

Yaqeen Gold Fund

Annual Report 2025

Contents List

- A. Fund Information: 2
- B. Fund Performance: 3
- C. Fund Manager: 7
- D. Custodian: 9
- E. Fund Operator: 9
- F. Auditor: 9
- G. Financial Statements: 10

A. Fund Information:

1. Name of the investment Fund: Yaqeen Gold Fund.
2. The Investment objectives, policies, and practices for the fund

It is an open public investment fund compliant with Sharia standards and invests passively in gold commodity, as it seeks to achieve long-term capital growth and gains by simulating the performance of the XAU / USD gold commodity currency index (spot contracts for gold in US dollars) before fees and charges.

Investment policy:

Asset Class	Minimum	Maximum
Gold commodity currency XAU / USD	90%	100%
Money market funds (Sharia-compliant) that are publicly offered and licensed by a regulator with standards and regulatory requirements similar to the CMA.	0%	10%
Gold commodity funds (Sharia-compliant) that are publicly offered and licensed by a regulator with standards and regulatory requirements similar to the CMA.	0%	10%
Cash	0%	10%

- The fund does not offer any diversification in assets and does not change the ratios of its investment in gold commodity based on expectations of the gold commodity price. In the event that the price of the gold commodity increases or decreases, the Fund will simulate this increase or decrease in the price of the gold commodity. The trading currency in the gold commodity market is the US dollar, while the trading unit for the gold commodity is an ounce of gold with a purity of 999.9. Any change in the price of the gold commodity reflects the change in the value of an ounce of gold with purity of 999.9 in US dollars.
 - The fund seeks to simulate the performance of the index by keeping the margin of deviation from the maximum of 1%. Margin deviation is measured as the standard deviation of the difference between the weekly return of the fund compared to the weekly return of the index. The fund index is the gold commodity currency "XAU / USD" and it is an index that is extracted from Bloomberg. It reflects the price of spot gold in US dollars for every ounce of gold commodity with a purity of 999.9.
 - The fund seeks to achieve a minimum correlation coefficient of 0.85 with the index on an annual basis.
 - The fund manager maintains a cash liquidity ratio of up to 10% of the fund's total assets to comply with the redemption requests.
 - The fund invests in gold commodity with a purity of 999.9 only through the specified gold provider (Ansta Sanpaolo Switzerland), and also invests in gold commodity funds that comply with Sharia standards offered in a public offering and are licensed by a regulator that has similar regulatory standards and requirements to the CMA.
 - All the fund's investments will be outside the Kingdom of Saudi Arabia.
3. Distribution of Profits Policy: The Fund Manager will not distribute the profits for subscribers and the distributed profits will be reinvested back in the Fund.
 4. We would like to point out that the Fund's reports are available upon request free of charge. It can also be obtained directly by visiting the company's website www.yaqeen.sa.
 5. The funds benchmark index and its service provider:

Benchmark: Gold commodity price XAU/USD where the price reflects the value of an ounce of gold of 999.9 purity in US dollars.

Service provider: Bloomberg.

The methodology used for calculating the index: This index is calculated based on the average price of buying and selling provided by central banks and international commercial banks. The Bloomberg platform collects this data and calculates the average price of the gold commodity currency XAU/USD. The gold commodity currency "XAU/USD" is the index, which reflects the spot gold price in US dollars per ounce of gold. The trading currency in the gold market is the US dollar, while the trading unit for gold in the gold market is an ounce of gold with a purity of 999.9. The price of the extract from the provider of the index (Bloomberg) reflects the value of an ounce of gold with a purity of 999.9 in US dollars.

B. Fund Performance:

1. Comparative table:

As of December 31	Fund's Net Asset Value (in US Dollars)	NAV per unit (in US Dollars)			Number of units issued at the end of the period	Income distribution per unit		Expense ratio
		End of period	Highest value during the year	Lowest value during the year		Gross	Net	
2020	4,164,182	1.09953	1.1955	0.9905	3,787,227	N/A	N/A	0.96%
2021	3,025,796	1.04198	1.1262	0.9738	2,903,387	N/A	N/A	1.12%
2022	3,504,402	1.02802	1.1537	0.9258	3,408,878	N/A	N/A	1.15%
2023	2,845,993	1.15559	1.1660	1.0212	2,462,813	N/A	N/A	1.09%
2024	3,265,924	1.44659	1.5460	1.1145	2,257,669	N/A	N/A	1.17%
2025	3,201,232	2.28417	2.3882	1.4465	1,401,488	N/A	N/A	1.32%

Comparing the Fund's benchmark performance with the Fund's performance:

Calendar return	2020*	2021	2022	2023	2024	2025
Fund	9.95%	-5.23%	-1.34%	12.41%	25.18%	57.90%
Index	14.97%	-4.21%	0.01%	13.81%	26.19%	66.49%
Accumulated returns	1 Years	2 Years	3 Years	4 Years	5 Years	Since inception
Fund	57.90%	97.66%	122.19%	119.21%	107.74%	128.42%
Index	66.49%	110.08%	139.10%	139.13%	129.07%	163.36%

*Calendar return for 2020 and since inception is April/8/2020.

