INDEPENDENT AUDITOR'S REVIEW REPORT ON THE INTERIM CONDENSED FINANCIAL STATEMENTS

To the Unitholders of Alinma Enayah Endowment Fund
(Managed by Alinma Investment Company)

Introduction

We have reviewed the accompanying interim condensed statement of financial position of Alinma Enayah Endowment Fund ("the Fund") being managed by Alinma Investment Company (the "Fund Manager") as at 30 June 2024, and the related interim condensed statements of profit or loss and other comprehensive income, cash flows and changes in equity for the six-month period then ended, including other explanatory notes. The Fund Manager is responsible for the preparation and presentation of these interim condensed financial statements in accordance with International Accounting Standard 34 – "Interim Financial Reporting ("IAS 34")" that is endorsed in the Kingdom of Saudi Arabia. Our responsibility is to express a conclusion on these interim condensed financial statements based on our review.

Scope of review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" that is endorsed in the Kingdom of Saudi Arabia. A review of the interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed financial statements are not prepared, in all material respects, in accordance with IAS 34, that is endorsed in the Kingdom of Saudi Arabia.

Alinma Enayah Endowment Fund (Managed by Alinma Investment Company)

NOTES TO THE INTERIM CONDENSED FINANCIAL STATEMENTS

30 June 2024

1 INCORPORATION AND ACTIVITIES

Alinma Enayah Endowment Fund, (the "Fund"), is an open-ended Shariah compliant public fund created under an agreement between Alinma Investment Company (the "Fund Manager"), a subsidiary of Alinma Bank (the "Bank"), and "Enayah Charity" operating under King Faisal Specialist Hospital and Research Centre" (the "Beneficiary"), in accordance with Capital Market Authority ("CMA") regulations.

The Fund aims to enhance the developmental role of private endowments in supporting health care services, by developing the endowed assets of the Fund and investing them in a way that achieves principle of social solidarity. The Fund Manager will invest in the financial assets and distribute a percentage of the proceeds (endowment yields) on a periodic basis to the endowment distribution channels specified by the Fund (i.e., Health care and medical services). The beneficiary is committed to disbursement of endowment yields in health care and medical services.

The CMA granted approval for the establishment of the Fund in its letter number 18-4234-5-3 dated 27 Ramadan 1439H (corresponding to 11 June 2018). The Fund commenced its operations on 23 Safar 1440H (corresponding to 1 November 2018). The Fund has also obtained approval from General Authority of Awqaf through its letter number 5/1/116 dated 8 Ramadan 1439H (corresponding to 23 May 2018) for raising public subscription for endowments. In dealing with the Unitholders, the Fund Manager considers the Fund as an independent accounting unit. Accordingly, the Fund Manager prepares separate financial statements for the Fund.

Furthermore, the Enayah Charity is considered to be the beneficial owner of the assets of the Fund.

The Fund is managed by Alinma Investment Company (the "Fund Manager"), a closed joint stock company with commercial registration number 1010269764, licensed by the Capital Market Authority of the Kingdom of Saudi Arabia ("CMA") under license number 09134-37.

The Fund Manager is responsible for the overall management of the Fund's activities. The Fund Manager can also enter into arrangements with other institutions for the provision of investment, custody or other administrative services on behalf of the Fund.

Inmaa Alenaya Limited Company, a limited liability company with commercial registration number 1010568508, has been established and approved by CMA as a special purpose vehicle ("SPV") for the beneficial interests of the Fund.

The Fund has appointed NOMW Capital Company for Financial Consultant (the "Custodian") to act as its custodian. The fees of the custodian are paid by the Fund. The Custodian owns 99% of the shares in the SPV and 1% is held by the Fund Manager.

2 REGULATING AUTHORITY

The Fund is governed by the Investment Fund Regulations (the "Regulations") issued by the CMA detailing requirements for all Investment Funds within the Kingdom of Saudi Arabia.

