Report on review of condensed interim financial information

To the Unitholders and the Fund Manager of Yaqeen SAR Murabaha Fund (Managed by Yaqeen Capital)

Introduction

We have reviewed the accompanying condensed interim statement of financial position of Yaqeen SAR Murabaha Fund (the "Fund"), managed by Yaqeen Capital (the "Fund Manager") as of 30 June 2022 and the related condensed interim information of profit or loss and other comprehensive income, changes in net assets attributable to the unitholders and cash flows for the six months period then ended and other explanatory notes. Management is responsible for the preparation and presentation of this condensed interim financial information in accordance with International Accounting Standard 34 - "Interim Financial Reporting" ("IAS 34"), that is endorsed in the Kingdom of Saudi Arabia. Our responsibility is to express a conclusion on this condensed interim financial information based on our review.

Scope of review

We conducted our review in accordance with International Standard on Review Engagements 2410—"Review of interim financial information performed by the independent auditor of the entity" that is endorsed in the Kingdom of Saudi Arabia. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing, that are endorsed in the Kingdom of Saudi Arabia, and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim financial information is not prepared, in all material respects, in accordance with IAS 34, that is endorsed in the Kingdom of Saudi Arabia.

NOTES TO THE CONDENSED INTERIM FINANCIAL INFORMATION FOR THE SIX MONTHS PERIOD ENDED 30 JUNE 2022

(All amounts are in Saudi Riyals unless stated otherwise)

1. GENERAL

Yaqeen SAR Murabaha Fund (the "Fund") is a fund established under an agreement between Yaqeen Capital ("Fund Manager") and Fund Investors ("Unitholders"). The Fund's objectives are to achieve return and provide liquidity in accordance with capital market rates on the short term and maintain Unitholders' investments. The Fund provides to investors investment solutions in accordance with Islamic Shariah to achieve competitive returns from the market from short term Murabaha investments. The Fund is "open-ended" and does not distribute any dividends to the Unitholders. Instead, all profits collected in the fund are reinvested and reflected in the price of the Fund's unit.

The address of the Fund manager is as follows:

Yaqeen Capital Olaya Street, P.O. 884 Riyadh 11421 Kingdom of Saudi Arabia

In dealing with the Unitholders, the Fund Manager considers the Fund as an independent accounting unit. Accordingly, the Fund Manager prepares separate financial information for the Fund.

The Capital Market Authority (CMA) license was granted for the establishment of the Fund on 12 Jumada Al Akhir 1429 H (corresponding to 16 June 2008). The Fund commenced operations on 9 Rajab 1429 H (corresponding to 12 July 2008).

The Fund is governed by the Investment Fund Regulations (the "Regulations") published by CMA on 3 Dhul Hija 1427H (corresponding to 24 December 2006) as amended by the resolution of CMA board on 16 Sha'aban 1437H (corresponding to 23 May 2016). It is further amended by the resolution of CMA board on 12 Rajab 1442H (corresponding to 24 February 2021).

2. BASIS OF PREPARATION

2.1 Statement of compliance

This condensed interim consolidated financial information has been prepared in accordance with International Accounting Standard IAS-34 "Interim Financial Reporting" that is endorsed in the Kingdom of Saudi Arabia and other standards and pronouncements issued by the Saudi Organization for Chartered and Professional Accountants ("SOCPA").

The Fund does not have a clearly identifiable operating cycle and therefore does not present current and non-current assets and liabilities separately in the condensed interim statement of financial position. Instead, assets and liabilities are presented in order of liquidity.

The Fund can recover or settle all its assets and liabilities within 12 months from the reporting date.

The Fund has also complied with Investment Funds Regulations published by CMA and the Fund's terms and conditions (collectively hereinafter referred to as "Terms and Conditions").

The disclosures made in this condensed interim financial information have been limited in accordance with the requirements of IAS 34. This condensed interim financial information does not include all the information and disclosures required in the annual financial statements and should be read in conjunction with the annual audited financial statements of the Fund for the year ended 31 December 2021 ("last annual financial statements").

NOTES TO THE CONDENSED INTERIM FINANCIAL INFORMATION FOR THE SIX MONTHS PERIOD ENDED 30 JUNE 2022

(All amounts are in Saudi Riyals unless stated otherwise)

2. BASIS OF PREPARATION (continued)

2.2 Basis of measurement

The condensed interim financial information has been prepared on a historical cost convention, except for the financial assets at fair value through profit or loss that are measured at fair value.

Furthermore, this condensed interim financial information is prepared using going concern basis.

2.3 Functional and presentation currency

Items included in the condensed interim financial information are measured using the currency of the primary economic environment in which the Fund operates (the "functional currency"). This condensed interim financial information is presented in Saudi Riyals which is the Fund's functional and presentation currency.

2.4 Critical accounting estimates and judgements

In preparing this condensed interim financial information, management has made the judgement, estimates, and assumptions that affect the application of the Fund's accounting policies and the reported amounts of assets, liabilities, income, and expenses. Actual results may differ from these estimates.

The significant judgments made by management in applying the Fund's accounting policies and the key sources of estimation uncertainty were the same as those described in the last annual audited financial information.