2. Performance Record:

Total Return	
One Year	57.90%
Three Years	122.19%
Five Years	107.74%
Since inception	128.42%
Calendar return	
2020*	9.95%
2021	-5.23%
2022	-1.34%
2023	12.41%

2024	25.18%
2025	57.90%

*Calendar return for 2020 and since inception is April/8/2020.

Fund fees & expenses incurred by the Fund during the year as a percentage of the average net asset value of the Fund:

Fees and expenses incurred by the fund during the year	Amount (in USD)

C. Fund Manager

1. Fund Manager name:

Yaqeen Capital Company, Saudi Arabia

P.O. Box. 884, Riyadh 11421

Tel: 8004298888

Fax: +966 (11) 2032546

www.yaqeen.sa

2. Sub-Manager/investment adviser:

Not applicable.

3. A review of investment activities during the period:

Asset allocation	As of 31/12/2025
Gold	94.31%
Cash	5.69%
Total	100.00%

4. Performance report of the investment fund during the period:

- In 2025, the Yaqeen Gold Fund delivered a robust annual return of 57.90%, closely tracking the benchmark index, which recorded a slightly higher return of 66.49% amidst a significant surge in global gold prices. Over the past five years, the Fund achieved a cumulative return of 107.74%, compared to 129.07% for the benchmark, demonstrating the Fund's efficiency in tracking the index with limited tracking errors.
- The positive performance during 2025 was driven by several key factors, most notably persistent global economic uncertainty and the growing demand for gold as a safe-haven asset. Additionally, expectations of interest rate cuts and a weakening US dollar provided significant tailwinds, supporting a substantial rally in gold prices throughout the year

5. Details of any material changes to the Fund's Terms and Conditions made during the period.

The fund manager made the following non-Fundamental Changeschanges to the fund during 2025

- Changes in the Fund's Board of Directors
 - Resignation of a member of the Fund's Board of Directors, Mr. Muath bin Mohammed bin Huwaymel (Independent Member), effective from 01/10/2025.

Independent Auditor's Report

To the Unitholders of Yaqeen Gold Fund

Opinion

We have audited the financial statements of **Yaqeen Gold Fund** (the "Fund") managed by Yaqeen Capital (the "Fund Manager"), which comprise the statement of financial position as at 31 December 2025, and the statements of profit or loss and other comprehensive income, changes in net assets (equity) attributable to unitholders and cash flows for the year then ended, and notes to the financial statements, comprising material accounting policies and other explanatory information.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Fund as at 31 December 2025, and its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards ("IFRS") that are endorsed in the Kingdom of Saudi Arabia and other standards and pronouncements issued by the Saudi Organization for Chartered and Professional Accountants ("SOCPA").

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Fund in accordance with the International Code of Ethics for Professional Accountants (including International Independence Standards), that is endorsed in the Kingdom of Saudi Arabia (the "Code"), that are relevant to our audit of the financial statements, and we have fulfilled our other ethical responsibilities in accordance with the Code's requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of the Fund Manager and Those Charged with Governance for the Financial Statements

The Fund Manager is responsible for the preparation and fair presentation of the financial statements in accordance with IFRS that are endorsed in the Kingdom of Saudi Arabia and other standards and pronouncements issued by SOCPA, the applicable provisions of the Investment Funds Regulations issued by the Capital Market Authority, the Fund's Terms and Conditions and for such internal control as Fund Manager determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Fund Manager is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Fund Manager either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, the Fund's Board, is responsible for overseeing the Fund's financial reporting process.

Independent Auditor's Report

To the Unitholders of Yaqeen Gold Fund (continued)

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. 'Reasonable assurance' is a high level of assurance, but is not a guarantee that an audit conducted in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia, will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Fund Manager.
- Conclude on the appropriateness of the Fund Manager's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, then we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit of Yaqeen Gold Fund (the "Fund").

YAQEEEN GOLD FUND
(Managed By Yaqeen Capital Company)
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2025
(All amounts are in US Dollars \$ unless stated otherwise)

1 General

Yaqeen Gold Fund (the “Fund”) is a fund established under an agreement between Yaqeen Capital Company (the "Fund Manager") and Fund’s Investors ("Unitholders"). The Fund’s objective is to achieve long-term capital gains and growth through tracking the index performance of gold commodity (XAU/USD – Gold Spot US Dollar). The Fund is an “open-ended” Shariah compliant “public” fund that invests passively in Gold and does not normally distribute any dividends to the Unitholders. Instead, all profits earned by the Fund are reinvested and reflected in the price of the Fund’s unit.

