#### ج. أدوار مجلس إدارة الصندوق ومسؤولياته

تَشمل مسؤوليات أعضاء مجلس إدارة الصندوق، على سبيل المثال لا الحصر، الآتي:

- الموافقة على جميع العقود والقرارات والتقارير الجوهرية التي يكون الصندوق طرفاً فيها.
- اعتماد سياسة مكتوبة فيما يتعلق بحقوق التصويت المتعلقة بأصول الصندوق.
- الإشراف، ومتى كان ذلك مناسباً، الموافقة أو المصادقة على أي تعارض مصالح يفصح عنه مدير الصندوق وفقاً للائحة صناديق الاستثمار.
- 4. الاجتماع مرتين سنوياً على الأقل مع لجنة المطابقة والالتزام لدى مدير الصندوق أو مسؤول المطابقة والالتزام لديه، للتأكد من التزام مدير الصندوق بجميع اللوائح والأنظمة المتبعة.
- 5. الموافقة على جميع التغييرات المنصوص عليها في المادتين (62) و (63) من لائحة صناديق الاستثمار وذلك قبل حصول مدير الصندوق على موافقة مالكي الوحدات والهيئة أو إشعارهم (حيثما ينطبق).
- التأكد من اكتمال ودقة شروط وأحكام الصندوق وأي مستند آخر (سواء أكان عقداً أم غيره) يتضمن إفصاحات تتعلق بالصندوق ومدير الصندوق

- 7. Ensuring that the fund manager carries out its obligations in the best interests of the unitholders, in accordance with the IFRs and the Fund's Terms and Conditions.
- 8. Reviewing the report that includes assessment of the performance and quality of services provided by the parties involved in providing significant services to the fund referred to in Paragraph (I) of Article (9) of IFRs, in order to ensure that the fund manager fulfils his responsibilities in the interest of unitholders in accordance with the Fund's Terms and Conditions and the provisions stipulated in IFRs.
- 9. Assessing the mechanism of the fund manager's handling of the risks related to the fund's assets in accordance with the fund manager's policies and procedures that detect the fund's risks and how to treat such risks.
- 10. Have a fiduciary duty to unitholders, including a duty to act in good faith, a duty to act in the best interests of the unitholders and a duty to exercise all reasonable care and skill.
- 11. Approving the appointment of the external Auditor nominated by the Fund Manager.
- 12. Taking minutes of meetings that provide all deliberations and facts of the meetings and the decisions taken by the fund's board of director.
- 13. Review the report containing all complaints and the measures taken regarding them referred to in Paragraph (m) of Article (9) of IFRs, in order to ensure that the fund manager carries out his responsibilities in a way that serves the interest of unitholders in accordance with the Fund's Terms and Conditions and what contained in this Regulation.

#### d. Remuneration of fund board members

Each member of the Fund's independent Board of Directors receives USD 37,333.33 annually, divided by the number of open-ended public investment funds managed by the Fund Manager and supervised by the Fund Board.

## e. A statement of any conflict or potential conflict of interest between the interests of a fund board member and the interests of the fund

Members of the Fund Board may be members of other funds that may seek investment objectives similar to those of the Fund. Therefore, in the exercise of its business, a member of the Fund Board may find himself in a situation of potential conflict of duties or interests with one or more funds. However, in such cases, the member shall take into account his obligations to act in the best interests of the Unitholders to the maximum practicable extent and not to overlook his obligations to his other clients when he considers any investment that may involve a potential conflict of interest,

وإدارته للصندوق، إضافةً إلى التأكد من توافق ما سبق مع أحكام لائحة صناديق الاستثمار.

