an open-ended Shariah compliant investment fund established based on an agreement between Saudi Fransi Capital Company (the Fund Manager) and investors (the Unitholders). The Fund commenced its operations on 11 Jumad Al Thani 1426H (corresponding to 17 July 2005)

The objective of the Fund is to provide medium to long term growth by investing in listed companies in the Saudi Exchange (“Tadawul”).

During the year, the Fund updated its terms and conditions on 26 Dhu al Hijjah 1442H (corresponding to 5 August 2021) and 6 Muharram 1444H (corresponding to 4 August 2022), which have been approved by the Capital Market Authority “CMA”.

The Fund Manager and the Administrator of the Fund is Saudi Fransi Capital Company. The Custodian of the Fund is HSBC Saudi Arabia.

2. REGULATORY AUTHORITY

The Fund is governed by the Investment Fund Regulations (the “Regulations”) issued by the Capital Market Authority (CMA) on 3 Dhul Hijja 1427H (corresponding to 24 December 2006) and amended by resolution of the Board of the Capital Market Authority on 12 Rajab 1442H (corresponding to 24 February 2021) effective from 19 Ramadan 1442H (corresponding to 1 May 2021) by the New Investment Fund Regulations (“Amended Regulations”) published by the Capital Market Authority on 17 Rajab 1442H (corresponding to 1 March 2021) detailing requirements for all funds within the Kingdom of Saudi Arabia.

3. BASIS OF PREPARATION

3.1 STATEMENT OF COMPLIANCE

These financial statements have been prepared in accordance with International Financial Reporting Standards (“IFRS”) that are endorsed in the Kingdom of Saudi Arabia and other standards and pronouncements issued by The Saudi Organization for Chartered and Professional Accountants (“SOCPA”).

Assets and liabilities in the statement of financial position are presented in the order of liquidity.

An analysis in respect of recovery or settlement within 12 months after the reporting date (current) and more than 12 months after the reporting date (non-current) is presented in Note 13.

3.2 BASIS OF MEASUREMENT

The financial statements are prepared under the historical cost convention, using the accrual basis of accounting except for investment measured at fair value through profit or loss (FVTPL).

3.3 FUNCTIONAL CURRENCY

These financial statements are presented in Saudi Riyal (“SR”), which is the Fund’s functional and presentation currency.

3.4 SUBSCRIPTION/REDEMPTION

Subscription / redemption requests are accepted on Monday, Wednesday and Thursday. The equity value of the Fund for the purpose of purchase or sale of units is determined by dividing the total equity (fair value of the Fund’s assets minus Fund’s liabilities) of the Fund by the total number of outstanding Fund units.

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 December 2022

4. SIGNIFICANT ACCOUNTING POLICIES

The significant accounting and risk management policies used in the preparation of these financial statements are stated below. These have been consistently applied from prior periods unless otherwise stated.

Financial instruments

Initial recognition

The Fund records financial asset or a financial liability in its statement of financial position when, and only when, it becomes party to the contractual provisions of the instrument.

At initial recognition, financial assets or financial liabilities are measured at their fair value. In the case of financial assets or financial liabilities not at fair value through profit or loss, its fair value less transaction costs that are directly attributable to the acquisition or issue of the financial asset or financial liability is the initial recognition amount. For financial assets and financial liabilities at FVTPL, the transaction costs are expensed in the statement of comprehensive income.

Classification

The Fund classifies its financial assets under the following categories:

- Fair value through profit or loss (FVTPL);
- Fair value through other comprehensive income (FVTOCI); and
- Amortised cost.

These classifications are on the basis of business model of the Fund for managing the financial assets, and contractual cash flow characteristics.

The Fund measures financial asset at amortised cost when it is within the business model to hold assets in order to collect contractual cash flows, and contractual terms of the financial asset gives rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

For assets measured at fair value, gains and losses will either be recorded in either profit or loss or other comprehensive income. For investments in equity instruments, this will depend on whether the Fund has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

The Fund classifies all financial liabilities as subsequently measured at amortised cost using the effective interest rate method except for financial liabilities measured at fair value through profit or loss.

