هـ. تعارض المصالح بين مصالح عضو مجلس إدارة الصندوق ومصالح الصندوق

Members of the Fund Board may be members of other funds that may seek investment objectives similar to those of the Fund. Therefore, in the exercise of its business, a member of the Fund Board may find himself in a situation of potential conflict of duties or interests with one or more funds. However, in such cases, the member shall take into account his obligations to act in the best interests of the Unitholders to the maximum practicable extent and not to overlook his obligations to his other clients when he considers any investment that may involve a potential conflict of interest, and in situations requiring voting, that Member shall refrain from doing so. To the date of issuing the Terms and Conditions, there is no significant business or other interest to the members of the Fund Board, which is likely to conflict with the interests of the Fund.

يجوز لأعضاء مجلس إدارة الصندوق أن يكونوا أعضاء من حين لآخر لصناديق أخرى قد تنشأ أهدافاً استثمارية مماثلة لتلك الخاصة بالصندوق. ولذلك، فمن الممكن أن يجد أحد أعضاء مجلس إدارة الصندوق، في نطاق ممارسته لأعماله، أنه في موقف ينطوي على تعارض محتمل في الواجبات أو المصالح مع واحد أو أكثر من الصناديق. وعلى أي حال، ففي تلك الحالات سوف يراعي عضو مجلس الإدارة التزاماته بالتصرف بما يحقق أقصى مصالح مالكي الوحدات المعنيين إلى أقصى درجة ممكنة عملياً، وعدم إغفال التزاماته تجاه عملائه الآخرين عند الاطلاع بأي استثمار قد ينطوي على تعارض محتمل في المصالح، وفي الحالات التي تتطلب التصويت سوف يمتنع ذلك العضو عن ذلك، علماً أنه إلى تاريخ إعداد الشروط والأحكام، لا يوجد أي نشاط عمل أو مصلحة أخرى مهمة لأعضاء مجلس إدارة الصندوق أو أعضاء مجلس إدارة الصندوق يُحتمل تعارضها مع مصالح الصندوق.

New regulations effective during the year

اللوائح الجديدة سارية المفعول خلال العام

"The Minister of Finance via Ministerial Resolution No. (29791) dated 9 Jumada-al-Awwal 1444 H (corresponding to

3 December 2022) approved the Zakat Rules for Investment Funds permitted by the CMA.

The Rules are effective from 1 January 2023 requiring Investment Funds to register with Zakat, Tax and Customs Authority (ZATCA). The Rules also require the Investment Funds to submit an information declaration to ZATCA within 120 days from the end of their fiscal year, including audited financial statements, records of related party transactions and any other data requested by ZATCA. Under the Rules, Investment Funds are not subject to Zakat provided they do not engage in unstipulated economic or investment activities as per their CMA approved Terms and Conditions. Unitholders are obliged to pay due ZAKAT based on their unit owned.

During the current year, the Fund Manager has completed the registration of the Fund with ZATCA and submitted information declaration on time and the due ZAKAT amount for the year ended 31 December 2025 for the fund units is 0.25107Saudi Riyal per unit".

"وافق وزير المالية بموجب القرار الوزاري رقم (29791) وتاريخ 9 جمادى الأولى 1444هـ (الموافق 3 ديسمبر 2022م) على قواعد الزكاة لصناديق الاستثمار المسموح بها من قبل هيئة السوق المالية.

تسري القواعد اعتباراً من 1 يناير 2023 وتتطلب من صناديق الاستثمار التسجيل لدى هيئة الزكاة والضرائب والجمارك (الهيئة). كما تلزم القواعد أيضاً من صناديق الاستثمار تقديم إقرار معلومات إلى (الهيئة) خلال 120 يوماً من نهاية سنتها المالية، بما في ذلك القوائم المالية المدققة وسجلات المعاملات الأطراف ذات العلاقة وأي بيانات أخرى تطلبها الهيئة بموجب القواعد، لا تخضع صناديق الاستثمار للزكاة بشرط ألا تمارس أنشطة اقتصادية أو استثمارية غير مشروطة وفقاً للشروط والأحكام المعتمدة من هيئة أسواق المال. سيتحمل كل مالك في حدود ملكيته سداد الزكاة عن تلك الوحدات.