- 7. التأكد من قيام مدير الصندوق بمسؤولياته بما يحقق مصلحة مالكي الوحدات وفقاً لشروط وأحكام الصندوق، وأحكام لائحة صناديق الاستثمار.
- 8. الاطلاع على التقرير المتضمن تقييم أداء وجودة الخدمات المقدمة من الأطراف المعنية بتقديم الخدمات الجوهرية للصندوق المشار إليه في الفقرة (ل) من المادة (9) من لائحة صناديق الاستثمار؛ وذلك للتأكد من قيام مدير الصندوق بمسؤولياته بما يحقق مصلحة مالك الوحدات وفقاً لشروط وأحكام الصندوق وما ورد في لائحة صناديق الاستثمار.
- و. تقييم آلية تعامل مدير الصندوق مع المخاطر المتعلقة بأصول الصندوق وفقاً لسياسات وإجراءات مدير الصندوق حيال رصد المخاطر المتعلقة بالصندوق وكيفية التعامل معها.
- العمل بأمانة وحسن نية واهتمام ومهارة وعناية وحرص وبما يحقق مصلحة مالكي الوحدات.
- 11. الموافقة على تعيين مراجع الحسابات بعد ترشيحه من قبل مدير الصندوق.
- تدوين محاضر الاجتماعات التي تشتمل على جميع وقائع الاجتماعات والقرارات التي اتخذها مجلس إدارة الصندوق.
- 13. الاطلاع على التقرير المتضمن جميع الشكاوى والإجراءات المتخذة حيالها المشار إليه في الفقرة (م) من المادة (9) من لائحة صناديق الاستثمار؛ وذلك للتأكد من قيام مدير الصندوق بمسؤولياته بما يحقق مصلحة مالكي الوحدات وفقاً لشروط وأحكام الصندوق وما ورد في لائحة صناديق الاستثمار.

#### د. مكافآت أعضاء مجلس إدارة الصندوق

يتقاضى كل عضو من أعضاء مجلس إدارة الصندوق المستقلين (37,333.33) ألف دولار سنوياً مقسمة على عدد الصناديق العامة المفتوحة المدارة من قبل مدير الصندوق والتي يشرف عليها المجلس.

## ه. تعارض المصالح بين مصالح عضو مجلس إدارة الصندوق ومصالح الصندوق

يجوز لأعضاء مجلس إدارة الصندوق أن يكونوا أعضاء من حين لآخر لصناديق أخرى قد تنشد أهدافاً استثمارية مماثلة لتلك الخاصة بالصندوق. ولذلك، فمن الممكن أن يجد أحد أعضاء مجلس إدارة الصندوق، في نطاق ممارسته لأعماله، أنه في موقف ينطوي على تعارض محتمل في الواجبات أو المصالح مع واحد أو أكثر من الصناديق. وعلى أي حال، ففي تلك الحالات سوف يراعي عضو مجلس الإدارة التزاماته بالتصرف بما يحقق أقصى مصالح مالكي الوحدات المعنيين إلى أقصى درجة ممكنة عملياً، وعدم إغفال التزاماته تجاه عملائه الآخرين عند

# Independent Auditor's Report

To the Unitholders of SNB Capital Asia Pacific Index Fund

#### Opinion

We have audited the financial statements of **SNB Capital Asia Pacific Index Fund** (the "Fund") managed by the SNB Capital Company (the "Fund Manager"), which comprise the statement of financial position as at 31 December 2022, the statements of profit or loss and other comprehensive income, changes in net assets attributable to the Unitholders and cash flows for the year then ended, and notes to the financial statements, comprising significant accounting policies and other explanatory information.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Fund as at 31 December 2022, and its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards ("IFRS") that are endorsed in the Kingdom of Saudi Arabia and other standards and pronouncements issued by the Saudi Organization for Chartered and Professional Accountants ("SOCPA").

#### Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Fund in accordance with the International Code of Ethics for Professional Accountants (including International Independence Standards), that is endorsed in the Kingdom of Saudi Arabia (the "Code"), that are relevant to our audit of the financial statements, and we have fulfilled our other ethical responsibilities in accordance with the Code's requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Responsibilities of the Fund Manager and Those Charged with Governance for the Financial Statements

The Fund Manager is responsible for the preparation and fair presentation of the financial statements in accordance with IFRS that are endorsed in the Kingdom of Saudi Arabia and other standards and pronouncements issued by the SOCPA, and to comply with the applicable provisions of the Investment Funds Regulations issued by the Capital Market Authority ("CMA"), the Fund's terms and conditions, and for such internal control as the Fund Manager determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Fund Manager is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Fund Manager either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, the Fund Board, are responsible for overseeing the Fund's financial reporting process.

KPMG Professional Services, a professional closed joint stock company registered in the Kingdom of Saudi Arabia with the paid-up capital of SAR (40,000,000). Previously known as "KPMG Al Fozan & Partners Certified Public Accountants". A non-partner member firm of the KPMG global organization of independent member firms affiliated with KPMG International Limited, a private English company limited by guarantee. All rights reserved.

