INDEPENDENT AUDITOR'S REVIEW REPORT ON THE INTERIM CONDENSED FINANCIAL STATEMENTS

To the Unitholders of Bir Ariyadh Waqf Fund
(Managed by Alinma Investment Company)

Introduction

We have reviewed the accompanying interim condensed statement of financial position of Bir Ariyadh Waqf Fund ("the Fund") being managed by Alinma Investment Company (the "Fund Manager") as at 30 June 2023, and the related interim condensed statements of comprehensive income, cash flows and changes in equity for the six-month period then ended, and a summary of significant accounting policies and other explanatory notes. The Fund Manager is responsible for the preparation and presentation of these interim condensed financial statements in accordance with International Accounting Standard 34 – "Interim Financial Reporting (IAS 34)" that is endorsed in the Kingdom of Saudi Arabia. Our responsibility is to express a conclusion on these interim condensed financial statements based on our review.

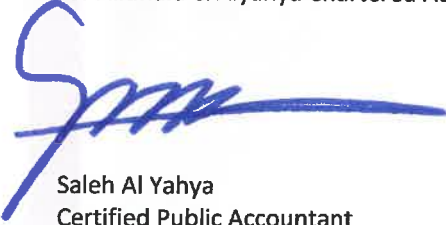

Scope of review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" that is endorsed in the Kingdom of Saudi Arabia. A review of the interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed financial statements are not prepared, in all material respects, in accordance with IAS 34, that is endorsed in the Kingdom of Saudi Arabia.

The Fund is governed by the Investment Fund Regulations (the "Regulations") issued by the CMA detailing requirements for all Investment Funds within the Kingdom of Saudi Arabia.

3 BASIS OF PREPARATION AND CHANGE IN ACCOUNTING POLICY

3.1 Statement of compliance

These interim condensed financial statements for the six-month period ended 30 June 2023 of the Fund have been prepared in accordance with International Accounting Standard 34 – Interim Financial Reporting ("IAS 34") as endorsed in the Kingdom of Saudi Arabia and other standards and pronouncements that are endorsed by Saudi Organization for Chartered and Professional Accountants ("SOCPA").

The Fund Manager has prepared the interim condensed financial statements on the basis that the Fund will continue to operate as a going concern. The Fund Manager considers that there are no material uncertainties that may cast significant doubt over this assumption. They have formed a judgement that there is a reasonable expectation that the Fund has adequate resources to continue in operational existence for the foreseeable future, and not less than 12 months from the end of the reporting period.

The interim condensed financial statements do not include all information and disclosures required in the annual financial statements and should be read in conjunction with the Fund's annual financial statements as at 31 December 2022.

3 BASIS OF PREPARATION (continued)

3.2 Basis of measurement

These interim condensed financial statements have been prepared under historical cost convention, except for the financial assets at FVTPL which are measured at fair value.

The interim condensed statement of financial position is stated broadly in order of liquidity.

3.3 Functional and presentation currency

These interim condensed financial statements are presented in Saudi Riyal (SR), which is also the functional currency of the Fund. All financial information has been rounded off to the nearest SR, unless otherwise stated.

3.4 Use of judgements, estimates and assumptions

In preparing these interim condensed financial statements, the Fund Manager has made the judgement, estimates, and assumptions that affect the application of the Fund's accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

The significant judgments made by the Fund Manager in applying the Fund's accounting policies and the key sources of estimation uncertainty were the same as those described in the last annual audited financial statements.

4 SIGNIFICANT ACCOUNTING POLICIES

The accounting policies adopted in the preparation of the interim condensed financial statements are consistent with those followed in the preparation of the Fund's annual financial statements for the year ended 31 December 2022 except for the adoption of new standards effective as of 1 January 2023. The Fund has not early adopted any standard, interpretation or amendment that has been issued but not effective yet.

Following amendments apply for the first time in 2023, but do not have an impact on the interim condensed financial statements of the Fund.

IFRS 17 Insurance Contracts

In May 2017, the IASB issued IFRS 17 *Insurance Contracts*, a comprehensive new accounting standard for insurance contracts covering recognition and measurement, presentation, and disclosure. IFRS 17 replaces IFRS 4 *Insurance Contracts* that was issued in 2005. IFRS 17 applies to all types of insurance contracts (i.e., life, non-life, direct insurance, and re-insurance), regardless of the type of entities that issue them, as well as to certain guarantees and financial instruments with discretionary participation features; a few scope exceptions will apply. The overall objective of IFRS 17 is to provide an accounting model for insurance contracts that is more useful and consistent for insurers. In contrast to the requirements in IFRS 4, which are largely based on grandfathering previous local accounting policies, IFRS 17 provides a comprehensive model for insurance contracts, covering all relevant accounting aspects. IFRS 17 is based on a general model, supplemented by:

- A specific adaptation for contracts with direct participation features (the variable fee approach);
- A simplified approach (the premium allocation approach) mainly for short-duration contracts.

Definition of Accounting Estimates - Amendments to IAS 8

The amendments to IAS 8 clarify the distinction between changes in accounting estimates, and changes in accounting policies and the correction of errors. They also clarify how entities use measurement techniques and inputs to develop accounting estimates.

Disclosure of Accounting Policies - Amendments to IAS 1 and IFRS Practice Statement 2

The amendments to IAS 1 and IFRS Practice Statement 2 *Making Materiality Judgements* provide guidance and examples to help entities apply materiality judgements to accounting policy disclosures. The amendments aim to help entities provide accounting policy disclosures that are more useful by replacing the requirement for entities to disclose their 'significant' accounting policies with a requirement to disclose their 'material' accounting policies and adding guidance on how entities apply the concept of materiality in making decisions about accounting policy disclosures.

The amendments had no impact on the interim condensed financial statements of the Fund but are expected to affect the accounting policy disclosures in the Fund's annual financial statements.

4 SIGNIFICANT ACCOUNTING POLICIES (continued)

Deferred Tax related to Assets and Liabilities arising from a Single Transaction – Amendments to IAS 12