خلال العام الحالي، أكمل مدير الصندوق عملية تسجيل الصندوق لدى الهيئة وتم تقديم إعلان المعلومات في الوقت المناسب وكان مبلغ الزكاة الواجب أدائه عن وحدات الصندوق 0.25107 ريالاً للعام المالي المنتهي في 31 ديسمبر سعودي عن كل وحدة".

Independent Auditor's Report

To the Unitholders of the SNB Capital SAR Multi-Asset Moderate Fund

Opinion

We have audited the financial statements of the **SNB Capital SAR Multi-Asset Moderate Fund** (the "Fund") managed by the SNB Capital Company (the "Fund Manager"), which comprise the statement of financial position as at 31 December 2025, the statements of profit or loss and other comprehensive income, changes in net assets attributable to the Unitholders and cash flows for the year then ended, and notes to the financial statements, comprising material accounting policies and other explanatory information.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Fund as at 31 December 2025, and its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards ("IFRS Accounting Standards") as issued by the International Accounting Standards Board that are endorsed in the Kingdom of Saudi Arabia and other standards and pronouncements issued by the Saudi Organization for Chartered and Professional Accountants ("SOCPA").

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Fund in accordance with the International Code of Ethics for Professional Accountants (including International Independence Standards), that is endorsed in the Kingdom of Saudi Arabia, that are relevant to our audit of the financial statements, and we have fulfilled our other ethical responsibilities in accordance with the Code's requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of the Fund Manager and Those Charged with Governance for the Financial Statements

The Fund Manager is responsible for the preparation and fair presentation of the financial statements in accordance with IFRS Accounting Standards that are endorsed in the Kingdom of Saudi Arabia and other standards and pronouncements issued by the SOCPA, and to comply with the applicable provisions of the Investment Funds Regulations issued by the Capital Market Authority ("CMA"), the Fund's terms and conditions, and for such internal control as the Fund Manager determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Fund Manager is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Fund Manager either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, the Fund Board, are responsible for overseeing the Fund's financial reporting process.

Independent Auditor's Report

To the Unitholders of the SNB Capital SAR Multi-Asset Moderate Fund (continued)

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. 'Reasonable assurance' is a high level of assurance, but is not a guarantee that an audit conducted in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia, will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund Manager's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Fund Manager.
- Conclude on the appropriateness of the Fund Manager's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, then we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit of the **SNB Capital SAR Multi-Asset Moderate Fund**.

SNB CAPITAL SAR MULTI-ASSET MODERATE FUND
(Managed by the SNB Capital Company)

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 December 2025

Expressed in Saudi Arabian Riyals '000 (unless otherwise stated)

1. THE FUND AND ITS ACTIVITIES

SNB Capital SAR Multi-Asset Moderate Fund (the “Fund”) is a Shariah compliant, open-ended investment fund, established under article 32 of the Investment Funds Regulations (the “Regulations”) issued by the Capital Market Authority (“CMA”) and managed by the SNB Capital Company (the “Fund Manager”), a subsidiary of the Saudi National Bank (the “Bank”), for the benefit of the Fund’s Unitholders.

The objective of the Fund is to achieve a balance between growth and capital preservation over the medium to long term, by investing in a diversified portfolio of investment funds that invest across different asset classes.

The terms and conditions of the Fund were issued on 14 Shaaban 1445 H (corresponding to 20 February 2024). The Fund commenced its activities on 13 Dhu-al-Qidah 1445 H (corresponding to 13 May 2024).

2. REGULATING AUTHORITY

The Fund is governed by the Regulations published by the CMA’s Board Resolution no. 1-219-2006 dated 3 Dhul Hijja 1427 H (corresponding to 24 December 2006) thereafter amended pursuant to the CMA’s Board Resolution no. 1-135-2025 dated 3 Jumada Al Thani 1446 H (corresponding to 24 November 2025) detailing requirements for all funds within the Kingdom of Saudi Arabia.

3. BASIS OF ACCOUNTING

These financial statements of the Fund have been prepared in accordance with the International Financial Reporting Standards (“IFRS Accounting Standards”) as issued by the International Accounting Standards Board that are endorsed in the Kingdom of Saudi Arabia and other standards and pronouncements issued by the Saudi Organization for Chartered and Professional Accountants (“SOCPA”) and comply with the applicable provisions of the Investment Funds Regulations issued by the CMA and the Fund’s terms and conditions.