# Independent Auditor's Report

To the Unitholders of SNB Capital Asia Pacific Index Fund (continued)

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. 'Reasonable assurance' is a high level of assurance, but is not a guarantee that an audit conducted in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia, will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or
  error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is
  sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material
  misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve
  collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that
  are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness
  of the Fund Manager's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Fund Manager.
- Conclude on the appropriateness of the Fund Manager's use of the going concern basis of accounting
  and, based on the audit evidence obtained, whether a material uncertainty exists related to events or
  conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we
  conclude that a material uncertainty exists, then we are required to draw attention in our auditor's report to
  the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our
  opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report.
  However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the
  disclosures, and whether the financial statements represent the underlying transactions and events in a
  manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit of **SNB Capital Asia Pacific Index Fund** (the "Fund").

## NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 December 2022 Expressed in US Dollars '000 (unless otherwise stated)

## 1. <u>THE FUND AND ITS ACTIVITIES</u>

SNB Capital Asia Pacific Index (the "Fund") is a Shariah compliant, open-ended investment fund, established under article 31 of the Investment Funds Regulations, managed by the SNB Capital Company (the "Fund Manager"), a subsidiary of the Saudi National Bank (the "Bank"), for the benefit of the Fund's Unitholders

The Fund's investments are held by Northern Trust Corporation, a custodian appointed by the Fund Manager.

The Fund Manager has appointed an international investment house, Amundi - France, as sub-manager to the Fund. Their duties include opening separate independent investment accounts and managing the Fund's assets in line with the investment strategies and Shariah guidelines.

The objective of the Fund is to invest in securities of Shariah compliant companies listed on major South-East Asian, Asia Pacific and Japanese stock exchanges. Surplus cash balances is invested in Shariah compliant money market and Murabaha funds and / or placed in Murabaha contracts.

The terms and conditions of the Fund were originally approved by the Saudi Central Bank ("SAMA") and subsequently endorsed by the Capital Market Authority ("CMA") through its letter dated 18 Dhul Hijja 1429H (corresponding to 16 December 2008).

The Fund is governed by the Investment Funds Regulations (the "Regulations") published by Capital Market Authority ("CMA") on 3 Dhul Hijja 1427H (corresponding to 24 December 2006) The Regulations were amended on 12 Rajab 1442H (corresponding to 24 February 2021).

## 2. BASIS OF ACCOUNTING

These financial statements of the Fund have been prepared in accordance with International Financial Reporting Standards ("IFRS") as endorsed in the Kingdom of Saudi Arabia and other standards and pronouncements issued by the Saudi Organization for Chartered and Professional Accountants ("SOCPA"), and comply with the applicable provisions of the Investment Funds Regulations issued by the CMA and the Fund's terms and conditions.

## 3. BASIS OF MEASUREMENT

The financial statements have been prepared on a historical cost convention using the accrual basis of accounting and going concern concept except for investments measured at fair value through profit or loss ("FVTPL") which are recorded at fair value.

The Fund does not have a clearly identifiable operating cycle and therefore does not present current and noncurrent assets and liabilities separately in the statement of financial position. Instead, assets and liabilities are presented in order of their liquidity.

## 4. <u>FUNCTIONAL AND PRESENTATION CURRENCY</u>

Items included in the financial statements are measured using the currency of the primary economic environment in which the Fund operates (the "functional currency"). If indicators of the primary economic environment are mixed, then Fund Manager uses judgement to determine the functional currency that most faithfully effects the economic effect of the underlying transactions, events, and conditions. The Fund's investments transactions are denominated in Japanese Yen, Australian Dollar, and certain other foreign currencies. Investor subscriptions and redemptions are determined based on the net asset value and received and paid in US Dollar and expenses of the Fund are also paid in US Dollar. Accordingly, Fund Manager has determined that the functional currency of the Fund is US Dollar ("USD").

## NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 December 2022 Expressed in US Dollars '000 (unless otherwise stated)

## 4. <u>FUNCTIONAL AND PRESENTATION CURRENCY (CONTINUED)</u>

These financial statements are presented in United States Dollar ("USD") which is the Fund's functional and presentation currency and have been rounded off to the nearest thousand unless otherwise stated.

## 5. <u>CHANGES IN FUND'S TERMS AND CONDITIONS</u>

During the year, there have been no changes in the terms and conditions of the Fund.

## 6. <u>CRITICAL ACCOUNTING JUDGEMENTS, ESTIMATES AND ASSUMPTIONS</u>

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the year in which the estimates are revised and in any future years affected.