The address of the Fund Manager is as follows:

Yaqeen Capital Company
Olaya Street, P.O. Box 884
Riyadh 11421
Kingdom of Saudi Arabia

Yaqeen Capital is the administrator and custodian of the fund. EFG Bank AG, Switzerland is the sub-custodian of the Fund as per the Terms and Conditions of the Fund.

In dealing with the Unitholders, the Fund Manager considers the Fund as an independent accounting unit. Accordingly, the Fund Manager prepares separate financial statements for the Fund. In addition, the Unitholders are considered as owners benefiting from the Fund's assets.

The Capital Market Authority (“CMA”) license to establish the Fund was obtained on 10 Jumada al-Alkhirah 1441H (corresponding to 4 February 2020). The Fund commenced its activities on 14 Shaban 1441H (corresponding to 8 April 2020).

The Fund is governed by the Investment Fund Regulations (the “Regulations”) published by CMA on 3 Dhul Hija 1427H (corresponding to 24 December 2006) as amended by the resolution of CMA board on 16 Sha’aban 1437H (corresponding to 23 May 2016). It is further amended by the resolution of CMA board on 23 Dhul Qadah 1446H (corresponding to 21 May 2025).

2 Basis of preparation

2.1 Statement of compliance

These financial statements have been prepared in accordance with International Financial Reporting Standards (“IFRS”) that are endorsed in the Kingdom of Saudi Arabia and other standards and pronouncements issued by the Saudi Organization for Chartered and Professional Accountants (“SOCPA”).

The Fund does not have a clearly identifiable operating cycle and therefore does not present current and non-current assets and liabilities separately in the statement of financial position. Instead, assets and liabilities are presented in order of liquidity. The Fund can recover or settle all its assets and liabilities within 12 months from the reporting date.

The Fund has also complied with Investment Funds Regulations published by CMA and Fund’s Terms and Conditions, information memorandum and key information summary (collectively hereinafter referred to as “Terms and Conditions”) with respect to preparation and presentation of these financial statements.

YAQEEEN GOLD FUND
(Managed By Yaqeen Capital Company)
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2025
(All amounts are in US Dollars \$ unless stated otherwise)

2 Basis of preparation (continued)

2.2 Going concern

The Fund's management has assessed the Fund's ability to continue as a going concern and is satisfied that it has the resources to continue in business for the foreseeable future. Furthermore, management is not aware of any material uncertainties that may cast significant doubt upon the Fund's ability to continue as a going concern. Therefore, the financial statements continue to be prepared on a going concern basis.

2.3 Basis of measurement

These financial statements have been prepared under the historical cost convention, except for the financial assets at fair value through profit or loss that are measured at fair value.

Furthermore, these financial statements are prepared, using the accrual basis of accounting and are based on the going concern basis.

2.4 Functional and presentation currency

These financial statements are presented in US Dollars (USD), which is the Fund's functional and presentation currency as the gold contracts are entered into and traded in international markets in US dollars. Further the index performance of gold contracts are denominated in US dollars. All amounts presented has been rounded to the nearest USD unless stated otherwise.

2.5 Foreign currency transaction and balances

Foreign currency transactions and balances are translated into US Dollars using the exchange rates prevailing at the date of transactions. Foreign currency monetary assets and liabilities are translated into US Dollars using the exchange rates prevailing at the reporting date. Foreign exchange gains and losses arising from the translation of monetary assets and liabilities at exchange rate prevailing at the reporting date and from the settlement of transactions are included in the statement of profit or loss and other comprehensive income. The Fund carries out transactions either in US dollars (USD) or Saudi Riyals (SAR) and since the SAR is pegged to USD, there is no foreign currency revaluation gain / loss during the current year.

2.6 Financial year

The financial year of the Fund commences on 1 January and ends on 31 December of each calendar year.

2.7 Use of estimates and judgments

In the ordinary course of business, the preparation of financial statements requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets, liabilities, income, and expense. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in future periods affected. There are no areas of significant judgments or critical assumption used in the preparation of these financial statements.

YAQEEEN GOLD FUND
 (Managed By Yaqeen Capital Company)
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2025
 (All amounts are in US Dollars \$ unless stated otherwise)

3 Application of new and revised standards

3.1 New standards, interpretations and amendments adopted from 1 January 2024

The Fund applied for the first-time certain standards and amendments, which are effective for annual periods beginning on or after 1 January 2025. The Fund has not early adopted any other standard, interpretation or amendment that has been issued but is not yet effective.

Standard / amendments / interpretation	Description	Effective from periods beginning on or after
Amendment to IFRS 21 – Lack of exchangeability	IASB amended IAS 21 to add requirements to help in determining whether a currency is exchangeable into another currency, and the spot exchange rate to use when it is not exchangeable. Amendment set out a framework under which the spot exchange rate at the measurement date could be determined using an observable exchange rate without adjustment or another estimation technique.	1 January 2025

These amendments had no impact on the financial statements of the Fund.

