Independent auditor's report on review of condensed interim financial statements

To the Unitholders of the SNB Capital Al-Raed Saudi Equity Fund

Introduction

We have reviewed the accompanying 30 June 2024 condensed interim financial statements of the **SNB Capital Al-Raed Saudi Equity Fund** (the "Fund"), managed by the SNB Capital Company (the "Fund Manager"), which comprises:

- the condensed statement of financial position as at 30 June 2024;
- the condensed statement of profit or loss and other comprehensive income for the six-month period ended 30 June 2024;
- the condensed statement of changes in net assets attributable to the Unitholders for the six-month period ended 30 June 2024;
- the condensed statement of cash flows for the six-month period ended 30 June 2024; and
- the notes to the condensed interim financial statements.

The Fund Manager is responsible for the preparation and presentation of these condensed interim financial statements in accordance with IAS 34, 'Interim Financial Reporting', that is endorsed in the Kingdom of Saudi Arabia and to comply with the applicable provisions of the Investment Funds Regulations issued by the Capital Market Authority and the Fund's terms and conditions. Our responsibility is to express a conclusion on these condensed interim financial statements based on our review.

Scope of review

We conducted our review in accordance with the International Standard on Review Engagements 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity' that is endorsed in the Kingdom of Saudi Arabia. A review of condensed interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia, and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying 30 June 2024 condensed interim financial statements of the **SNB Capital Al-Raed Saudi Equity Fund** are not prepared, in all material respects, in accordance with IAS 34, 'Interim Financial Reporting' that is endorsed in the Kingdom of Saudi Arabia.

The objective of the Fund is to invest in the shares of companies listed on the Saudi stock markets. Moreover, the Fund may invest in real estate investment traded funds up to 10% of the Fund's net assets value. The Fund does not make any distributions to the Unitholders. Instead, capital gains and dividends are reinvested.

The terms and conditions of the Fund were issued on 12 Saffar 1439 H (corresponding to 15 December 2002) and the Fund commenced its activities on the same date.

2. REGULATING AUTHORITY

The Fund is governed by the Investment Funds Regulations (the “Regulations”) published by the CMA’s Board Resolution no. 5. FUNCTIONAL AND PRESENTATION CURRENCY

Items included in the condensed interim financial statements are measured using the currency of the primary economic environment in which the Fund operates (the “functional currency”). <i>Related party</i>	<i>Nature of transactions</i>	<i>Amounts of transactions for the six-month period ended</i>		<i>Net payable balance as at</i>

SNB Capital Company	Management fees (including value added tax)	31,924	27,488		
	Expenses paid on behalf of the Fund	2,149	1,489	8,129	8,839

12. FAIR VALUE MEASUREMENT

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

When available, the Fund measures the fair value of a financial instrument using the quoted price in an active market for that instrument. A market is regarded as active if transactions for the asset or liability take place with sufficient frequency and volume to provide pricing information on an on-going basis. The Fund measures instruments quoted in an active market at a market price, because this price is assessed to be a reasonable approximation of the exit price.

(Managed by the SNB Capital Company)

NOTES TO THE CONDENSED INTERIM FINANCIAL STATEMENTS (UNAUDITED)

For the six-month period ended 30 June 2024

Expressed in Saudi Arabian Riyals '000 (unless otherwise stated)

12. FAIR VALUE MEASUREMENT (CONTINUED)

If there is no quoted price in an active market, then the Fund uses valuation techniques that maximise the use of relevant observable inputs and minimise the use of unobservable inputs. The chosen valuation technique incorporates all of the factors that market participants would take into account in pricing a transaction. The Fund recognizes transfer between levels of fair value at the end of the reporting period during which the change has occurred.

The fair value hierarchy has the following levels:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly; and
- Level 3: unobservable inputs for the asset or liability.

Carrying amounts and fair value

The following table shows the carrying amounts and fair values of financial instruments, including their levels in the fair value hierarchy. It does not include fair value information for financial assets and financial liabilities not measured at fair value if the carrying amount is a reasonable approximation of fair value. All fair value measurements below are recurring.

	<i>As at 30 June 2024 (Unaudited)</i>				
	<i>Carrying amount</i>	<i>Fair value</i>			
		<i>Level 1</i>	<i>Level 2</i>	<i>Level 3</i>	<i>Total</i>
<u>Financial assets measured at fair value</u>					
FVTPL investments	2,920,620	2,920,620	--	--	2,920,620
	<i>As at 31 December 2023 (Audited)</i>				
	<i>Carrying amount</i>	<i>Fair value</i>			
		<i>Level 1</i>	<i>Level 2</i>	<i>Level 3</i>	<i>Total</i>
<u>Financial assets measured at fair value</u>					
FVTPL investments	3,039,973	3,039,973	--	--	3,039,973

The Fund has classified investments measured at FVTPL as level 1 as per the fair value hierarchy. During the period, there has been no transfer in fair value hierarchy. For other financial assets and liabilities such as cash and cash equivalents, other receivables and other payables, the carrying values were determined to be a reasonable approximation of fair value due to their nature.
