Independent auditor's report on review of condensed interim financial statements

To the Unitholders of the Jadwa Global Sukuk Fund

Introduction

We have reviewed the accompanying 30 June 2026 condensed interim financial statements of the **Jadwa Global Sukuk Fund** (the "Fund"), managed the Jadwa Investment Company (the "Fund Manager"), which comprises:

- the condensed statement of financial position as at 30 June 2026;
- the condensed statement of profit or loss and other comprehensive income for the six-month period ended 30 June 2026;
- the condensed statement of changes in net assets (equity) attributable to the Unitholders for the six-month period ended 30 June 2026;
- the condensed statement of cash flows for the six-month period ended 30 June 2026; and
- the notes to the condensed interim financial statements.

The Fund Manager is responsible for the preparation and presentation of these condensed interim financial statements in accordance with International Accounting Standard 34 'Interim Financial Reporting', that is endorsed in the Kingdom of Saudi Arabia and to comply with the applicable provisions of the Investment Funds Regulations issued by Capital Market Authority and the Fund's Terms and Conditions. Our responsibility is to express a conclusion on these condensed interim financial statements based on our review.

Scope of review

We conducted our review in accordance with the International Standard on Review Engagements 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity' that is endorsed in the Kingdom of Saudi Arabia. A review of condensed interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia, and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying 30 June 2026 condensed interim financial statements of the **Jadwa Global Sukuk Fund** are not prepared, in all material respects, in accordance with IAS 34, 'Interim Financial Reporting' that is endorsed in the Kingdom of Saudi Arabia.

10. FAIR VALUE MEASUREMENT

The Fund measures fair values using the following fair value hierarchy that reflects the significance of the inputs used in making the measurements.

Level 1: Inputs that are quoted market prices (unadjusted) in active markets for identical instruments.

Level 2: Inputs other than quoted prices included within level 1 that are observable either directly (i.e., as prices) or indirectly (i.e., derived from prices). This category includes instruments valued using: quoted market prices in active markets for similar instruments; quoted prices for identical or similar instruments in markets that are considered less than active; or other valuation techniques in which all significant inputs are directly or indirectly observable from market data.

Level 3: Inputs that are unobservable. This category includes all instruments for which the valuation technique includes inputs that are not observable, and the unobservable inputs have a significant effect on the instrument's valuation.

The Fund determines the fair value of actively traded sukuk securities using the average of the latest quoted bid and ask prices in the debt market. Where such sukuk are actively traded and no valuation adjustments are applied, they are classified within Level 1 of the fair value hierarchy.

The fair value of investments in unlisted sukuk is determined based on the similar security's external price. Accordingly, the Fund classified them as level 2 of the fair value hierarchy.