3.2 New standards, interpretations and amendments not yet effective

The International Accounting Standard Board (IASB) has issued following accounting standards, amendments, which were effective from periods beginning on or after 1 January 2026. The Fund has opted not to early adopt these pronouncements and the Fund is currently evaluating the impact of the adoption of these standards, interpretations or amendments on the financial statements

Standard / amendments / interpretation	Description	Effective from periods beginning on or after
Amendments to IFRS 10 and IAS 28- Sale or Contribution of Assets between an Investor and its Associate or Joint Venture	Partial gain or loss recognition for transactions between an investor and its associate or joint venture only apply to the gain or loss resulting from the sale or contribution of assets that do not constitute a business as defined in IFRS 3 Business Combinations and the gain or loss resulting from the sale or contribution to an associate or a joint venture of assets that constitute a business as defined in IFRS 3 is recognized in full.	Effective date deferred indefinitely
Amendments to IFRS 9, Financial Instruments and IFRS 7, Financial Instruments: Disclosures	Under the amendments, certain financial assets including those with ESG-linked features could now meet the SPPI criterion, provided that their cash flows are not significantly different from an identical financial asset without such a feature. The IASB has amended IFRS 9 to clarify when a financial asset or a financial liability is recognized and derecognized and to provide an exception for certain financial liabilities settled using an electronic payment system.	1 January 2026

YAQEEN GOLD FUND
 (Managed By Yaqeen Capital Company)
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2025
 (All amounts are in US Dollars \$ unless stated otherwise)

3 Application of new and revised standards (continued)

3.2 New standards, interpretations and amendments not yet effective (continued)

Standard / amendments / interpretation	Description	Effective from periods beginning on or after
IFRS 18, Presentation and Disclosure in Financial Statements	IFRS 18 provides guidance on items in statement of profit or loss classified into five categories: operating; investing; financing; income taxes and discontinued operations. It defines a subset of measures related to an entity's financial performance as 'management-defined performance measures' ('MPMs'). The totals, subtotals and line items presented in the primary financial statements and items disclosed in the notes need to be described in a way that represents the characteristics of the item. It requires foreign exchange differences to be classified in the same category as the income and expenses from the items that resulted in the foreign exchange differences.	January 2027
Amendments to IFRS 9 and IFRS 7 Contracts referencing Nature-dependent Electricity	Contracts Referencing Nature-dependent Electricity amends IFRS 9 Financial Instruments and IFRS 7 Financial Instruments: Disclosures to more faithfully reflect the effects of contracts referencing nature-dependent electricity on an entity's financial statements.	1 January 2026
Annual improvements to IFRS – Volume 11	Annual improvements are limited to changes that either clarify the wording in an Accounting Standard or correct relatively minor unintended consequences, oversights or conflicts between the requirements in the Accounting Standards. The 2024 amendments are to the following standards: IFRS 1 First-time Adoption of International Financial Reporting Standards; IFRS 7 Financial Instruments: Disclosures and its accompanying Guidance on implementing IFRS 7; IFRS 9 Financial Instruments; IFRS 10 Consolidated Financial Statements; and IAS 7 Statement of Cash Flows.	1 January 2026
IFRS 19, Subsidiaries without Public Accountability: Disclosures	IFRS 19 allows eligible subsidiaries to apply IFRS Accounting Standards with the reduced disclosure requirements of IFRS 19. A subsidiary may choose to apply the new standard in its consolidated, separate or individual financial statements provided that, at the reporting date it does not have public accountability and its parent produces consolidated financial statements under IFRS Accounting Standards.	1 January 2027

4 Material Accounting policies

The material accounting policies applied in the preparation of these financial statements are set out below.

YAQEEEN GOLD FUND
(Managed By Yaqeen Capital Company)
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2025
(All amounts are in US Dollars \$ unless stated otherwise)

4 Material Accounting policies (continued)

4.1 Financial instruments

4.1.1 Initial recognition and measurement

All regular way purchases and sales of financial assets are recognized / derecognized on the trade date (i.e. the date that the Fund executes purchase or sale of the assets). Regular way purchase or sale of financial assets that require settlement of assets within the time frame are generally established by regulation or convention in the marketplace. All other financial assets and liabilities (including assets and liabilities designated at fair value through income statement) are initially recognized on trade date at which the Fund becomes a party to the contractual provisions of the instrument.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in profit or loss. For all other financial assets and financial liabilities transaction costs are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition.

4.1.2 De-recognition of financial assets

Financial assets are derecognized when the contractual rights to the cash flows from the financial assets expire, or when the financial assets and substantially all the risks and rewards are transferred.