4. BASIS OF MEASUREMENT AND PRESENTATION

These financial statements have been prepared on a historical cost convention using the accrual basis of accounting and going concern concept except for investments measured at fair value through profit or loss (“FVTPL”) which are recorded at fair value.

The Fund does not have a clearly identifiable operating cycle and therefore does not present current and non-current assets and liabilities separately in the statement of financial position. Instead, assets and liabilities are presented in order of their liquidity.

The comparatives in these financial statements are presented for the period from 13 May 2024 (date of commencement of operations) to 31 December 2024, accordingly the amounts are not comparable.

5. CHANGES IN FUND’S TERMS AND CONDITIONS

During the year, there have been no significant changes in the terms and conditions of the Fund.

SNB CAPITAL SAR MULTI-ASSET MODERATE FUND
(Managed by the SNB Capital Company)

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 December 2025

Expressed in Saudi Arabian Riyals '000 (unless otherwise stated)

6. FUNCTIONAL AND PRESENTATION CURRENCY

Items included in the financial statements are measured using the currency of the primary economic environment in which the Fund operates (the “functional currency”). If indicators of the primary economic environment are mixed, then the Fund Manager uses judgement to determine the functional currency that most faithfully represents the economic effect of the underlying transactions, events, and conditions. The Fund’s investments transactions are denominated in Saudi Arabian Riyal (“SAR”) and United States Dollar (“USD”). Investor subscriptions and redemptions are determined based on the net assets value and received and paid in SAR and expenses of the Fund are also paid in SAR. Accordingly, the Fund Manager has determined that the functional currency of the Fund is SAR.

These financial statements are presented in SAR which is the Fund’s functional and presentation currency and have been rounded off to the nearest thousands unless otherwise stated.

7. CRITICAL ACCOUNTING JUDGMENTS, ESTIMATES AND ASSUMPTIONS

The preparation of the financial statements requires the Fund Manager to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the year in which the estimates are revised and in any future years affected.

8. MATERIAL ACCOUNTING POLICIES

The material accounting policies applied in the preparation of these financial statements are set out below.

8.1 *Cash and cash equivalents*

Cash and cash equivalents include cash at bank and short-term, highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value. Cash and cash equivalents include bank balances.

8.2 *Financial assets and liabilities*

Classification of financial assets

On initial recognition, a financial asset is measured at its fair value and classified as measured at amortised cost, fair value through other comprehensive income (“FVOCI”) or FVTPL.

Financial assets measured at amortised cost

A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as measured at FVTPL:

- it is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- its contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest / commission on the principal amount outstanding.

SNB CAPITAL SAR MULTI-ASSET MODERATE FUND
(Managed by the SNB Capital Company)

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 December 2025

Expressed in Saudi Arabian Riyals '000 (unless otherwise stated)

8. MATERIAL ACCOUNTING POLICIES (CONTINUED)

8.2 *Financial assets and liabilities (continued)*

Classification of financial assets (continued)

Financial assets measured at FVOCI

A financial asset is measured at FVOCI only if it meets both of the following conditions and is not designated as measured at FVTPL.

- it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and
- its contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest / commission on the principal amount outstanding.

On initial recognition of an equity investment that is not held for trading, the Fund Manager may irrevocably elect to present subsequent changes in fair value in other comprehensive income. This election is made on an investment-by-investment basis.

Financial assets measured at FVTPL

All financial assets not classified as measured at amortised cost or FVOCI are measured at FVTPL.

Business model assessment

The Fund Manager assesses the objective of a business model in which an asset is held at a portfolio level because this best reflects the way the business is managed and information is provided to management. The information considered includes:

- the stated policies and objectives for the portfolio and the operation of those policies in practice;
- how the performance of the portfolio is evaluated and reported to the Fund Manager;
- the risks that affect the performance of the business model (and the financial assets held within that business model) and how those risks are managed;
- how managers of the business are compensated – for example, whether compensation is based on the fair value of the assets managed or the contractual cash flows collected; and
- the frequency, volume and timing of sales in prior periods, the reasons for such sales and its expectations about future sales activity. However, information about sales activity is not considered in isolation, but as part of an overall assessment of how the Fund's stated objective for managing the financial assets is achieved and how cash flows are realized.

The business model assessment is based on reasonably expected scenarios without taking 'worst case' or 'stress case' scenarios into account. If cash flows after initial recognition are realized in a way that is different from the Fund's original expectations, the Fund does not change the classification of the remaining financial assets held in that business model, but incorporates such information when assessing newly purchased financial assets going forward.