Currently investment in equities is classified as FVTPL while cash and cash equivalents, dividend receivable, other assets, management fee payable, accrued and other liabilities, payable against units redeemed and due from / to related party are classified as held at amortised cost financial assets / financial liabilities.

The gain/ loss on disposal of investments classified at FVTPL is included in the statement of comprehensive income and is calculated as the difference between the sales proceeds and the carrying value before disposal.

Derecognition of financial instruments

The Fund derecognizes a financial asset when the contractual rights to the cash flows from the assets expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Fund neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Fund recognizes its retained interest in the asset and associated liability for amounts it may have to pay. If the Fund retains substantially all the risks and rewards of ownership of the transferred financial asset, the Fund continues to recognize the financial asset and also recognizes a collateralized financing for the proceeds received.

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a derecognition of the original liability and the recognition of a new liability, and the difference in the respective carrying amounts is recognized in the statements of comprehensive income.

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 December 2022

4. SIGNIFICANT ACCOUNTING POLICIES (continued)

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount reported in the statement of financial position if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

Impairment of financial assets

The Fund assesses on a forward-looking basis the Expected Credit Losses ("ECL") associated with its financial assets, carried at amortised cost, the ECL is based on a 12-month ECL and lifetime ECL. The 12-month ECL is the portion of lifetime ECLs that results from default events on a financial instrument that are possible within 12 months after the reporting date. However, when there has been a significant increase in credit risk since origination, the allowance will be based on the lifetime ECL.

Redeemable Units

Redeemable units are classified as equity instruments when:

- The redeemable units entitle the Unitholder to a pro-rata share of the Fund's net assets in the event of the Fund's liquidation.
- The redeemable units are in the class of instruments that is subordinate to all other classes of instruments
- All redeemable units in the class of instruments that is subordinate to all other classes of instruments have identical features.
- The redeemable units do not include any contractual obligation to deliver cash or another financial asset other than the Unitholder's rights to a pro rata share of the Fund's net assets.
- The total expected cash flows attributable to the redeemable units over the life of the instrument are based substantially on the profit or loss, the change in the recognised net assets or the change in the fair value of the recognised and unrecognised net assets of the Fund over the life of the instrument.

In addition to the redeemable shares having all of the above features, the Fund must have no other financial instrument or contract that has:

- Total cash flows based substantially on the profit or loss, the change in the recognised net assets or the change in the fair value of the recognised and unrecognised net assets of the Fund.
- The effect of substantially restricting or fixing the residual return to the redeemable shareholders.

The Fund's redeemable participating units meet the definition of puttable instruments classified as equity instruments under IAS 32.16 A-B and accordingly are classified as equity instruments.

The Fund continuously assesses the classification of the redeemable units. If the redeemable units cease to have all the features, or meet all the conditions set out, to be classified as equity, the Fund will reclassify them as financial liabilities and measure them at fair value at the date of reclassification, with any differences from the previous carrying amount recognised in equity attributable to the Unitholders. If the redeemable units subsequently have all the features and meet the conditions to be classified as equity, the Fund will reclassify them as equity instruments and measure them at the carrying amount of the liabilities at the date of the reclassification.

The issuance, acquisition and cancellation of redeemable units are accounted for as equity transactions.

No gain or loss is recognised in the statement of comprehensive income on the purchase, issuance or cancellation of the Fund's own equity instruments.

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 December 2022

4. SIGNIFICANT ACCOUNTING POLICIES (continued)

Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most accessible advantageous market for the asset or liability

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits from the asset's highest and best use or by selling it to another market participant that would utilise the asset in its highest and best use.

The Fund uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy. This is described, as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognized in the financial statements at fair value on a recurring basis, the Fund determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting year.