4.1.3 Classification and subsequent measurement of financial assets

Financial assets are classified into the following specified categories:

- Financial assets at amortized cost;
- Financial assets at fair value through profit or loss; and
- Financial assets at fair value through other comprehensive income.

Equity instruments

Equity instruments are instruments that meet the definition of equity from the issuer's perspective; that is, instruments that do not contain a contractual obligation to pay and that evidence a residual interest in the issuer's net assets. Examples of equity instruments include basic ordinary shares.

The Fund subsequently measures all equity investments at FVTPL, except where the Fund's Manager has elected, at initial recognition, to irrevocably designate an equity investment at FVOCI. The Fund's policy is to designate equity investments as FVOCI when those investments are held for purposes other than to generate investment returns. When this election is used, fair value gains and losses are recognized in other comprehensive income and are not subsequently reclassified to the statement of profit or loss, including on disposal. Impairment losses (and reversal of impairment losses) are not reported separately from other changes in fair value. The Fund has not classified any of its equity investments at FVOCI.

The Fund does not have any financial assets classified at FVOCI as at 31 December 2024 and 2023.

4.1.4 Classification and measurement of financial liabilities

Liabilities are recognized on an accrual basis for amounts to be paid in the future in return for services received, whether or not billed by the provider.

Financial liabilities are initially measured at fair value, and, where applicable, adjusted for transaction costs unless the Fund has designated a financial liability at FVTPL.

Subsequently, financial liabilities are measured at amortised cost using the effective interest rate method.

YAQEEEN GOLD FUND
(Managed By Yaqeen Capital Company)
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2025
(All amounts are in US Dollars \$ unless stated otherwise)

4 Material Accounting policies (continued)

4.1 Financial instruments (continued)

4.1.5 Fair value measurement

'Fair value' is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date in the principal or, in its absence, the most advantageous market to which the Fund has access at that date. The fair value of a liability reflects its non-performance risk.

When available, the Fund measures the fair value of an instrument using the quoted price in an active market for that instrument. A market is regarded as 'active' if transactions for the asset or liability take place with sufficient frequency and volume to provide pricing information on an ongoing basis. The Fund measures instruments quoted in an active market at the market price, because this price provides a reasonable approximation of the exit price.

4.1.6 Recognition and re-measurement of investment in gold contracts

Fund's investment in gold contracts are financial assets which are recognized when Fund becomes a party to the contractual provisions of the instrument i.e. Trade date. At initial recognition, the Fund measures investment in gold contracts at its fair value. Transaction costs of financial assets carried at FVTPL are expensed in profit or loss. The subsequent unrealized gain / loss on investment held at FVTPL is recognized in the statement of profit or loss and other comprehensive income.

4.2 Net assets (equity) attributable to Unitholders

The net assets (equity) attributable to the Unitholders comprise units issued, and accumulated profit generated by the Fund. The redeemable units are classified as equity as explained below.

(i) Units in issue

Units subscribed and redeemed are recorded at the net assets value per unit on the Valuation Day for which the subscription request and redemption applications are received.

The Fund classifies its units as equity as these units have all of the following features:

- It entitles the holder to a pro rata share of the Fund's net assets (equity) in the event of the Fund's liquidation.
- It is in the class of instruments that is subordinate to all other classes of instruments.
- All financial instruments in the class of instruments that is subordinate to all other classes of instruments have identical features.
- The instrument does not include any contractual obligation to deliver cash or another financial asset other than the holder's rights to a pro rata shares of the Fund's net assets (equity).

YAQEEEN GOLD FUND
(Managed By Yaqeen Capital Company)
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2025
(All amounts are in US Dollars \$ unless stated otherwise)

4 Material Accounting policies (continued)

4.2 Net assets (equity) attributable to Unitholders (continued)

(i) Units in issue (continued)

- The total expected cash flows attributable to the instrument over the life of the instrument are based substantially on the profit or loss, the change in the recognized net assets (equity) or the change in the fair value of the recognized and unrecognized net assets (equity) of the Fund over the life of the instrument.

In addition – in order to classify these instruments as equity the Fund must have no other financial instrument or contract that has:

- Total cash flows based substantially on the profit or loss, the change in the recognized net assets (equity) or the change in the fair value of the recognized and unrecognized net assets (equity) of the Fund; and
- The effect of substantially restricting or fixing the residual return to the instrument holders.

The Fund continuously assesses the classification of the units. If the redeemable units cease to have any of the features or meet all the conditions set out in paragraphs 16A and 16B of IAS 32, the Fund will reclassify them as financial liabilities and measure them at fair value at the date of reclassification, with any differences from the previous carrying amount recognized in net assets attributable to unit holders. The subscription and redemption of redeemable units are accounted for as equity transactions as long as units are classified as equity.

(ii) Trading in the units

Units of the Fund are made available for purchase only in the Kingdom of Saudi Arabia at Yaqeen Capital's branches by natural and corporate persons. The net asset (equity) value of the Fund is determined on the Valuation Day by dividing the net value of assets (fair value of total assets minus liabilities) by the total number of outstanding units on the relevant Valuation Day.

