Report on review of interim condensed financial information

To the Unitholders and Fund Manager of
Albilad Pure Saudi Equity Fund

Introduction

We have reviewed the accompanying interim condensed statement of financial position of Albilad Pure Saudi Equity Fund (the "Fund") as of 30 June 2025 and the related interim condensed statements of comprehensive income, changes in equity attributable to the Unitholders and cash flows for the six-month period then ended and explanatory notes. Fund Manager is responsible for the preparation and presentation of this interim condensed financial information in accordance with International Accounting Standard 34 - "Interim Financial Reporting" ("IAS 34"), as endorsed in the Kingdom of Saudi Arabia. Our responsibility is to express a conclusion on this interim condensed financial information based on our review.

Scope of review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of interim financial information performed by the independent auditor of the entity", as endorsed in the Kingdom of Saudi Arabia. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing, as endorsed in the Kingdom of Saudi Arabia, and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed financial information is not prepared, in all material respects, in accordance with IAS 34, as endorsed in the Kingdom of Saudi Arabia.

1 LEGAL STATUS AND PRINCIPAL ACTIVITIES

Albilad Pure Saudi Equity Fund (the "Fund") is an open-ended mutual fund established and managed by Albilad Investment Company ("the Fund Manager"), a subsidiary of Bank Albilad (the "Bank") for the benefit of the Fund's Unitholders (the "Unitholders"). The objective of the Fund is to achieve capital growth with strong returns over the long term. The Fund is managing a diversified portfolio consisting of local shares that comply with the criteria set by the Sharia Board.

In dealing with the Unitholders, the Fund Manager considers the Fund as an independent accounting unit. Accordingly, the Fund Manager prepares separate interim condensed financial information for the Fund. Furthermore, the Unitholders are considered to be the beneficial owners of the assets of the Fund. The management of the Fund is the responsibility of the Fund Manager.

Riyad Capital is the "Custodian" of the Fund.

The Fund is governed by the Investment Fund Regulations (the "Regulations") issued by the Board of the Capital Market Authority (CMA) pursuant to its Resolution Number 1 - 219 - 2006 on 3 Dhul Hijja 1427H (corresponding to 24 December 2006) and new amendment number 2-22-2021 by resolution of the Board of the CMA on 12 Rajab 1442H (corresponding to 24 February 2021) effective from 19 Ramadan 1442H (corresponding 1 May 2021) by the New Investment Fund Regulations ("Amended Regulations") published by the Capital Market Authority on 17 Rajab 1442H (corresponding to 1 March 2021) detailing requirements for all funds within the Kingdom of Saudi Arabia. During the period ended 30 June 2025, CMA has issued another amendment to the regulation via amendment number 1-54-2025 issued on 23 Dhul Qidah 1446H (corresponding to 21 May 2025) which is effective subsequent to the period ended 30 June 2025, from 14 Muharram 1442H (corresponding 9 July 2025).

The registered office of the Fund is Albilad Investment Company, P.O. Box 8162, Riyadh 12313 – 3701, Kingdom of Saudi Arabia.

2 BASIS OF PREPARATION

This interim condensed financial information of the Fund has been prepared in accordance with the International Accounting Standard 34 – "Interim Financial Reporting" (IAS 34) as endorsed in the Kingdom of Saudi Arabia.

This interim condensed financial information should be read in conjunction with the annual financial statements for the year ended 31 December 2024. In addition, results for the six-month period ended 30 June 2025, are not necessarily indicative of the actual results for the full year ending on 31 December 2025 and final results may differ.

The interim condensed financial information has been prepared on a historical cost convention, except for the revaluation of investments held at fair value through statement of income (FVSI) and using accrual basis of accounting.

The principal accounting policies, estimates, assumptions and method of computation used in the preparation of this interim condensed financial information are consistent with those of the previous financial year except as described in note 3 below. The Fund's financial risk management objectives and policies are consistent with those disclosed in the last audited financial statements for the year ended 31 December 2024.

The Fund does not have a clearly identifiable operating cycle and therefore does not present current and non-current assets and liabilities separately in the interim condensed statement of financial position. Instead, assets and liabilities are presented in order of liquidity.

The preparation of this interim condensed financial information requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

In preparing this interim condensed financial information, the significant judgments made by management in applying the Fund's accounting policies and the key sources of estimation uncertainty including the risk management policies were the same as those that applied to the annual financial statements as at and for the year ended 31 December 2024.

The Fund can recover or settle all its assets and liabilities within 12 months from the reporting date.

3 NEW STANDARDS, INTERPRETATIONS AND AMENDMENTS

New standards, interpretations and amendments effective and adopted by the Fund in the current period

The accounting policies adopted in the preparation of the interim condensed financial information are consistent with those followed in the preparation of the Fund's annual financial statements for the year ended 31 December 2024, except for the adoption of new standards effective as of 1 January 2025. Several amendments apply for the first time in 2025, but do not have a significant impact on the interim condensed financial information of the Fund.