Financial assets that are held for trading and whose performance is evaluated on a fair value basis are measured at FVTPL because they are neither held to collect contractual cash flows nor held both to collect contractual cash flows and to sell financial assets.

SNB CAPITAL SAR MULTI-ASSET MODERATE FUND
(Managed by the SNB Capital Company)

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 December 2025

Expressed in Saudi Arabian Riyals '000 (unless otherwise stated)

8. MATERIAL ACCOUNTING POLICIES (CONTINUED)

8.2 *Financial assets and liabilities (continued)*

Assessment whether contractual cash flows are solely payments of principal and interest / commission

For the purposes of this assessment, 'principal' is defined as the fair value of the financial asset on initial recognition. Interest or 'commission' is defined as consideration for the time value of money and for the credit risk associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs (for example: liquidity risk and administrative costs), as well as profit margin.

In assessing whether the contractual cash flows are solely payments of principal and interest / commission, the Fund considers the contractual terms of the instrument. This includes assessing whether the financial asset contains a contractual term that could change the timing or amount of contractual cash flows such that it would not meet this condition. In making the assessment, the Fund considers:

- contingent events that would change the amount and timing of cash flows;
- leverage features;
- prepayment and extension terms;
- terms that limit the Fund's claim to cash flows from specified assets (for example: non-recourse asset arrangements); and
- features that modify consideration of the time value of money – for example: periodical reset of interest / commission rates.

Classification of financial liabilities

The Fund classifies its financial liabilities at amortised cost unless it has designated liabilities at FVTPL.

Recognition and initial measurement

Financial assets and liabilities measured at FVTPL are initially recognized on the trade date, which is the date on which the Fund becomes a party to the contractual provisions of the instrument. The Fund shall recognize a financial asset or a financial liability in its statement of financial position when, and only when, the entity becomes party to the contractual provisions of the instrument. Other financial assets and financial liabilities are recognized on the date on which they are originated.

A financial asset or financial liability is measured initially at fair value plus or minus, for an item not measured at FVTPL, transaction costs that are directly attributable to its acquisition.

Subsequent measurement

Financial assets measured at FVTPL are subsequently measured at fair value. Net gain or losses including any foreign exchange gains and losses, are recognized in the statement of profit or loss and other comprehensive income in 'realized and unrealized gains / (loss) on FVTPL investments – net'.

(Managed by the SNB Capital Company)

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 December 2025

Expressed in Saudi Arabian Riyals '000 (unless otherwise stated)

8. MATERIAL ACCOUNTING POLICIES (CONTINUED)

8.2 *Financial assets and liabilities (continued)*

Subsequent measurement (continued)

Financial assets and financial liabilities measured at amortised cost are subsequently measured at amortised cost using the effective interest / commission rate method and is recognized in the statement of profit or loss and other comprehensive income. Any gain or loss on de-recognition is also recognized in the statement of profit or loss and other comprehensive income. The 'amortised cost' of a financial asset or financial liability is the amount at which the financial asset or financial liability is measured on initial recognition minus the principal repayments, plus or minus the cumulative commission using effective interest / commission rate method of any difference between that initial amount and the maturity amount and, for financial assets, adjusted for any expected credit loss allowance.

Derecognition

The Fund derecognizes a financial asset when the contractual rights to the cash flow from the asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Fund neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

On derecognition of the financial asset, the difference between the carrying amount of the asset and the consideration received is recognized in the statement of profit or loss and other comprehensive income.

The Fund enters into transactions whereby it transfers assets recognized on its statement of financial position but retains either all or substantially all of the risks and rewards of the transferred assets or a portion of them. If all or substantially all of the risk and rewards are retained, then the transferred assets are not derecognized. The Fund derecognizes a financial liability when its contractual obligations are discharged or cancelled or expire.

Offsetting

Financial assets and financial liabilities are offset, and the net amount presented in the statement of financial position when, and only when, the Fund has legally enforceable right to offset the amounts and intends either to settle them on a net basis or to realise the asset and settle them liability simultaneously.

Income and expenses are presented on a net basis for gain and losses from financial instruments at FVTPL and foreign exchange gains and losses.

8.3 *Net Assets Value per unit*

The net assets value per unit is calculated by dividing the net assets attributable to the Unitholders included in the statement of financial position by the number of units outstanding at the period end.