4.3 Net assets (equity) value per unit

Net assets (equity) value per unit disclosed in the statement of financial position is calculated by dividing the net assets of the Funds by the number of units in issue at the reporting date.

4.4 Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Fund and the amount can be reliably measured, regardless of when payment is being made. Revenue is measured at the fair value of the consideration received or receivable, excluding discounts and taxes.

Realized gain or loss on disposal of investment in gold contracts is measured as the difference between the sales proceed and the carrying value before disposal. Unrealized gain or loss on gold contracts is recognized in the profit or loss section of the statement of profit or loss and other comprehensive income.

YAQEEEN GOLD FUND
 (Managed By Yaqeen Capital Company)
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2025
 (All amounts are in US Dollars \$ unless stated otherwise)

4 Material Accounting policies (continued)

4.5 Management fee, custody fee and other expenses

The Fund's expenses include management fee, custody fee and other expenses. These expenses are recognised on accrual basis. Management and custody fee are based on predetermined rates as specified in the Terms and Conditions of the Fund. Detailed policies are as follows:

4.5.1 Management fee

The Fund pays 0.5% (31 December 2024: 0.5%) of the Fund's net assets value at each valuation day of the Fund's net assets value. These charges are calculated and accrued on each dealing day.

4.5.2 Custody fee

The custodian does not charge the fund any fees while the EFG Bank AG (the "Sub-Custodian") charges fees at 0.10% (31 December 2024: 0.10%) the total value of the assets under custody.

4.5.3 Regulatory fee

The Fund records regulatory fees to be paid to Capital Market Authority of USD 2,000 annually as specified in the Terms and Conditions.

4.5.4 Posting fee on Tadawul website

The Fund records posting fee to be paid to Tadawul of USD 1,333 annually as specified in the Terms and Conditions.

4.5.5 Other expenses

As specified in the Terms and Conditions, these expenses include fee for board meeting fees, audit fee and zakat and tax consultant's fee, that are paid by the Fund Manager on behalf of the Fund.

5 Cash and cash equivalents

	31 December 2025	31 December 2024
Cash at bank	172,259	37,728
Cash in investment account - with sub-custodian	10,521	878
	182,780	38,606

Cash and cash equivalents comprise of balance held with Banque Saudi Fransi which has an A1 long term credit rating as per Moody's and balance held in an investment account with EFG Bank AG (sub-custodian) which has an Aa3 long-term credit rating as per Moody's.

YAQEEEN GOLD FUND
(Managed By Yaqeen Capital Company)
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2025
(All amounts are in US Dollars \$ unless stated otherwise)

6 Financial assets at fair value through profit or loss (FVTPL)

This represents investment in gold contracts i.e. spot gold contracts. The spot gold contracts enable the Fund to mimic the spot prices of gold. The Fund invests in physical gold which is purchased and deposited in safe custody of the Sub-Custodian at a secured vault in Geneva, Switzerland, under the delegated authority from the Fund Manager. The gold purchased is kept in the Fund's allocated account, which is uniquely identifiable and segregated from other precious metals held by the sub-custodian.

The movement in investment in gold contracts is as follows:

	<u>31 December 2025</u>	<u>31 December 2024</u>
Opening balance	3,238,023	2,847,795
Additions to investment in gold contracts	380,874	-
Disposal of investments in gold contracts	(2,071,958)	(362,525)
	1,546,939	2,485,270
Realized fair value gain, net for the year	395,631	77,684
Unrealized fair value gain, net for the year	1,086,904	675,069
Fair value gain on financial assets at FVTPL, net	1,482,535	752,753
Closing balance	3,029,475	3,238,023

7 Management fee payable

	Note	<u>31 December 2025</u>	<u>31 December 2024</u>
Balance as at 1 January		5,012	4,923
Expense for the year	7.1	17,129	18,542
Payments during the year		(17,427)	(18,453)
Balance as at 31 December		4,714	5,012

7.1 The Fund Manager charges management fee as per the Terms and Conditions of the Fund at a rate of 0.5% per annum (31 December 2024: 0.5%) of the net assets value at each valuation date.

8 Other liabilities

	Note	<u>31 December 2025</u>	<u>31 December 2024</u>
Balance as at 1 January		5,694	5,597
Expense for the year	8.1	22,163	19,256
Payments during the year		(21,548)	(19,159)
Balance as at 31 December		6,309	5,694

8.1 Other expenses comprise of custody fee and other expenses payable which are specified in the Terms and Conditions of the Fund. These expenses are recognised on accrual basis.

YAQEEN GOLD FUND
 (Managed By Yaqeen Capital Company)
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2025
 (All amounts are in US Dollars \$ unless stated otherwise)

9 Contingencies and commitments

There were no contingencies and commitments as at 31 December 2025 and 31 December 2024.

