# Independent auditor's report on review of condensed interim financial statements

To the Unitholders of the SNB Capital Multi-Asset Conservative Fund

## Introduction

We have reviewed the accompanying 30 June 2023 condensed interim financial statements of the **SNB Capital Multi-Asset Conservative Fund** (the "Fund"), managed by the SNB Capital Company (the "Fund Manager"), which comprises:

- the condensed statement of financial position as at 30 June 2023;
- the condensed statement of profit or loss and other comprehensive income for the six-month period ended 30 June 2023;
- the condensed statement of changes in net assets attributable to the Unitholders for the six-month period ended 30 June 2023;
- the condensed statement of cash flows for the six-month period ended 30 June 2023; and
- the notes to the condensed interim financial statements.

The Fund Manager is responsible for the preparation and presentation of these condensed interim financial statements in accordance with IAS 34, 'Interim Financial Reporting' that is endorsed in the Kingdom of Saudi Arabia and to comply with the applicable provisions of the Investment Funds Regulations issued by the Capital Market Authority and the Fund's terms and conditions. Our responsibility is to express a conclusion on these condensed interim financial statements based on our review.

## Scope of review

We conducted our review in accordance with the International Standard on Review Engagements 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity' that is endorsed in the Kingdom of Saudi Arabia. A review of condensed interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia, and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

## Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying 30 June 2023 condensed interim financial statements of the **SNB Capital Multi-Asset Conservative Fund** are not prepared, in all material respects, in accordance with IAS 34, 'Interim Financial Reporting' that is endorsed in the Kingdom of Saudi Arabia.

**1. THE FUND AND ITS ACTIVITIES**

SNB Capital Multi-Asset Conservative Fund (the “Fund”) is a Shariah compliant, open-ended investment fund, established under article 31 of the Investment Funds Regulations (the “Regulations”) issued by the Capital Market Authority (“CMA”) and managed by the SNB Capital Company (the “Fund Manager”), a subsidiary of the Saudi National Bank (the “Bank”), for the benefit of the Fund’s Unitholders.

The Fund’s objective is to achieve capital growth over the medium to long term to protect the capital by investing in a diversified portfolio of asset classes.

The terms and conditions of the Fund were issued on 5 Shaban 1424 H (corresponding to 1 October 2003). The Fund commenced its activities on 6 Shaban 1424 H (corresponding to 2 October 2003).

**2. REGULATING AUTHORITY**

The Fund is governed by the Investment Fund Regulations (the “Regulation”) published by the CMA’s Board Resolution no. (1-219-2006) dated 3 Dhul Hijja 1427 H (corresponding to 24 December 2006) thereafter amended pursuant to the CMA’s Board Resolution no. (2-22-2021) dated 12 Rajab 1442 H (corresponding to 24 February 2021), detailing requirements for all funds within the Kingdom of Saudi Arabia.

**3. BASIS OF ACCOUNTING**

These condensed interim financial statements of the Fund have been prepared in accordance with IAS 34, ‘Interim Financial Reporting’ that is endorsed in the Kingdom of Saudi Arabia and comply with the applicable provisions of the Regulations and the Fund’s terms and conditions.

The condensed interim financial statements do not include all information and disclosures required for a complete set of financial statements and should be read in conjunction with the annual audited financial statements of the Fund as at and for the year ended 31 December 2022.

**4. BASIS OF MEASUREMENT AND PRESENTATION**

These condensed interim financial statements have been prepared on a historical cost convention using the accrual basis of accounting and going concern concept except for investments measured at fair value through profit or loss (“FVTPL”) which are recorded at fair value.

The Fund does not have a clearly identifiable operating cycle and therefore does not present current and non-current assets and liabilities separately in the condensed statement of financial position. Instead, assets and liabilities are presented in order of their liquidity.

**5. FUNCTIONAL AND PRESENTATION CURRENCY**

Items included in the condensed interim financial statements are measured using the currency of the primary economic environment in which the Fund operates (the “functional currency”). If indicators of the primary economic environment are mixed, then the Fund Manager uses judgement to determine the functional currency that most faithfully represents the economic effect of the underlying transactions, events, and conditions. The Fund’s investments transactions are denominated in United States Dollar (“USD”), Saudi Riyal and Australian Dollar. Investor subscriptions and redemptions are determined based on the net asset value and received and paid in USD and expenses of the Fund are also paid in USD. Accordingly, the Fund Manager has determined that the functional currency of the Fund is USD.

These condensed interim financial statements are presented in USD which is the Fund’s functional and presentation currency and have been rounded off to the nearest thousand unless otherwise stated.

---

**6. CHANGES IN THE FUND'S TERMS AND CONDITIONS**

During the period, there has been no revision to the terms and conditions of the Fund.

**7. CRITICAL ACCOUNTING JUDGEMENTS, ESTIMATES AND ASSUMPTIONS**

The preparation of the condensed interim financial statements requires the Fund Manager to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. The basis and the methods used for critical accounting judgements, estimates and assumptions adopted are consistent with those used in the preparation of the annual audited financial statements of the Fund for the year ended 31 December 2022.