#### Fair value estimation

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

When available, the Fund measures the fair value of an instrument using the quoted price in an active market for that instrument. A market is regarded as active if transactions for the asset or liability take place with sufficient frequency and volume to provide pricing information on an on-going basis. The Fund measures instruments quoted in an active market at a market price, because this price is assessed to be a reasonable approximation of the exit price.

If there is no quoted price in an active market, then the Fund uses valuation techniques that maximise the use of relevant observable inputs and minimise the use of unobservable inputs. The chosen valuation technique incorporates all of the factors that market participants would take into account in pricing a transaction. The Fund recognizes transfer between levels of fair value at the end of the reporting period during which the change has occurred.

The fair value hierarchy has the following levels:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly; and
- Level 3: unobservable inputs for the asset or liability.

The Fund has classified the investments measured at FVTPL as per the fair value hierarchy as level 1. During the year, there has been no transfer in fair value hierarchy for FVTPL investments. For other financial assets and liabilities not measured at fair value such as cash and cash equivalents, other receivables and other payables, the carrying values were determined to be a reasonable approximation of fair value due to their short-term nature. The Fund has classified cash and cash equivalents as level 1 while remaining financial assets and liabilities are classified as level 3 as per the fair value hierarchy.

## NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 December 2022 Expressed in US Dollars '000 (unless otherwise stated)

## 7. <u>SIGNIFICANT ACCOUNTING POLICIES</u>

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented.

## 7.1 Cash and cash equivalents

Cash and cash equivalents include cash at bank and short term, highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value. Cash and cash equivalents include bank balances.

## 7.2 Financial assets and liabilities

## Classification of financial assets

On initial recognition, a financial asset is measured at its fair value and classified at amortised cost, fair value through other comprehensive income ("FVOCI") or fair value through profit or loss ("FVTPL").

## Financial assets measured at amortised cost

A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as measured at FVTPL:

- it is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- its contractual terms give rise on specified dates to cash flows that are solely payments of principal and commission on the principal amount outstanding.

## Financial assets measured at FVOCI

A financial asset is measured at FVOCI only if it meets both of the following conditions and is not designated as measured at FVTPL.

- it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and
- its contractual terms give rise on specified dates to cash flows that are solely payments of principal and commission on the principal amount outstanding.

On initial recognition of an equity investment that is not held for trading, the Fund Manager may irrevocably elect to present subsequent changes in fair value in OCI. This election is made on an investment-by-investment basis.

## Financial assets measured at FVTPL

All financial assets not classified as measured at amortised cost or FVOCI are measured at FVTPL.

## NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 December 2022 Expressed in US Dollars '000 (unless otherwise stated)

## 7. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### 7.2 Financial assets and liabilities (continued)

#### Classification of financial assets (continued)

#### Business model assessment

The Fund Manager assesses the objective of a business model in which an asset is held at a portfolio level because this best reflects the way the business is managed and information is provided to management. The information considered includes:

- the stated policies and objectives for the portfolio and the operation of those policies in practice;
- how the performance of the portfolio is evaluated and reported to the Fund Manager;
- the risks that affect the performance of the business model (and the financial assets held within that business model) and how those risks are managed;
- how managers of the business are compensated for example, whether compensation is based on the fair value of the assets managed or the contractual cash flows collected; and
- the frequency, volume and timing of sales in prior periods, the reasons for such sales and its expectations about future sales activity. However, information about sales activity is not considered in isolation, but as part of an overall assessment of how the Fund's stated objective for managing the financial assets is achieved and how cash flows are realized.

The business model assessment is based on reasonably expected scenarios without taking 'worst case' or 'stress case' scenarios into account. If cash flows after initial recognition are realized in a way that is different from the Fund's original expectations, the Fund does not change the classification of the remaining financial assets held in that business model, but incorporates such information when assessing newly purchased financial assets going forward.

Financial assets that are held for trading and whose performance is evaluated on a fair value basis are measured at FVTPL because they are neither held to collect contractual cash flows nor held both to collect contractual cash flows and to sell financial assets.

## Assessment whether contractual cash flows are solely payments of principal and commission

For the purposes of this assessment, 'principal' is defined as the fair value of the financial asset on initial recognition. Interest or 'commission' is defined as consideration for the time value of money and for the credit risk associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs (for example, liquidity risk and administrative costs), as well as profit margin.