3 BASIS OF PREPARATION

3.1 *Statement of compliance*

These interim condensed financial statements for the six-month period ended 30 June 2024 of the Fund have been prepared in accordance with International Accounting Standard 34 – Interim Financial Reporting ("IAS 34") as endorsed in the Kingdom of Saudi Arabia and other standards and pronouncements that are endorsed by Saudi Organisation for Chartered and Professional Accountants ("SOCPA").

The Fund Manager has prepared the interim condensed financial statements on the basis that the Fund will continue to operate as a going concern. The Fund Manager considers that there are no material uncertainties that may cast significant doubt over this assumption. They have formed a judgement that there is a reasonable expectation that the Fund has adequate resources to continue in operational existence for the foreseeable future, and not less than 12 months from the end of the reporting period.

The interim condensed financial statements do not include all information and disclosures required in the annual financial statements and should be read in conjunction with the Fund's annual financial statements as at 31 December 2023.

3 BASIS OF PREPARATION (continued)

3.2 Basis of measurement

These interim condensed financial statements have been prepared under historical cost convention, except for the financial assets at FVTPL which are measured at fair value.

The interim condensed statement of financial position is stated broadly in order of liquidity. All assets and liabilities are current in nature except for financial assets measured at amortised cost, maturities of which are disclosed in note 6 in the interim condensed financial statements.

3.3 Functional and presentation currency

These interim condensed financial statements are presented in Saudi Riyal (SR), which is also the functional currency of the Fund.

3.4 Use of judgements, estimates and assumptions.

In preparing these interim condensed financial statements, the Fund Manager has made the judgement, estimates, and assumptions that affect the application of the Fund's accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

The significant judgments made by the Fund Manager in applying the Fund's accounting policies and the key sources of estimation uncertainty were the same as those described in the last annual audited financial statements.

4 MATERIAL ACCOUNTING POLICY INFORMATION

The accounting policies adopted in the preparation of the interim condensed financial statements are consistent with those followed in the preparation of the Fund's annual financial statements for the year ended 31 December 2023 except for the adoption of new standards effective as of 1 January 2024. Several amendments apply for the first time in 2024, but do not have an impact on the interim condensed financial statements of the Fund.

The Fund has not early adopted any standard, interpretation or amendment that has been issued but not yet effective.

Amendment to IFRS 16 – Lease on sale and leaseback

In September 2022, the International Accounting Standards Board ("IASB") issued amendments to IFRS 16 to specify the requirements that a seller-lessee uses in measuring the lease liability arising in a sale and leaseback transaction, to ensure the seller-lessee does not recognise any amount of the gain or loss that relates to the right of use it retains.

The transition rules clarify that an entity is not required to provide the disclosures in any interim periods in the year of initial application of the amendments. Thus, the amendments had no impact on the Fund's interim condensed financial statements.

Amendments to IAS 7 and IFRS 7 on Supplier finance agreements

In May 2023, the IASB issued amendments to IAS 7 Statement of Cash Flows and IFRS 7 Financial Instruments: Disclosures to clarify the characteristics of supplier finance arrangements and require additional disclosure of such arrangements. The disclosure requirements in the amendments are intended to assist users of financial statements in understanding the effects of supplier finance arrangements on an entity's liabilities, cash flows and exposure to liquidity risk. The transition rules clarify that an entity is not required to provide the disclosures in any interim periods in the year of initial application of the amendments.

The amendments had no impact on the Fund's interim condensed financial statements.

Amendments to IAS 1 – Classification of liabilities as Current vs Non-current

In January 2020 and October 2022, the IASB issued amendments to paragraphs 69 to 76 of IAS 1 to specify the requirements for classifying liabilities as current or non-current. The amendments clarify:

- What is meant by a right to defer settlement
- That a right to defer must exist at the end of the reporting period
- That classification is unaffected by the likelihood that an entity will exercise its deferral right
- That only if an embedded derivative in a convertible liability is itself an equity instrument would the terms of a liability not impact its classification

In addition, a requirement has been introduced whereby an entity must disclose when a liability arising from a loan agreement is classified as non-current and the entity's right to defer settlement is contingent on compliance with future covenants within twelve months.

The amendments had no impact on the Fund's interim condensed financial statements.