8.4 *Units in issue*

The Fund classifies financial instruments issued as financial liabilities or equity instruments in accordance with the substance of the contractual terms of the instruments.

SNB CAPITAL SAR MULTI-ASSET MODERATE FUND
(Managed by the SNB Capital Company)

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 December 2025

Expressed in Saudi Arabian Riyals '000 (unless otherwise stated)

8. MATERIAL ACCOUNTING POLICIES (CONTINUED)

8.4 Units in issue (continued)

The Fund has redeemable units in issue. On liquidation of the Fund, they entitle the holders to the residual net assets. They rank pari passu in all respects and have identical terms and conditions. The redeemable units provide investors with the right to require redemption for cash at a value proportionate to the investor's share in the Fund's net assets at each redemption date as well as in the event of the Fund's liquidation.

Redeemable units are classified as equity as these meet all of the following conditions:

- they entitle the holder to a pro rata share of the Fund's net assets in the event of the Fund's liquidation;
- they are in the class of instruments that are subordinate to all other classes of instruments;
- all financial instruments in the class of instruments that are subordinate to all other classes of instruments have identical features;
- the instruments do not include any other features that would require classification as a liability; and
- the total expected cash flows attributable to the instruments over their life are based substantially on the profit or loss, the change in recognized net assets or the change in the fair value of the recognized and unrecognized net assets of the Fund over the life of the instrument

Incremental costs directly attributable to the issue or redemption of redeemable units are recognized directly in net assets as a deduction from the proceeds or part of the acquisition cost.

8.5 Management fees expense

Management fees expense is recognized in the statement of profit or loss and other comprehensive income as the related services are performed.

8.6 Standards, interpretations and amendments thereof, adopted by the Fund

Below amendments to accounting standards, interpretations and amendments became applicable for annual reporting periods commencing on or after 1 January 2025. The Fund manager has assessed that the amendments have no significant impact on the Fund's financial statements.

Amendments to IAS 21 - Lack of exchangeability

8.7 Standards, interpretations and amendments issued but not yet effective

Standards, interpretations and amendments issued but not yet effective are listed below. The Fund intends to adopt these standards when they become effective.

<i>Standards, interpretations and amendments</i>	<i>Description</i>	<i>Effective from periods beginning on or after the following date</i>
Amendments to IFRS 9 and IFRS 7	Classification and Measurement of Financial Instruments	1 January 2026
IFRS 18	Presentation and Disclosure in Financial Statements	1 January 2027
IFRS 19	Disclosure Initiative – Subsidiaries without Public Accountability: Disclosures	1 January 2027
Amendments to IFRS 10 and IAS 28	Sale or contribution of assets between an investor and its associates or joint venture	Available for optional adoption / effective date deferred indefinitely

The above standards, interpretations and amendments are not expected to have a significant impact on the Fund's financial statements.

Franklin Global Sukuk Fund		14.53	547	543
		<u>100</u>	<u>3,674</u>	<u>3,736</u>

- (a) During the year, the Fund purchased 96,974 units (2024: 9,282) of SNB Capital Al Sunbullah SAR amounting to SAR 13,395,047 (2024: 1,222,211) and sold 66,022 (2024: 3,137) units amounting to SAR 9,154,511 (2024: 420,400).
- (b) During the year, the Fund purchased 2,029,583 units (2024: 60,466) of SNB Capital Freestyle Saudi Equity Fund amounting to SAR 6,680,358 (2024:210,100) and sold 754,384 (2024: Nil) units amounting to SAR 2,522,179 (2024: Nil).
- (c) During the year, the Fund purchased 64,368 units (2024:78,653) of SNB Capital Al Ataa Saudi Equity Fund amounting to SAR 1,492,206 (2024: 1,729,334) and sold 85,020 (2024: Nil) units amounting to SAR 1,746,855 (2024: Nil).
- (d) During the year, the Fund purchased 745,747 units (2024: Nil) of SNB Capital Saudi Nomu Market Fund amounting to SAR 697,836 (2024: Nil).
- (e) During the year, the Fund purchased 4,054 units (2024: 6,421) of SNB Capital Al SunBullah USD amounting to SAR 510,743 (2024: 773,093) and sold 5,398 (2024: 3,334) units amounting to SAR 674,140 (2024: 399,711).