In assessing whether the contractual cash flows are solely payments of principal and commission, the Fund considers the contractual terms of the instrument. This includes assessing whether the financial asset contains a contractual term that could change the timing or amount of contractual cash flows such that it would not meet this condition. In making the assessment, the Fund considers:

- contingent events that would change the amount and timing of cash flows;
- leverage features;
- prepayment and extension terms;
- terms that limit the Fund's claim to cash flows from specified assets (for example, non-recourse asset arrangements); and
- features that modify consideration of the time value of money for example, periodical reset of interest / commission rates.

## NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 December 2022 Expressed in US Dollars '000 (unless otherwise stated)

## 7. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### 7.2 Financial assets and liabilities (continued)

#### Classification of financial assets (continued)

#### **Reclassifications**

Financial assets are not reclassified subsequent to their initial recognition, except in the period after the Fund changes its business model for managing financial assets.

## Classification of financial liabilities

The Fund classifies its financial liabilities at amortised cost unless it has designated liabilities at FVTPL.

#### **Recognition and initial measurement**

Financial assets and liabilities measured at FVTPL are initially recognized on the trade date, which is the date on which the Fund becomes a party to the contractual provisions of the instrument. The Fund shall recognise a financial asset or a financial liability in its statement of financial position when, and only when, the entity becomes party to the contractual provisions of the instrument. Other financial assets and financial liabilities are recognized on the date on which they are originated.

A financial asset or financial liability is measured initially at fair value plus or minus, for an item not at FVTPL, transaction costs that are directly attributable to its acquisition issue.

#### Subsequent measurement

Financial assets measured at FVTPL are subsequently measured at fair value. Net gain or losses including any foreign exchange gains and losses, are recognized in profit or loss in 'realized and unrealized gain / (loss) on FVTPL investments – net' in the statement of profit or loss and other comprehensive income.

Financial assets and financial liabilities measured at amortised cost are subsequently measured at amortised cost using the effective interest / commission rate method and is recognized in the statement of profit or loss and other comprehensive income. Any gain or loss on de-recognition is also recognized in the statement of profit or loss and other comprehensive income. The 'amortised cost' of a financial asset or financial liability is the amount at which the financial asset or financial liability is measured on initial recognition minus the principal repayments, plus or minus the cumulative commission using effective interest / commission rate method of any difference between that initial amount and the maturity amount and, for financial assets, adjusted for any expected credit loss allowance.

## Derecognition

The Fund derecognizes a financial asset when the contractual rights to the cash flow from the asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Fund neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

On derecognition of the financial asset, the difference between the carrying amount of the asset (or the carrying amount allocated to the portion of the asset that is derecognised) and the consideration received (including any new asset obtained less any new liability assumed) is recognized in the statement of profit or loss and other comprehensive income. Any commission in such transferred financial assets that is created or retained by the Fund is recognized as a separate asset or liability.

## NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 December 2022 Expressed in US Dollars '000 (unless otherwise stated)

## 7. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### 7.2 Financial assets and liabilities (continued)

#### **Derecognition** (continued)

The Fund enters into transactions whereby it transfers assets recognized on its statement of financial position but retains either all or substantially all of the risks and rewards of the transferred assets or a portion of them. If all or substantially all of the risk and rewards are retained, then the transferred assets are not derecognized. The Fund derecognizes a financial liability when its contractual obligations are discharged or cancelled, or expire.

## Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the statement of financial position when, and only when, the Fund has a legally enforceable right to offset the amounts and intends either to settle them on a net basis or to realize the asset and settle the liability simultaneously.

Income and expenses are presented on a net basis for gains and losses from financial instruments at FVTPL and foreign exchange gains and losses.

#### 7.3 Provisions

A provision is recognised when the Fund has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and a reliable estimate of the amount can be made. Provisions are not recognised for future operating losses.

#### 7.4 Net assets value per unit

The net assets per unit is calculated by dividing the net assets attributable to the Unitholders included in the statement of financial position by the number of units outstanding at the year end.

## 7.5 Units in issue

The Fund classifies financial instruments issued as financial liabilities or equity instruments in accordance with the substance of the contractual terms of the instruments.

The Fund has redeemable units in issue. On liquidation of the Fund, they entitle the holders to the residual net assets. They rank pari passu in all respects and have identical terms and conditions. The redeemable units provide investors with the right to require redemption for cash at a value proportionate to the investor's share in the Fund's net assets at each redemption date as well as in the event of the Fund's liquidation.