10 Related party transactions and balances

Parties are considered to be related if one party has the ability to control the other party or exercise significant influence over the other party in making financial or operational decisions. The related parties of the Fund include Fund Manager, the Fund's Board and other Funds managed by the Fund Manager.

In the ordinary course of business, the Fund transacts with its related parties that are in turn subject to the Fund's Terms and Conditions approved by the CMA. The Fund entered into the following transactions with its related parties during the year and the balances arising from these transactions are also mentioned below.

Related party	Relationship	Nature of transactions	Transactions for the year		Balance as at	
			31 December 2025	31 December 2024	31 December 2025	31 December 2024
		Management fees (note 7)	(17,129)	(18,542)	4,714	5,012
Yaqeen Capital	Fund Manager	Units held by the Fund manager – 300,724 units (31 December 2024: 930,724 units)	(3,784,725)	-	686,903	1,346,378

11 Fair value of financial instruments

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

When available, the Fund measures the fair value of an instrument using the quoted price in an active market for that instrument. A market is regarded as active if transactions for the asset or liability take place with sufficient frequency and volume to provide pricing information on an ongoing basis. The Fund measures instruments quoted in an active market at a market price, because this price is assessed to be a reasonable approximation of the exit price.

The fair value hierarchy consists of the following levels:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date
- Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly
- Level 3: unobservable inputs for assets and liabilities.

YAQEEEN GOLD FUND
 (Managed By Yaqeen Capital Company)
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2025
 (All amounts are in US Dollars \$ unless stated otherwise)

11 Fair value of financial instruments (continued)

The Fund has classified its financial assets measured at fair value through profit or loss (FVTPL) as level 1 as per the fair value hierarchy as their fair values are based on prices quoted in active market. The Fund does not adjust the quoted prices for these instruments. During the year, there has been no transfer in fair value hierarchy. For other financial assets and liabilities, such as cash and cash equivalents, management fees payable and other liabilities, the carrying values were determined to be a reasonable approximation of fair value due to their nature.

12 Financial instruments – Risk management

The Fund’s objective is to ensure the Fund’s ability to continue as a going concern so that it can continue to provide optimal returns for the unitholders and ensure reasonable safety of the unitholders. The Fund’s activities expose it to a variety of financial risks: credit risk, liquidity risk and market risk.

The Fund Manager is responsible for identifying and controlling risks. The Fund’s Board supervises the Fund Manager, which is ultimately responsible for the overall management of the Fund.

Monitoring and controlling risks is primarily set up to be performed based on the limits established by the Fund Board. The Fund has its Terms and Conditions document that set out its overall business strategies, its tolerance of risks and its general risk management philosophy and is obliged to take actions to rebalance the portfolio in line with the investment guidelines.

The Fund uses different methods to measure and manage the various types of risk to which it is exposed; these methods are explained below.

a) Credit risk

Credit risk is the risk that one party to a financial instrument will fail to discharge its obligation and cause the other party to incur a financial loss.

The Fund's policy is to conclude financial instrument contracts with reputable counterparties. The Fund seeks to reduce credit risk by monitoring credit exposures, setting limits for transactions with specific counterparties, and constantly assessing the solvency of such parties.

The table below shows the maximum exposure to credit risk for the components of the statement of financial position.

	31 December 2025	31 December 2024
Cash and cash equivalent (note 5)	182,780	38,606

The Fund measures credit risk and expected credit losses using probability of default, exposure at default and loss given default. Management considers both historical analysis and forward-looking information in determining any expected credit loss.

The financial asset carried at amortized cost was considered for ECL as at 31 December 2025. However, the impact of ECL on this asset was immaterial as the Fund is not exposed to significant credit risk considering that the cash and cash equivalents are held with Banque Saudi Fransi, which has an external credit rating of A1 from Moody's, and EFG Bank AG (sub-custodian) which has an Aa3 long-term credit rating as per Moody's. There is no history of default of these banks.

The Fund Manager reviews the credit concentration of the investment portfolio, depending on the counterparties. The Fund is not currently exposed to credit risk within its investment portfolio.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2025
 (All amounts are in US Dollars \$ unless stated otherwise)

12 Financial instruments – Risk management (continued)

b) Liquidity risk

Liquidity risk is the risk that the Fund will encounter difficulty in raising funds to meet its commitments associated with financial liabilities. Liquidity risk may result from an inability to sell a financial asset quickly at an amount close to its fair value.

The Fund's Terms and Conditions provide for the subscription and redemptions of units on dealing days during the week and it is, therefore, exposed to the liquidity risk of meeting Unitholders' redemptions. The Fund's investments in gold contracts are readily realizable, and can easily be liquidated at any time. The Fund Manager monitors the liquidity requirements on a regular basis and seeks to ensure that sufficient funds are available to meet any commitments as they arise, either through new subscriptions, liquidation of investment, or obtaining funding from related parties.