At each reporting date, the Fund analyses the movements in the values of assets and liabilities which are required to be re-measured or re-assessed as per the Fund's accounting policies.

For the purpose of fair value disclosures, the Fund has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy, as explained above. Fair value related disclosures for financial instruments that are measured at fair value or where fair values are disclosed are discussed in Note 12.

Trade date accounting

The Fund follows trade date accounting for all purchases and sales of financial assets (i.e. the date that the Fund commits to purchase or sell the assets).

Cash and cash equivalents

Cash and cash equivalent include accounts maintained with Banque Saudi Fransi ("the bank") and the Custodian.

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 December 2022

4. SIGNIFICANT ACCOUNTING POLICIES (continued)

Provisions

Provisions are recognised when the Fund has a present obligation (legal or constructive) arising from a past event, and the costs to settle the obligation are both probable and can be measured reliably. If the effect of time value of money is material, provisions are discounted using a current pretax rate that reflects, where appropriate, the risk specific to the liability. When discounting is used, the increase in the provision due to passage of time is recognised as finance costs.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognized as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured.

Accrued expenses and other payables

Liabilities are recognized for amounts to be paid in the future for goods or services received, whether billed by the suppliers or not. These are initially recognized at fair value and subsequently needs to be recognized at amortized cost.

The undiscounted value of all financial liabilities of the Fund at the reporting date approximate to their carrying values due to the fact that all are to be settled within one year from the reporting date, accordingly, the said liabilities are not recognised at amortized cost.

Management fees

Fund management fee is payable at an agreed rate with the Fund Manager. The Fund Manager will charge a management fee of 1.75% per annum plus applicable VAT on the net asset value accrued daily and paid on a monthly basis.

Expenses

Expenses are measured and recognized on an accrual basis in the accounting year in which they are incurred.

Zakat and income tax

Zakat and income taxes at the Fund level is the obligation of the Unitholders and is not provided for in these financial statements

Equity value per unit

Net assets value per unit as disclosed in the statement of financial position is calculated by dividing the net assets of the Fund by the number of units in issue at year end.

5. CRITICAL ACCOUNTING ESTIMATES JUDGMENTS AND ASSUMPTIONS

The preparation of the financial statements requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected. There are no significant accounting estimates, judgements and assumptions made in the preparation of these financial statements.

Going concern

The Fund Manager made an assessment of the Fund's ability to continue as a going concern and is satisfied that the Fund has the resources to continue in business for the foreseeable future. Furthermore, the management is not aware of any material uncertainties that may cast significant doubt about the Fund's ability to continue as a going concern. Therefore, these financial statements continue to be prepared on the going concern basis.

Fair value measurement (Refer to Note 4)

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 December 2022

6. NEW STANDARDS, INTERPRETATIONS AND AMENDMENTS

New standards, interpretations and amendments adopted by the Fund

The International Accounting Standard Board (IASB) has issued following accounting standards, amendments, which were effective from periods on or after 1 January 2022. The Fund Manager has assessed that the amendments have no significant impact on the Fund's financial statements.

- Amendment to IFRS 16, 'Leases' – Covid-19 related rent concessions Extension of the practical expedient
- A number of narrow-scope amendments to IFRS 3, IAS 16, IAS 37 and some annual improvements on IFRS 1, IFRS 9, IAS 41 and IFRS 16

New Standards, interpretations and amendments not yet effective

The listing of standards and interpretations issued which the Fund reasonably expects to be applicable at a future date are as follows. The Fund intends to adopt these standards when they become effective. These amendments and standards are not expected to have any impact on the financial statements of the Fund.