Redeemable units are classified as equity as these meets all of the following conditions:

- they entitle the holder to a pro rata share of the Fund's net assets in the event of the Fund's liquidation;
- they are in the class of instruments that is subordinate to all other classes of instruments;
- all financial instruments in the class of instruments that are subordinate to all other classes of instruments have identical features;
- the instruments do not include any other features that would require classification as a liability; and
- the total expected cash flows attributable to the instruments over their life are based substantially on the profit or loss, the change in recognized net assets or the change in the fair value of the recognized and unrecognized net assets of the Fund over the life of the instruments.

Incremental costs directly attributable to the issue or redemption of redeemable units are recognized directly in net assets as a deduction from the proceeds or part of the acquisition cost.

## NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 December 2022 Expressed in US Dollars '000 (unless otherwise stated)

## 7. <u>SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)</u>

## 7.6 Taxation / Zakat

Under the current system of Zakat and income tax in the Kingdom of Saudi Arabia, the Fund is exempt from paying any Zakat and income tax. Zakat and income tax are considered to be the obligation of the Unitholders and are not provided in the financial statements.

The value added tax ("VAT") applicable for fees and expenses are recognized in the statement of profit or loss and other comprehensive income.

## 7.7 Dividend income

Dividend income is recognized in statement of profit or loss and other comprehensive income on the date on which the right to receive payment is established. For quoted equity securities, this is usually the exdividend date. For unquoted equity securities, this is usually the date on which the shareholders approve the payment of dividend. Dividend income from equity securities designated as measured at FVTPL is recognized in statement of profit or loss and other comprehensive income in a separate line item.

## 7.8 Management fees expense

Management fees expense is recognized in the statement of profit or loss and other comprehensive income as the related services are performed.

## 7.9 Accrued expenses and other payables

Accrued expenses and other payables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest / commission rate method.

## 7.10 New standards, interpretations and amendments thereof, adopted by the Fund

Below amendments to accounting standards and interpretations became applicable for annual reporting periods commencing on or after 1 January 2022. The Fund manager has assessed that the amendments have no significant impact on the Fund's financial statements.

## Standards, interpretations and amendments

COVID-19-Related Rent Concessions beyond 30 June 2021 – Amendment to IFRS 16 Amendments to IAS 37 - Onerous Contracts – Cost of Fulfilling a Contract Annual Improvements to IFRS Standards 2018-2020 Reference to the Conceptual Framework (Amendments to IFRS 3) Property, Plant and Equipment: Proceeds before Intended Use (Amendments to IAS 16)

## NOTES TO THE FINANCIAL STATEMENTS

#### 7.11 Standards, interpretations and amendments issued but not yet effective

Standards, interpretations and amendments issued but not yet effective are listed below. The Fund intends to adopt these standards when they become effective.

| Standards, interpretations and amendments         | Description                                                                            | Effective from periods<br>beginning on or after the<br>following date        |
|---------------------------------------------------|----------------------------------------------------------------------------------------|------------------------------------------------------------------------------|
|                                                   | £                                                                                      | . 0                                                                          |
| Amendments to IAS 1 and IFRS practice statement 2 | Disclosure of accounting policies                                                      | 1 January 2023                                                               |
| Amendments to IAS 8                               | Definition of accounting estimates                                                     | 1 January 2023                                                               |
| Amendments to IAS 12                              | Deferred tax related to assets and<br>liabilities arising from a single<br>transaction | 1 January 2023                                                               |
| Amendments to IFRS 17                             | Insurance Contracts                                                                    | 1 January 2023                                                               |
| Amendments to IFRS 16                             | Lease Liability in a Sale and Leaseback transaction                                    | 1 January 2024                                                               |
| Amendments to IAS 1                               | Classification of liabilities as current or non-current                                | 1 January 2024                                                               |
| Amendments to IFRS 10 and IAS 28                  | Sale or contribution of assets between investor or Joint Venture                       | Available for optional<br>adoption / effective date<br>deferred indefinitely |

The above standards, interpretations and amendments are not expected to have a significant impact on the Fund's financial statements.

## 8. <u>CASH AND CASH EQUIVALENTS</u>

This comprises of balances held with an international bank having sound credit rating held in a commission bearing account at prevailing market rates.