The Fund has reviewed the key sources of estimation uncertainties disclosed in the last annual audited financial statements against the backdrop of COVID-19. Management believes that all sources of estimation uncertainty remain similar to those disclosed in the last annual financial statements. The Fund will continue to monitor the situation, and any changes required will be reflected in future reporting periods.

3. <u>NEW AND AMENDED STANDARDS ADOPTED BY THE FUND</u>

The International Accounting Standard Board (IASB) has issued following accounting standards, amendments, which were effective from periods on or after January 1, 2022.

- Amendments to IAS 37 'Provisions, contingent liabilities and contingent assets' specify which costs a company includes when assessing whether a contract will be loss-making;
- Amendments to IAS 16 'Property, plant and equipment' prohibit a company from deducting from the cost of property, plant and equipment amounts received from selling items produced while the company is preparing the asset for its intended use. Instead, a company will recognise such sales proceeds and related cost in statement of income;
- Amendments to IFRS 3 'Business combinations' update a reference in IFRS 3 to the Conceptual Framework for Financial Reporting without changing the accounting requirements for business combinations; and
- Annual improvements make minor amendments to IFRS 1, 'First-time Adoption of IFRS', IFRS 9, 'Financial instruments', IAS 41, 'Agriculture' and the Illustrative Examples accompanying IFRS 16, 'Leases'.

3. NEW AND AMENDED STANDARDS ADOPTED BY THE FUND (continued)

The listing of standards and interpretations issued, which the Fund reasonably expects to be applicable at a future date are as follows.

Standard/ Interpretation	Description	Effective from periods beginning on or after
Amendments to IAS 1	Classification of Liabilities as Current or Non-current	January 1, 2024
Amendments to IAS 1 and IFRS Practice Statement 2	Disclosure of Accounting Policies	January 1, 2023
Amendments to IAS 8 Amendments to IAS12	Definition of Accounting Estimates Deferred Tax related to Assets and Liabilities arising from a Single Transaction	January 1, 2023 January 1, 2023

4. <u>SIGNIFICANT ACCOUNTING POLICIES</u>

The accounting policies, applied in the preparation of these condensed interim financial information are the same as those applied in the preparation of the last annual audited financial statements of the Fund for the year ended 31 December 2021.

5. MANAGEMENT FEE, CUSTODY FEE AND OTHER EXPENSES

The Fund's expenses include management fee, custody fee and other expenses. These expenses are recognised on an accrual basis. Management and custody fee are based on predetermined rates specified in the Terms and Conditions of the Fund. Detailed policies are as follows:

Management fee

The Fund pays 0.5% of the Fund's net assets value at each valuation day of the Fund's net assets value. These charges are calculated and accrued on each dealing day.

Custody fee

The Fund accrues custody fee at an annual rate of 0.02% of the Fund's net assets value at each valuation day of the Fund's net assets value. These charges are calculated and accrued on each dealing day.

9. FAIR VALUE ESTIMATION

The fair value of financial instruments traded in active markets are based on quoted market prices at the end of trading as at the date of condensed interim financial information. Instruments that have not been sold are valued on the valuation day based on the most recent bid price.

An active market is a market in which assets or liabilities are treated with sufficient movement and volume to provide price information on an ongoing basis. The fair value is approximately equal to the carrying amount less any provision for impairment of other receivables and carrying value of other payables.

The fair value hierarchy consists of the following levels:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity
 can access at the measurement date.
- Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3: unobservable inputs for assets and liabilities.

Investments based on inputs other than quoted prices included within level 1, that are observable for the asset or liability are categorised as level 2, these investments have been valued using the net asset value of the funds available on Tadawul (Saudi stock exchange Tadawul). The estimated fair value of the Fund's financial assets and liabilities is not considered to be significantly different from their carrying values. The fair values of financial position financial instruments not measured at fair value are not significantly different from the carrying values included in the financial information due to the short term duration of financial instrument.

The following table includes the hierarchy analysis for the fair value of Fund's assets and liabilities (by class) measured at fair value as of 30 June 2022 and 31 December 2021:

10. RELATED PARTY TRANSACTIONS AND BALANCES

Parties are considered to be related if one party has the ability to control the other party or exercise significant influence over the other party in making financial or operational decisions. Within the normal course of business, the Fund deals with related parties that are in turn subject to the Fund's terms and conditions. All transactions with related parties are approved by the Fund's Board.

The Fund Manager and companies related to the Fund manager are considered as related parties to the Fund.

The Fund pays management fees at the rate of 0.5% per annum of the net assets value of the Fund calculated on each valuation day. In addition, the Fund Manager refunds any other expenses paid on behalf of the Fund.

10. <u>UNIT VALUE RECONCILIATION</u>

In accordance with CMA circular no. 1/6/7218/17 dated 13 Rabi al-Thani 1439H (corresponding to 31 December 2017), the CMA Board decided on 10 Rabi al-Thani 1439H (corresponding to 28 December 2017) to restrict the recording of expected credit losses (ECL) calculated in accordance with IFRS 9 only for the purpose of financial reporting.

All financial assets held at amortized cost were considered for ECL as on 30 June 2022. However, the impact of ECL on these assets was immaterial as cash and cash equivalents and investment in murahaba contracts are held with bank having sound credit rating and there is no history of default or recovery of these balances. Accordingly, this condensed interim financial information do not contain any significant ECL adjustments and therefore reconciliation of the unit price calculated according to the applicable