Standard / Interpretation	Description	Effective from periods beginning on or after
Amendments to IAS 1	Classification of Liabilities as Current or Non-current	1 January 2024
Narrow scope amendments to IAS 1, Practice statement 2 and IAS 8	Disclosure of Accounting Policies	1 January 2023
Amendment to IAS 8	Definition of accounting estimate	1 January 2023
IFRS 17, 'Insurance contracts'	New Insurance standard	1 January 2023
Amendments to IAS12	Deferred Tax related to Assets and Liabilities arising from a Single Transaction	1 January 2023

7. CASH AND CASH EQUIVALENTS

	<i>31 December 2022 SR</i>	<i>31 December 2021 SR</i>
Bank balances (See note below)	24,397,370	82,978
Cash with custodian	23,179	17,164,145
	24,420,549	17,247,123

The bank balances represent the cash in a current account maintained with Banque Saudi Fransi (Note 10).

The management has conducted a review as required under IFRS 9 and based on such an assessment, the effect of expected credit loss ('ECL') allowance against the carrying value of cash and cash equivalents is insignificant as the balances are held with investment grade credit rated financial institutions and therefore no ECL has been recognised in these financial statements.

AL SAFFA SAUDI EQUITY TRADING FUND
(Managed by Saudi Fransi Capital Company)

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 December 2022

8. INVESTMENTS MEASURED AT FAIR VALUE THROUGH PROFIT OR LOSS (FVTPL)

The composition of investments measured at FVTPL is summarized below:

	<i>31 December 2022</i>		
<i><u>Saudi Equity Sectors</u></i>	<i>Cost SR</i>	<i>Market Value SR</i>	<i>% of Market Value</i>
Banks	94,520,042	145,648,740	31.79
Materials	128,153,172	108,085,925	23.59
Energy	49,134,068	48,650,447	10.62
Retailing	51,490,635	42,511,455	9.28
Telecommunication and IT services	31,950,770	36,064,301	7.87
Consumer services	25,217,572	21,307,639	4.65
Food and beverages	17,823,427	20,655,210	4.51
Insurance	17,606,266	19,816,524	4.32
Capital goods	24,199,028	15,435,543	3.37
	440,094,980	458,175,784	100.00

	<i>31 December 2021</i>		
<i><u>Saudi Equity Sectors</u></i>	<i>Cost SR</i>	<i>Market Value SR</i>	<i>% of Market Value</i>
Banks	93,497,846	168,558,559	37.25
Telecommunication and IT services	65,112,131	73,925,630	16.34
Energy	51,336,823	50,365,133	11.13
Health care equipment and services	31,053,898	34,952,532	7.72
Retailing	30,957,460	34,296,109	7.58
Materials	31,428,372	33,133,712	7.32
Food and beverage	21,332,400	16,555,276	3.66
Consumer service	14,834,299	14,124,320	3.12
Utilities	13,238,865	13,311,512	2.95
Insurance	11,996,812	13,276,060	2.93
	364,788,906	452,498,843	100.00

The effect on the equity as a result of the change in the fair value of investments as at 31 December 2022 and 31 December 2021 due to a reasonably possible change in equity indices based on the industry concentration, with all other variables held constants is as follows:

	<i>31 December 2022</i>		<i>31 December 2021</i>	
	Potential reasonable change %	Effect on Equity	Potential reasonable change %	Effect on Equity
Banks	±1%	1,456,487	±1%	1,685,586
Materials	±1%	1,080,859	±1%	331,337

Unrealised (loss) / gain on remeasurement of investments measured at FVTPL, net	(69,629,135)	29,440,483
	1,433,863	135,557,430

10. TRANSACTIONS AND BALANCES WITH RELATED PARTY

Parties are considered to be related if one party has the ability to control the other party or exercise significant influence over the other party in making financial or operational decisions. In considering each possible related party relationship, attention is directed to the substance of the relationship, not merely the legal form.

Related parties include Saudi Fransi Capital Company ("the Fund Manager"), Banque Saudi Fransi (the Bank and the shareholder of the Fund Manager), the Fund Board Directors, affiliates of the Fund Manager and the Funds managed by the Fund Manager.