11. RELATED PARTY TRANSACTIONS AND BALANCES

The related party of the Fund includes the Fund Manager, the Fund Board, other funds managed by the Fund Manager, and the Saudi National Bank, being parent of the Fund Manager.

Following are the details of transactions and balances with related parties not disclosed elsewhere in these financial statements as at and for the period ended 31 December 2025.

SNB CAPITAL SAR MULTI-ASSET MODERATE FUND
(Managed by the SNB Capital Company)

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 December 2025

Expressed in Saudi Arabian Riyals ‘000 (unless otherwise stated)

11. RELATED PARTY TRANSACTIONS AND BALANCES (CONTINUED)

Transactions with key management personnel

The Fund is managed and administered by the Fund Manager. For these services, the Fund accrues, daily a management fee up to 1.25% (2024: 1.25%) per annum of the Fund's daily net assets as set out in the Fund’s terms and conditions.

The Fund Manager is entitled to recover expenses that are incurred to the Fund. These include costs resulting from unitholders' meeting, preparing and printing the Fund's reports and other legal and regulatory costs. The Fund shall be bound by any other expenses permitted by law, provided that these expenses do not exceed 0.1% (2024: 0.1%) per annum of the Fund's average net asset value at the respective valuation days. These expenses have been recovered by the Fund Manager on a pro-rata basis.

Following are the details of transactions and outstanding balances with the Fund Manager and its investments in units of the fund:

<i>Related party</i>	<i>Nature of transactions</i>	<i>Amounts of transactions during the year ended</i>		<i>Net receivable / (payable) balance / closing investment in the Fund as at</i>	
		<i>31 December 2025</i>	<i>31 December 2024</i>	<i>31 December 2025</i>	<i>31 December 2024</i>
SNB Capital Company	Management fees (including value added tax)	196	22		
	Rebate income	117	15	8	(3)
	Subscription of the fund units	--	--		
	Redemption of the fund units	--	--	974	1,013

12. FINANCIAL RISK MANAGEMENT

The Fund’s activities expose it to a variety of financial risks including market risk, credit risk, liquidity risk and operational risk.

The Fund Manager is responsible for identifying and controlling risks. The Fund Board supervises the Fund Manager and is ultimately responsible for the overall management of the Fund.

Monitoring and controlling risks are primarily set up to be performed based on the limits established in the terms and conditions document which sets out the Fund’s overall business strategies, tolerance of risks and general risk management philosophy. Compliance with the limits are monitored by the Fund Board on a quarterly basis. In instances where portfolio has diverged from limits prescribed in the terms and conditions of the Fund, the Fund Manager is obliged to take actions to re-balance the portfolio in line with the investment guidelines within prescribed timelines.

12.1 *Market risk*

‘Market Risk’ is the risk that changes in market prices – such as currency, commission rates, and other market prices – will affect the Fund’s income or the fair value of its holdings in financial instruments.

SNB CAPITAL SAR MULTI-ASSET MODERATE FUND
(Managed by the SNB Capital Company)

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 December 2025

Expressed in Saudi Arabian Riyals '000 (unless otherwise stated)

12. FINANCIAL RISK MANAGEMENT (CONTINUED)

12.1 *Market risk (continued)*

a) Currency risk

Currency risk is the risk that the value of future cash flows of a financial instrument will fluctuate due to changes in foreign exchange rates and arises from financial instruments denominated in foreign currencies.

The Fund's financial assets are denominated in United States Dollar and Saudi Arabian Riyals. As the Saudi Arabian Riyal is pegged against the United States Dollar, there is unlikely to be any material impact on the statement of profit or loss and other comprehensive income in respect of the financial instruments denominated in United States Dollar.

b) Commission rate risk

Commission rate risk is the risk that the value of the future cash flows of a financial instrument or fair values of fixed coupon financial instruments will fluctuate due to changes in market commission rates. All the assets and liabilities of the Fund are non-commission bearing therefore the Fund is not exposed to commission rate risk.

c) Other market price risk

Other market price risk is the risk that the value of the Fund's financial instruments will fluctuate as a result of changes in market prices caused by factors other than foreign currency and commission rate movements. The other market price risk arises primarily from uncertainty about the future prices of financial instruments that the Fund holds. The Fund Manager daily monitors concentration of risk for net assets based on securities and industries in line with defined limits while closely tracking the portfolio level volatilities. As of the statement of financial position date, the Fund has investments in equity securities which are exposed to other price risk.