**8. SIGNIFICANT ACCOUNTING POLICIES**

The principal accounting policies applied in the preparation of these condensed interim financial statements are consistent with those used in the preparation of the annual audited financial statements of the Fund for the year ended 31 December 2022.

*a. Standards, interpretations and amendments thereof, adopted by the Fund*

Below amendments to accounting standards, interpretations and amendments became applicable for annual reporting periods commencing on or after 1 January 2023. The Fund Manager has assessed that the amendments have no significant impact on the Fund's condensed interim financial statements.

Amendments to IAS 1 and IFRS practice statement 2 - *Disclosure of accounting policies*

Amendments to IAS 8 - *Definition of accounting estimates*

Amendments to IAS 12 - *Deferred tax related to assets and liabilities arising from a single transaction*

Amendments to IFRS 17 - *Insurance contracts*

*b. Standards, interpretations and amendments issued but not yet effective*

Standards, interpretations and amendments issued but not yet effective up to the date of issuance of the Fund's condensed interim financial statements are listed below. The Fund intends to adopt these standards when they become effective.

<i><b>Standards, interpretations and amendments</b></i>	<i><b>Description</b></i>	<i><b>Effective from periods beginning on or after the following date</b></i>
Amendments to IAS 1	Classification of liabilities as current or non-current and non current liabilities with covenants	1 January 2024

**11. RELATED PARTY TRANSACTIONS AND BALANCES**

The related party of the Fund includes the Fund Manager, Fund Board, other funds managed by the Fund Manager, and the Saudi National Bank, being parent of the Fund Manager.

***Management fees and other expenses***

The Fund is managed and administered by the Fund Manager. For these services, the Fund accrues, daily a management fee, which should not be more than the maximum annual rate of 1% (2022: 1%) per annum of the Fund's daily net assets value as set out in the Fund's terms and conditions.

The Fund Manager is also entitled to recover expenses incurred on behalf of the Fund relating to audit, custody, advisory, data processing and other similar charges. The maximum amount of such expenses that can be recovered from the Fund by the Fund Manager is restricted to 0.5% (2022: 0.5%) per annum of the Fund's net assets value at the respective valuation days. These expenses have been recovered by the Fund Manager on an actual basis.

During the period, the Fund has entered into following transactions, other than those disclosed elsewhere in these condensed interim financial statements, with related parties in the ordinary course of business. These transactions were carried out on the basis of approved terms and conditions of the Fund.

**12. RECONCILIATION OF CHANGES IN NET ASSETS**

As per the requirements of CMA circular dated 31 December 2017, the Fund calculates provision for impairment in respect of debt investments measured at amortised cost using the incurred loss model, whereas IFRS 9 requires provisions to be measured using the ECL method. This has resulted in a difference between net assets calculated as per the CMA circular ("trading net assets") and as per requirements of IFRS 9 ("reported net assets"). The following table shows the reconciliation between the Fund's reported net assets and trading net assets:

	<b>30 June 2023 (Unaudited)</b>	<b>31 December 2022 (Audited)</b>
Reported net assets of the Fund	<b>143,623</b>	145,073
Add: Allowance for expected credit losses	<b>16</b>	14
	<b>143,639</b>	145,087
Less: Provision for incurred credit losses	<b>--</b>	--
Traded net assets of the Fund	<b>143,639</b>	145,087
Number of units in issue	<b>79,340</b>	85,646
Traded net assets per unit of the Fund	<b>1.8104</b>	1.6940

**13. FAIR VALUE MEASUREMENT**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

When available, the Fund measures the fair value of an instrument using the quoted price in an active market for that instrument. A market is regarded as active if transactions for the asset or liability take place with sufficient frequency and volume to provide pricing information on an on-going basis. The Fund measures instruments quoted in an active market at a market price, because this price is assessed to be a reasonable approximation of the exit price.

If there is no quoted price in an active market, then the Fund uses valuation techniques that maximise the use of relevant observable inputs and minimise the use of unobservable inputs. The chosen valuation technique incorporates all of the factors that market participants would take into account in pricing a transaction. The Fund recognises transfer between levels of fair value at the end of the reporting period during which the change has occurred.

The fair value hierarchy has the following levels:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly; and
- Level 3: unobservable inputs for the asset or liability.

*Carrying amounts and fair value*

The following table shows the carrying amounts and fair values of financial instruments, including their levels in the fair value hierarchy. It does not include fair value information for financial assets and financial liabilities not measured at fair value if the carrying amount is a reasonable approximation of fair value.

The Fund has classified investments measured at fair value through profit or loss ("FVTPL") as level 1 as per the fair value hierarchy except for investments in unlisted open ended investment funds which are measured using unadjusted net asset value and are classified as level 2 as per fair value hierarchy.

During the period, there has been no transfer in fair value hierarchy for investments at FVTPL. For other assets and liabilities, such as investments measured at amortised cost, other receivables and other payables, the carrying values were determined to be a reasonable approximation of fair value due to their short-term nature and frequent repricing.