## 9. INVESTMENTS – MEASURED AT FAIR VALUE THROUGH PROFIT OR LOSS

The composition of equity investments measured at FVTPL by currency is summarized below:

|                      |                                 | <b>31 December 2022</b>                          |             |                   |
|----------------------|---------------------------------|--------------------------------------------------|-------------|-------------------|

#### NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 December 2022 Expressed in US Dollars '000 (unless otherwise stated)

## 10. UNITS TRANSACTIONS

Transactions in units during the year are summarized as follows:

|                                    | For the year ended 31 December       |                               |  |
|------------------------------------|--------------------------------------|-------------------------------|--|
|                                    | <u>2022</u><br><u>Units in '000s</u> | <u>2021</u><br>Units in '000s |  |
| Units at the beginning of the year | 38,103                               | 31,118                        |  |
| Units issued                       | 12,655                               | 14,877                        |  |
| Units redeemed                     | (21,929)                             | (7,892)                       |  |
| Net (decrease) / increase in units | (9,274)                              | 6,985                         |  |
| Units at the end of the year       | 28,829                               | 38,103                        |  |

As at 31 December 2022, the top five Unitholders represented 63.21% (2021: 55.5%) of the Fund's units.

## 11. RELATED PARTY TRANSACTIONS AND BALANCES

The related parties of the Fund include the Fund Manager, the Fund Board, other funds managed by the Fund Manager, and the Saudi National Bank, being parent of the Fund Manager.

## Management fees and other expenses

The Fund is managed and administered by the Fund Manager. For these services, the Fund accrues, daily a management fee up to a maximum of 0.3% (2021: 0.3%) per annum of the Fund's daily equity as set out in the Fund's terms and conditions.

The Fund Manager is also entitled to recover expenses incurred on behalf of the Fund relating to audit, custody, advisory, data processing and other similar charges. The maximum amount of such expenses that can be recovered from the Fund by the Fund Manager is restricted to 0.5% (2021: 0,5%) per annum of the Fund's equity at the respective valuation days. These expenses have been recovered by the Fund Manager on an actual basis.

Following are the details of transactions and balances with fund manager related to management fees and other expenses:

| -                      |                                     | Amount of transaction for the year ended 31 December |             | Payabl<br>31 Dec |      |

## 12. FINANCIAL RISK MANAGEMENT

## 12.1 Financial risk factors

The Fund's activities expose it to a variety of financial risks including market risk, credit risk, liquidity risk and operational risk.

The Fund Manager is responsible for identifying and controlling risks. The Fund Board supervises the Fund Manager and is ultimately responsible for the overall management of the Fund.

Monitoring and controlling risks is primarily set up to be performed based on the limits established in the terms and conditions document which sets out the Fund's overall business strategies, tolerance of risks and general risk management philosophy. In accordance with the terms and conditions of the Fund, the Fund Manager is obliged to take actions to re-balance the portfolio in line with the investment guidelines when needed.

## NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 December 2022 Expressed in US Dollars '000 (unless otherwise stated)

## 12. FINANCIAL RISK MANAGEMENT (CONTINUED)

#### 12.1 Financial risk factors

#### 12.1.1 Market risk

'Market Risk' is the risk that changes in market prices – such as commission rates, foreign exchange rates, equity prices and credit spreads – will affect the Fund's income or the fair value of its holdings in financial instruments.

#### *a)* Foreign exchange risk

Foreign exchange risk is the risk that the value of future cash flows of a financial instrument will fluctuate due to changes in foreign exchange rates and arises from financial instruments denominated in foreign currencies.

The Fund's financial assets and liabilities are denominated in currencies other than its functional currency. Accordingly, the value of the Fund's assets may be affected favorably or adversely by fluctuations in other currency rates.

The effect on net assets of a reasonably possible notional movement of the US Dollar against the underlying currencies of the financial assets in foreign currencies with all other variables held constant is as follows:

|                    | Change in<br><u>market rates</u> | 31 December<br><u>2022</u> | 31 December<br><u>2021</u> |
|--------------------|----------------------------------|----------------------------|----------------------------|
| Japanese Yen       | ±10%                             | ±3,467                     | $\pm 5,984$                |
| Australian Dollar  | ±10%                             | ±1,020                     | $\pm 1,676$                |
| Hong Kong Dollar   | ±10%                             | ±117                       | $\pm 372$                  |
| New Zealand Dollar | ± 10%                            | ±79                        | ± 122                      |
| Singapore Dollar   | ±10%                             | ±57                        | $\pm 66$                   |

#### *b) Commission rate risk*

Commission rate risk is the risk that the value of the future cash flows of a financial instrument or fair values of fixed coupon financial instruments will fluctuate due to changes in market commission rates.

All the assets and liabilities of the Fund are non-commission bearing therefore the Fund is not exposed to commission rate risk.