In the ordinary course of its activities, the Fund transacts business with related parties.

The Fund pays Fund Manager a management fee calculated at an annual rate of 1.75% per annum plus applicable taxes calculated on the total net assets value on daily basis. The fee is intended to compensate the Fund Manager for administration and management of the Fund.

Subscription fee up to 3% of the invested amount is adjusted by deduction from the gross subscription, hence, it does not affect or reflect in the financial statements of the Fund.

Related party transactions for the years ended and balances are as follows:

	<i>Nature of transactions</i>	<i>Amount of Transactions (Expense) / income</i>		<i>Balances Receivable / (payable)</i>	
		<i>For the year ended 31 December 2022 SR</i>	<i>For the year ended 31 December 2021 SR</i>	<i>As at 31 December 2022 SR</i>	<i>As at 31 December 2021 SR</i>
Saudi Fransi Capital Company	Management fees	(10,773,931)	(8,808,419)	(768,470)	(803,476)
	Receivable against sale of investments	-	-	10,839,503	1,187,915

12. FAIR VALUE OF FINANCIAL INSTRUMENTS

The Fund's financial assets consist of bank balance, investments measured at fair value through profit or loss (FVTPL), dividend receivable and due from related parties. The Fund's financial liabilities consist of management fee payable, accruals and other liabilities and payable against units redeemed.

The following table shows the carrying amount and fair values of financial assets and financial liabilities, including their levels in the fair value hierarchy for financial instruments measured at fair value. It does not include fair value information for financial assets and financial liabilities not measured at fair value as the carrying amount is a reasonable approximation of fair value.

	<i>Carrying value SR</i>	<i>Fair value</i>			
		<i>Level 1 SR</i>	<i>Level 2 SR</i>	<i>Level 3 SR</i>	<i>Total SR</i>
31 December 2022					
Investments measured at FVTPL	458,175,784	458,175,784	-	-	458,175,784
31 December 2021					
Investments measured at FVTPL	452,498,843	452,498,843	-	-	452,498,843

During the year ended 31 December 2022, there were no transfers between Level 1 and Level 2 fair value measurements, and no transfers into or out of level 3 fair value measurements.

Due to related party	1,343	-	1,343
TOTAL LIABILITIES	865,924	-	865,924

14. FINANCIAL AND RISK MANAGEMENT OBJECTIVES AND POLICIES

Introduction

The Fund's objective in managing risk is the protection of unitholder's value. Risk is inherent in the Fund's activities and is managed through a process of ongoing risk identification, measurement and monitoring. The process of risk management is critical to the Fund's continuing profitability. The Fund is exposed to market risk (which includes foreign currency risk and equity price risk), credit risk and liquidity risk arising from the financial instruments it holds.

Risk management

The Fund Manager is primarily responsible for identifying and controlling risks.

Risk measurement and reporting system

Monitoring and controlling risks is primarily set up to be performed based on limits as specified in the Investment Fund Regulations. These limits reflect the business strategy and the market environment of the Fund. In addition, the Compliance Department of the Fund Manager monitors the exposures against the approved limits.

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 December 2022

14. FINANCIAL AND RISK MANAGEMENT OBJECTIVES AND POLICIES (continued)

Risk mitigation

The Fund's investment guidelines as specified in Terms and Conditions, Information memorandum and fact sheet set out its overall business strategies, its tolerance for risk and its general risk management philosophy.

Concentration risk

Concentration indicates the relative sensitivity of the Fund's performance to developments affecting a particular industry or geographical location. Concentrations of risk arise when a number of financial instruments or contracts are entered into with the same counterparty, or where a number of counterparties are engaged in similar business activities, or activities in the same geographical region, or have similar economic features that would cause their ability to meet contractual obligations to be similarly affected by changes in economic, political or other conditions. Concentrations of liquidity risk may arise from the repayment terms of financial liabilities, sources of borrowing facilities or reliance on a particular market in which to realise liquid assets. Concentrations of foreign exchange risk may arise if the Fund has a significant net open position in a single foreign currency, or aggregate net open positions in several currencies that tend to move together.