31 December 2025	More than one year and up to			Total
	Up to one year	five years	More than five years	
Financial liabilities				
Management fee payable	4,714	-	-	4,714
Other liabilities	6,309	-	-	6,309
	11,023	-	-	11,023

31 December 2024	More than one year and up to			Total
	Up to one year	five years	More than five years	
Financial liabilities				
Management fee payable	5,012	-	-	5,012
Other liabilities	5,694	-	-	5,694
	10,706	-	-	10,706

Maturity profile

The table below shows an analysis of financial assets and financial liabilities according to when they are expected to be recovered or settled, respectively. The amounts disclosed are the contractual undiscounted cash flows which equal their carrying balances as the impact of discounting is not significant.

31 December 2025	Up to one year	More than one year	No fixed maturity	Total
	Financial assets			
Cash and cash equivalents	-	-	182,780	182,780
Financial assets at fair value through profit or loss	-	-	3,029,475	3,029,475
	-	-	3,212,255	3,212,255
Financial liabilities				
Management fee payable	4,714	-	-	4,714
Other liabilities	6,309	-	-	6,309
	11,023	-	-	11,023

YAQEEEN GOLD FUND
 (Managed By Yaqeen Capital Company)
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2025
 (All amounts are in US Dollars \$ unless stated otherwise)

12 Financial instruments - Risk management (continued)

b) Liquidity risk (continued)

Maturity profile

31 December 2024	Up to one year	More than one year	No fixed maturity	Total
Financial assets				
Cash and cash equivalents	-	-	38,606	38,606
Financial assets at fair value through profit or loss	-	-	3,238,023	3,238,023
	-	-	3,276,629	3,276,629
Financial liabilities				
Management fee payable	5,012	-	-	5,012
Other liabilities	5,694	-	-	5,694
	10,706	-	-	10,706

c) Market risk

i) Currency risk

Currency risk is the risk that the value of a financial instrument will fluctuate due to a change in foreign exchange rates. These risks arise from financial instruments recognized in foreign currencies. The Fund transacts transactions in either US dollars (USD) or Saudi Riyals (ﷻ) and since the ﷻ is pegged to USD, the Fund is not significantly exposed to foreign exchange risk.

ii) Price risk

Price risk is the risk that the value of the Fund's financial instruments will fluctuate due to changes in market prices due to factors other than the movement of foreign exchange rates.

Price risk arises mainly from uncertainty about the future prices of financial instruments owned by the Fund. The Fund Manager closely monitors the price movements of the spot gold contracts.

The effect of a 1% increase in gold prices of the investments keeping all other variable constant held at the reporting date would have resulted in an increase in the profit for the year and increase in net assets by USD 30,295 (2024: USD 32,380). A 1% decrease in gold prices would, on the same basis, decrease the profit for the year and decrease the net assets by the same amount.

YAQEEEN GOLD FUND
(Managed By Yaqeen Capital Company)
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2025
(All amounts are in US Dollars \$ unless stated otherwise)

13 Capital management

The capital of the Fund is represented by net assets (equity) attributable to unitholders. The net assets (equity) attributable to unitholders can change significantly on each Valuation Day, as the Fund is subject to subscriptions and redemptions at the discretion of unitholders on every Valuation Day, as well as changes resulting from the Fund's performance.

The Fund's objective when managing capital is to safeguard the Fund's ability to continue as a going concern in order to provide returns for Unitholders, provide benefits for other stakeholders and maintain a strong capital base to support the development of the investment activities of the Fund.

The Fund's Board and the Fund Manager monitor the capital based on the value of net assets (equity) attributable to unitholders.

14 Unit value reconciliation

The financial assets held at amortized cost were considered for ECL as on 31 December 2025. However, the impact of ECL on these assets was immaterial as cash and cash equivalents are held with a local bank and a sub-custodian having sound credit ratings and there is no history of default of these balances. Accordingly, these financial statements do not contain any ECL adjustments.

15 Last valuation day

The Fund units are valued, and the net assets value is calculated at the end of each working day (valuation day). The last day of valuation was 31 December 2025.

16 Subsequent events

The recent regional military escalations have triggered a high-risk conflict environment across the Gulf. The situation is still very fluid, and scenarios can shift very quickly. The escalations have brought about additional uncertainties in the Fund's operating environment. With respect to financial statements for the year ended 31 December 2025, the potential financial reporting effects of the conflict are considered to be non-adjusting in nature.

The Fund Manager has been closely monitoring the impact of the developments on the Fund's investment. As the situation is fast evolving and fluid, the effect of the escalations is subject to significant levels of uncertainty, with the full range of possible effects unknown.

17 Approval of the financial statements

These financial statements were approved by the Fund's Board on 29 March 2026.