#### c) Other price risk

Other price risk is the risk that the value of the Fund's financial instruments will fluctuate as a result of changes in market prices caused by factors other than foreign currency and commission rate movements. Other price risk arises primarily from uncertainty about the future prices of financial instruments that the Fund holds. The Fund Manager daily monitors concentration of risk in equity securities based on company and industries in line with defined limits while closely tracking the portfolio level volatilities. As of the statement of financial position date, the Fund has investments in quoted equity securities which are exposed to other price risk.

## NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 December 2022 Expressed in US Dollars '000 (unless otherwise stated)

## 12. FINANCIAL RISK MANAGEMENT (CONTINUED)

#### 12.1 Financial risk factors (continued)

#### 12.1.1 Market risk(continued)

#### *c) Other price risk (continued)*

The effect on net assets attributable to the Unitholders (as a result of the change in the fair value of investments) due to a reasonably possible notional change in market value of 10% in the value of investments, with all other variables held constants, is as follows:

|                                                      | <u>31 December</u> | 31 December |
|------------------------------------------------------|--------------------|-------------|
|                                                      | <u>2022</u>        | <u>2021</u> |
| Effect on net assets attributable to the Unitholders | ±4,788             | ±8,325      |

## 12.1.2 Credit risk

Credit risk is the risk that one party to a financial instrument will fail to discharge their obligation and cause the other party to incur a financial loss. The Fund Manager seeks to manage credit risk by monitoring credit exposures, limiting transactions with specific counterparties, and continually assessing the creditworthiness of counterparties.

As at the statement of financial position date, the Fund's significant exposure to credit risk arises from cash and cash equivalents, which represents balances with a local bank having Moody's credit rating of A2 which is in line with globally understood definition of investment grade. Accordingly, there is no impact of expected credit loss allowance on these financial assets.

## 12.1.3 Liquidity risk

Liquidity risk is the risk that the Fund may not be able to generate sufficient cash resources to settle its obligations in full as they fall due or can only do so on terms that are materially disadvantageous.

The Fund's terms and conditions provide for subscription and redemption of units on every Saudi and US Business Day (Monday to Thursday), and it is, therefore, exposed to the liquidity risk of not being able to meet the Unitholder's redemption requests on these days. The Fund Manager monitors liquidity requirements by ensuring that sufficient funds are available to meet any commitments as they arise, either through new subscriptions, liquidation of the investment portfolio or by taking short-term loans from the facilities obtained by the Fund Manager.

The Fund manages its liquidity risk by investing predominantly in securities that it expects to be able to liquidate within a short period of time.

## 12.1.4 Operational risk

Operational risk is the risk of direct or indirect losses arising from a variety of causes associated with the processes, technology and infrastructure supporting the Fund's activities either internally or externally at the Fund's service provider and from external factors other than credit, liquidity, currency, and market risks such as those arising from the legal and regulatory requirements.

## NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 December 2022 Expressed in US Dollars '000 (unless otherwise stated)

## 12. FINANCIAL RISK MANAGEMENT (CONTINUED)

## 12.1 Financial risk factors (continued)

## 12.1.4 Operational risk (continued)

The Fund's objective is to manage operational risk so as to balance limiting of financial losses and damage to its reputation with achieving its investment objective of maximizing returns to the Unitholders.

The primary responsibility for the development and implementation of control over operational risks rests with the Risk Management Team. This responsibility is supported by the development of overall standard for the management of operational risk, which encompasses the controls and processes at the service providers and the establishment of service level agreements with the service providers, in the following areas:

- documentation of controls and procedures;
- requirements for
  - appropriate segregation of duties between various functions, roles, and responsibilities;
  - reconciliation and monitoring of transactions; and
  - periodic assessment of operational risks faced;
- the adequacy of controls and procedures to address the risks identified;
- compliance with regulatory and other legal requirements;
- development of contingency plans;
- training and professional development;
- ethical and business standards; and
- risk mitigation.

# 13. <u>LAST VALUATION DAY</u>

The last valuation of day was 30 December 2022 (2021: 30 December 2021).

## 14. EVENTS AFTER THE END OF THE REPORTING PERIOD

There was no event subsequent to the statement of financial position date which required adjustment of or disclosure in the financial statements or notes thereto.

## 15. <u>APPROVAL OF THE FINANCIAL STATEMENTS</u>

These financial statements were approved by the Fund Board on 16 Sha'ban 1444H corresponding to 08 March 2023.
