REPORT ON REVIEW OF INTERIM FINANCIAL INFORMATION

**To the Unitholders and the Fund Manager of
Orphans Associations Endowment Fund
(An open-ended mutual fund)
Riyadh, Kingdom of Saudi Arabia**

Introduction

We have reviewed the accompanying interim condensed statement of financial position of **Orphans Associations Endowment Fund** (the "Fund") as of 30 June 2026, and the related statements of comprehensive income, changes in net assets attributable to the unitholders and cash flows for the six-month period ended 30 June 2026, and explanatory notes. Management is responsible for the preparation and presentation of this financial information in accordance with International Accounting Standard 34 Interim Financial Reporting ("IAS 34") as endorsed in the Kingdom of Saudi Arabia. Our responsibility is to express a conclusion on this interim financial information based on our review.

Scope of review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" as endorsed in the Kingdom of Saudi Arabia. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia, and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim financial information is not prepared, in all material respects, in accordance with IAS 34 as endorsed in the Kingdom of Saudi Arabia.

10. FAIR VALUE MEASUREMENT

The fair value for financial instruments traded in active markets is based on quoted market prices at the close of trading on the financial reporting date. Instruments for which no sales were reported on the valuation day are valued at the most recent bid price.

An active market is a market in which transactions for the asset or liability take place with sufficient frequency and volume to provide pricing information on an ongoing basis. The carrying value less impairment provision of financial instruments carried at amortized cost are assumed to approximate their fair values.

The fair value hierarchy has the following levels:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date.
- Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

The Fund values securities that are traded / reported on stock exchange at their last reported prices. To the extent that securities are actively traded and valuation adjustments are not applied, they are categorized in Level 1 of the fair value hierarchy. For reported NAV of non - traded open ended mutual funds they are categorized in Level 2 and closed ended funds are valued at the closing NAV and categorised at Level 3 of the fair value hierarchy.

Total	38,794,714	15,749,430	18,694,159	4,351,125	38,794,714

During the period, there were no transfers between the fair value hierarchy.

Other financial instruments such as cash and cash equivalents, dividend receivable, accrued special commission income, management fee payable and accrued expenses are short-term financial assets and financial liabilities whose carrying amounts are approximate to their fair value, because of the short-term nature and high credit quality of counterparties.

12. IMPACT OF GEO-POLITICAL SITUATION

The geopolitical situation in the Middle East and the Gulf has remained highly volatile since 28 February 2026. The prevailing geopolitical situation has brought about additional uncertainties in the economic environment which require the Fund Manager to review the key inputs and assumptions used in its financial reporting.

The Fund Manager will continue to evaluate and closely monitor the current situation to assess any impact geopolitical situation may have on its business and financial performance.

The impact of such uncertain economic environment is judgmental, and the Fund Manager will continue to reassess its position as more reliable information becomes available to determine if any adjustments, specifically regarding expected credit losses or further disclosures, are required in subsequent reporting periods.

**13. INITIAL ASSESSMENT OF THE EXPECTED IMPACT OF THE INITIAL APPLICATION OF IFRS 18
“PRESENTATION AND DISCLOSURE IN FINANCIAL STATEMENTS”**

IFRS 18 – Presentation and Disclosure in Financial Statements

IFRS 18 ‘Presentation and Disclosure in Financial Statements’, as endorsed in Kingdom of Saudi Arabia (IFRS 18) will replace IAS 1 ‘Presentation of Financial Statements’ as endorsed in the Kingdom of Saudi Arabia, for annual reporting periods beginning on or after 1 January 2027. Earlier application is permitted. The Fund Manager has not early adopted IFRS 18 in preparing this interim financial information.

The Fund Manager is currently assessing the estimated impact that the initial application of IFRS 18 will have on the Fund’s financial statements. Based on the assessment performed to date, the expected impacts pertain to the presentation, aggregation, disaggregation and disclosure of information within the Fund’s financial statements.

Presentation of Statement of Comprehensive Income

IFRS 18 requires entities to classify income and expenses into specified categories within the statement of income, namely operating, investing, financing, income taxes and discontinued operations. It also introduces mandatory subtotal including Operating Profit and Profit for the year. Neither total profit for the period nor total net assets attributable to Unitholders is expected to change as a result of adopting IFRS 18. However, the Fund Manager expects changes to the presentation and classification of certain income and expense items within the statement of comprehensive income, including the introduction of IFRS-defined subtotals.

Based on its preliminary assessment, the Fund Manager has concluded that investing in financial assets as part of the Fund’s objectives constitutes its specified main business activities for the purposes of IFRS 18. Based on this, the Fund Manager expects the following impact on the interim financial information:

- Income / expenses and changes in fair value arising from investing in financial assets are expected to be presented within the operating category.

In addition, IFRS 18 may require changes to certain line-item descriptions, subtotals and disclosures currently presented in the statement of comprehensive income. The assessment remains subject to completion of the Fund Manager’s implementation activities and any future interpretative or regulatory developments.

Management-defined Performance Measures

IFRS 18 introduces new disclosure requirements for Management-defined Performance Measures (“MPMs”), which are subtotals of income and expenses used in public communications to communicate Fund Manager’s view of an aspect of the Fund’s financial performance. Such measures will be required to be disclosed within a single note to the financial statements together with explanations of their purpose and reconciliations to the most directly comparable IFRS-defined totals or subtotals.

The Fund Manager is assessing whether any measures communicated externally meet the definition of Management-defined Performance Measures under IFRS 18 and may therefore require enhanced disclosures and reconciliations.

**13. INITIAL ASSESSMENT OF THE EXPECTED IMPACT OF THE INITIAL APPLICATION OF IFRS 18
“PRESENTATION AND DISCLOSURE IN FINANCIAL STATEMENTS” (CONTINUED)**

Principles of Aggregation and Disaggregation

IFRS 18 introduces enhanced requirements relating to the aggregation and disaggregation of information throughout the financial statements and accompanying notes. These requirements are intended to improve transparency by ensuring that material information is presented separately and dissimilar items are not obscured through aggregation. The Fund Manager is currently assessing whether additional disaggregation may be required for its assets, liabilities, income and expenses. The Fund Manager also expects certain line-item descriptions currently used within the financial statements to be refined to enhance clarity and consistency with the objectives of IFRS 18.

Consequential Amendments

IFRS 18 introduces consequential amendments to other IFRS, including IAS 7 Statement of Cash Flows, IAS 33 Earnings per Share and IAS 34 Interim Financial Reporting. The Fund Manager is currently assessing the impact of these amendments, including potential changes to the presentation of operating cash flows and the classification of interest, dividends and other cash flow items. The Fund Manager is also evaluating the requirements relating to comparative information and retrospective application upon adoption of IFRS 18. The Fund Manager's assessment remains ongoing and additional impact may arise as implementation activities progress, industry practice evolves and additional guidance from regulators and standard setters becomes available.