In order to avoid excessive concentrations of risk, the Fund's policies and procedures include guidelines to focus on maintaining a diversified portfolio based on the recommendations of Investment Committee.

Note 8 to the financial statements analyses the Fund's concentration of equity portfolio by industrial distribution.

Credit risk

Credit risk is the risk that one party to a financial instrument will fail to discharge an obligation and cause the other party to incur a financial loss. The Fund does not have a formal internal grading mechanism. Credit risk is managed and controlled by monitoring credit exposures, limiting transactions with specific counterparties and continually assessing the creditworthiness of counterparties.

The Fund Manager seeks to limit its credit risk by monitoring credit exposure, credit ratings and by dealing with reputed counterparties.

The following table shows the Fund's maximum exposure to credit risk for components of the statement of financial position.

	<i>31 December 2022 SR</i>	<i>31 December 2021 SR</i>
Cash and cash equivalents	24,420,549	17,247,123
Due from a related party	10,839,503	1,187,915
Dividend receivable	235,488	-
Other assets	-	5,492,606
	35,495,540	23,927,644

Market risk

Market risk is the risk that changes in the market prices, such as foreign exchange rates, equity prices and interest rates, will affect the Fund's income or cash flows. The objective of market risk management is to manage and control market risk exposures within acceptable parameters while optimizing the return.

(a) Equity Price Risk

Equity price risk is the risk that the value of financial instruments will fluctuate because of changes in market prices.

The Fund's investments are susceptible to market price risk arising from uncertainties about future prices. The Fund Manager manages this risk through diversification of its investment portfolio in terms of industrial distribution.

Note 8 to the financial statements analyses the impact on profit or loss due to 1% change in prices of its equity portfolio.

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 December 2022

14. FINANCIAL AND RISK MANAGEMENT OBJECTIVES AND POLICIES (continued)

(b) Currency risk

Currency risk is the risk that the value of a financial instrument may fluctuate due to change in foreign exchange rates. The financial instruments of the Fund i.e. cash and cash equivalents, investments held at FVTPL, dividend receivable, due to related parties and all payables are denominated in Saudi Arabian Riyals. Accordingly, the Fund is not exposed to any currency risk.

(c) Commission rate risk

Commission rate risk is the exposure to various risks associated with the effect of fluctuations in the prevailing commission rates on the Fund's financial position and cash flows. The Fund is not exposed to any commission rate risk as it does not have any interest-bearing financial assets.

Liquidity risk

Liquidity risk is the risk that the Fund will encounter difficulty in realising funds to meet commitments associated with financial liabilities that are settled by delivering cash or another financial assets.

The Fund's terms and conditions provide for the terms of subscriptions and redemptions of units and it is, therefore, exposed to the liquidity risk of meeting unitholder redemptions. The Fund's securities are considered to be readily realizable as they are all listed on Tadawul (Saudi Stock Exchange). The Fund Manager monitors the liquidity requirements on a regular basis and seeks to ensure that sufficient funds are available to meet any commitments as they arise.

In addition to the above, the Fund can potentially utilize an overdraft facility offered by the Fund Manager to meet liquidity requirements.

The undiscounted value of all financial liabilities of the Fund at the reporting date approximate to their carrying values and all are to be settled within one year from the reporting date.

15. LAST VALUATION DAY

The last valuation day for the purpose of preparation of these financial statements for the year ended was 31 December 2022 (2021: 31 December 2021).

16. APPROVAL OF THE FINANCIAL STATEMENTS

These financial statements were approved and authorised for issue by the Fund Board on 5 Ramadhan 1444H (corresponding to 27 March 2023).