Standard/ Interpretation	Description	Effective from periods beginning on or after
Amendment to IFRS 21 – Lack of exchangeability	IASB amended IAS 21 to add requirements to help in determining whether a currency is exchangeable into another currency, and the spot exchange rate to use when it is not exchangeable. Amendment set out a framework under which the spot exchange rate at the measurement date could be determined using an observable exchange rate without adjustment or another estimation technique.	1 January 2025

Standards issued but not yet effective and not early adopted

The listing of standards and interpretations issued which are applicable at a future date are as follows. The Fund has opted not to early adopt these pronouncements, and they do not have a significant impact on the Fund's interim condensed financial information.

Standard/ Interpretation	Description	Effective from periods beginning on or after
Annual improvements to IFRS – Volume 11	Annual improvements are limited to changes that either clarify the wording in an Accounting Standard or correct relatively minor unintended consequences, oversights or conflicts between the requirements in the Accounting Standards. The 2024 amendments are to the following standards: <ul style="list-style-type: none"> • IFRS 1 First-time Adoption of International Financial Reporting Standards; • IFRS 7 Financial Instruments: Disclosures and its accompanying Guidance on implementing IFRS 7; • IFRS 9 Financial Instruments; • IFRS 10 Consolidated Financial Statements; and IAS 7 Statement of Cash Flows. 	1 January 2026

3 NEW STANDARDS, INTERPRETATIONS AND AMENDMENTS (continued)

Standards issued but not yet effective and not early adopted (continued)

Standard/ interpretation	Description	Effective from periods beginning on or after
Amendments to IFRS 10 and IAS 28- Sale or Contribution of Assets between an Investor and its Associate or Joint Venture	Partial gain or loss recognition for transactions between an investor and its associate or joint venture only apply to the gain or loss resulting from the sale or contribution of assets that do not constitute a business as defined in IFRS 3 Business Combinations and the gain or loss resulting from the sale or contribution to an associate or a joint venture of assets that constitute a business as defined in IFRS 3 is recognized in full.	Effective date deferred indefinitely
Amendments to IFRS 9 Financial Instruments and IFRS 7 Financial Instruments: Disclosures	Under the amendments, certain financial assets including those with ESG-linked features could now meet the SPPI criterion, provided that their cash flows are not significantly different from an identical financial asset without such a feature. The IASB has amended IFRS 9 to clarify when a financial asset or a financial liability is recognized and derecognized and to provide an exception for certain financial liabilities settled using an electronic payment system.	1 January 2026
IFRS 18, Presentation and Disclosure in Financial Statements	IFRS 18 provides guidance on items in statement of profit or loss classified into five categories: operating; investing; financing; income taxes and discontinued operations. It defines a subset of measures related to an entity's financial performance as 'management-defined performance measures' ('MPMs'). The totals, subtotals and line items presented in the primary financial statements and items disclosed in the notes need to be described in a way that represents the characteristics of the item. It requires foreign exchange differences to be classified in the same category as the income and expenses from the items that resulted in the foreign exchange differences.	1 January 2027
IFRS 19, Subsidiaries without Public Accountability: Disclosures	IFRS 19 allows eligible subsidiaries to apply IFRS Accounting Standards with the reduced disclosure requirements of IFRS 19. A subsidiary may choose to apply the new standard in its consolidated, separate or individual financial statements provided that, at the reporting date it does not have public accountability and its parent produces consolidated financial statements under IFRS Accounting Standards.	1 January 2027

4 FUNCTIONAL AND PRESENTATION CURRENCY

Items included in this interim condensed financial information are measured using the currency of the primary economic environment in which the Fund operates (the “functional currency”). This interim condensed financial information are presented in Saudi Riyals (“SAR”) which is the Fund’s functional and presentation currency. All financial information presented in SAR has been rounded to the nearest thousand.

The Fund did not have any foreign currency transactions during the six-month period ended 30 June 2025 (2024: Nil).

6 FAIR VALUE ESTIMATION

The fair value of financial instruments traded in active markets is based on quoted market prices at the close of trading on the reporting date. Instruments for which no sales were reported on the valuation day are valued at the most recent bid price.

An active market is a market in which transactions for the asset or liability take place with sufficient frequency and volume to provide pricing information on an ongoing basis. The carrying value less impairment provision of other receivables and payables are assumed to approximate their fair values.

The fair value hierarchy has the following levels:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

The estimated fair value of the Fund's financial assets and financial liabilities not carried at fair value, is not considered to be significantly different from their carrying values. The fair value of investments held at FVSI are based on quoted prices in active markets and are therefore classified within Level 1.

The following table analyses within the fair value hierarchy the Fund's assets and liabilities (by class) as at 30 June 2025 and 31 December 2024:

As at 30 June 2025 (Unaudited)	Fair value '000'				Total