The effect on the net assets value as a result of the change in the fair value of investments as at 31 December due to a reasonably possible notional change in market value of FVTPL investments by 10%, with all other variables held constants is as follows:

	<u>31 December 2025</u>	<u>31 December 2024</u>
Effect on net assets attributable to the Unitholders.	<u>± 10%</u> <u>1,742</u>	<u>± 10%</u> <u>374</u>

12.2 *Credit risk*

Credit risk is the risk that one party to a financial instrument will fail to discharge its obligation and cause the other party to incur a financial loss. The Fund Manager seeks to manage credit risk by monitoring credit exposures, limiting transactions with specific counterparties, and continually assessing the creditworthiness of counterparties.

As at the statement of financial position date, the Fund's significant exposure to credit risk arises from cash and cash equivalents, which represents cash at bank with a local bank having Moody's credit rating of A2 which is in line with globally understood definitions of investment grade. Accordingly, there is no significant impact of expected credit loss allowance on this financial asset.

SNB CAPITAL SAR MULTI-ASSET MODERATE FUND
(Managed by the SNB Capital Company)

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 December 2025

Expressed in Saudi Arabian Riyals '000 (unless otherwise stated)

12. FINANCIAL RISK MANAGEMENT (CONTINUED)

12.3 *Liquidity risk*

Liquidity risk is the risk that the Fund may not be able to generate sufficient cash resources to settle its obligations in full as they fall due or can only do so on terms that are materially disadvantageous.

The Fund's terms and conditions provide for subscription and redemption of units on every Saudi business day and it is, therefore, exposed to the liquidity risk of not being able to meet the Unitholder redemptions on these days. The Fund Manager monitors liquidity requirements by ensuring that sufficient funds are available to meet any commitments as they arise, through new subscriptions or liquidation of the investment portfolio and by investing predominantly in securities that it expects to be able to liquidate within a short period of time.

12.4 *Operational risk*

Operational risk is the risk of direct or indirect loss arising from a variety of causes associated with the processes, technology and infrastructure supporting the Fund's activities either internally or externally at the Fund's service provider and from external factors other than credit, liquidity, currency and market risks such as those arising from the legal and regulatory requirements.

The Fund's objective is to manage operational risk to balance limiting of financial losses and damage to its reputation with achieving its investment objective of maximising returns to the Unitholders.

The primary responsibility for the development and implementation of control over operational risks rests with the Risk Management Team. This responsibility is supported by the development of overall standard for the management of operational risk, which encompasses the controls and processes at the service providers and the establishment of service level agreements with the service providers, in the following areas:

- documentation of controls and procedures
- requirements for:
 - appropriate segregation of duties between various functions, roles and responsibilities;
 - reconciliation and monitoring of transactions; and
 - periodic assessment of operational risks faced, the adequacy of controls and procedures to address the risks identified;
- compliance with regulatory and other legal requirements;
- development of contingency plans;
- training and professional development;
- ethical and business standards; and
- risk mitigation

13. FAIR VALUE MEASUREMENT

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

SNB CAPITAL SAR MULTI-ASSET MODERATE FUND
(Managed by the SNB Capital Company)

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 December 2025

Expressed in Saudi Arabian Riyals '000 (unless otherwise stated)

14. COMPARATIVE FIGURES

Figures have been rearranged or reclassified wherever necessary for the purposes of better presentation; however, no significant rearrangements or reclassifications have been made in these financial statements.

15. LAST VALUATION DAY

The last valuation day for the purpose of preparation of these financial statements was 31 December 2025 (2024: 31 December 2024).

16. EVENTS AFTER THE END OF THE REPORTING PERIOD

The recent regional military escalations have triggered a high-risk conflict environment across the Gulf. The situation is still very fluid, and scenarios can shift very quickly. The escalations have brought about additional uncertainties in the Fund's operating environment. With respect to financial statements for the year ended 31 December 2025, the potential financial reporting effects of the conflict are considered to be non-adjusting in nature.

The Fund Manager has been closely monitoring the impact of the developments on the Fund's investment. As the situation is fast evolving and fluid, the effect of the escalations is subject to significant levels of uncertainty, with the full range of possible effects unknown.

17. APPROVAL OF THE FINANCIAL STATEMENTS

These financial statements were approved by the Fund Board on 19 Ramadan 1447 H corresponding to 8 March 2026.
